FOR THE CAMPAIGN! RALLY IN YOUR MIGHT! Read, Think and Act!

Coroner,
J. B. BUTTS, of South Woodberry tp.

Our appeal is to the intelligent, the candid and the independent. We ask only that people shall understand the issues before them, and that, understanding them, they reflect upon their duty in the premises and then discharge what they believe to be that duty when they come to cast their ballots. In order that the questions to be voted upon at the coming election, may be fairly and fully presented to the public, the BEDFORD GAZETTE will be furnished for the campaign, at

Rally, White Men!

Men of Bedford county, all in favor of preserving our republican form of government, all opposed to the centralizing influence of the Fifteenth Aphen A. Douglas, that "this Government was established by White Men, for the benefit of White Men and their descendants forever," all who desire A CHANGE in the administration of affairs at Harrisburg, arise in your might, rally around the flag of Democ-

interests on the Twelfth of October! NOW is the time to strike for victory. The enemy is disorganized, demoralized, disheartened. The conduct of Gov. Geary in the executive office, the Fifteenth Amendment and the extravagance and corruptions of the legislature, form a burden which the Radical party cannot carry. It is pressing them into the earth. As they totter under this load, it is your opportunity to defeat them. Rally to the polls, then, and vote and work for success!

Democrats, awake from your lethargy! Bring out every man to the election who will vote against the ticket which represents the Fifteenth Amendment! HAVE YOUR WAG-ONS READY ON THE DAY OF E-LECTION to carry those to the polls who cannot walk or are dilatory. Give one day in the year to your Country, and remember that a Full Demoeratic Vo'e is a Democratic Victory!

Fair and Square.

The Snap Judgment ratification of the Fifteenth Amendment by the last legislature, fastens Negro Suffrage irrevocably on the people of Pennsylvania, if the political complexion of the legislature be not changed and John W. Geary dismissed from the office of Governor. The issue is now fairly and squarely before the people. Every man who deposits a ballot at the coming election, votes for or against Negro Suffrage in Pennsylvania and for or aby which it is attempted to deprive the people of the right to settle the Suffrage question for themselves. It remains to be seen whether the Radical Republican party, by the nose any lonagainst it? Your ballot will be your of election.

The Radical politicians have contributed heavily in funds raised from their party, to the circulation of a paper printed in New York city, styled the "Irish Republic." Scanlan and Moriarty, the editors and publishers of the "Irish Republic," are paid thousands of dollars out of the the Democrats better than any other they are attempting to do. But we have no fear that they will succeed in their nefarious attempt. A subsidized, hired and paid organ like the one in question, can have no influence with the people it seeks to tempt and mislead. The trick is too transparent not to be seen through, and will only expose its authors to the ridicule and contempt of those upon whom it is attempted to be played. No! no! Such Radical stipendiaries as Scanlan

The Poor House Muddle.

The Radicals have made much talk about the Poor House question, as if sponsible for the state of affairs which exists in regard to that matter. Was it a Democratic Court or a Democratic its present position in regard to the erection of a new Poor House? Did not Stutzman and Longenecker, both We respectfully ask the active men of our party | the Senate and House at Harrisburg, and | A vote for him is a vote for compulsodid not they pass the law under which ry Negro Suffrage. the new Poor House was to have been erected? And did not Gov. Geary afnot Francis Jordan, Secretary of the Commonwealth, a gentleman well acquainted with the facts in the case, advise him to sign it? Ay, there's the rub! If there is anything wrong about this Poor House business, Radical officials are as much to blame as any other body. They should clear their capital out of this matter against their their own hands, is by defeating Geary and Longenecker.

tion. These nominations were really made by a few Radical wire-workers, who thought they were doing a very smart thing in their own interest. We have been informed (though we cannot youch for the correctness of the inforracy and vote for your rights and your mation) that Mr. Moses declines the distinguished honor, and that Mr. Shafer "sticks." This leaves the Radicals with two candidates for Commissioner. The trick has recoiled upon its authors. county not to be deceived by this ruse of the enemy. Examine your tickets and see that the names of George Elder and Adam K. Pencyl are on them.

Only More Work!

There is no chauge in the Election Laws, except that the Registry Act requires that citizens whose names are not on the Registry Book, shall make affidavit in writing to the facts which heretofore they were only orally sworn to. Proof before Election Boards is now made by "hand of write," instead of "by word of mouth," as heretofore. The affidavit in writing of a qualified voter of the district that the party not registered has resided the lawful period in the district, is also required .-These are the only changes in the law. He who could vote under the old law can vote under this one. It will require more labor and and more time for a person not assessed (or registered) to get his vote under the present law, than under the former one. But this fact does not deprive him of the right to vote. It should however, stimulate him to renewed exertions to prevent designing men from cheating him out of his rights.

The latter would agree to the nomination of no other. Next to Stutzman, Scull suits Radical corruption fund for the work | radical in the District. He has endorsed Stutzman's votes and defends his whole course in the Senate. But Findlay suits us better, and will be elected.

John Cessna had a finger in this pie. He desires Scull's election so that a vacancy may be created in the Assessorship of Internal Revenue for this district. In that event, he will have a Franklin county man appointed to that office, by doing which he hopes to conciliate certain Radical politicians \$16,844.73. in that county who are at present inand Moriarty can neither deceive nor imical to his re-nomination for Concorrupt the Irish voters of Pennsylva- gress. Some people who are a little dull of comprehension, cannot understand why Mr. Scull should be willing to lay down an office worth \$2,000 per annum for one that will not net him over \$500? What is the inducement? We presume nothing but "the good of they were not in great measure re- the party!" Ha! ha! ha! How self-sacrificing in Mr. Assessor Scull!

A few questions are pertinent just here. How many offices is Mr. Scull\$0.50 Legislature, that placed the county in entitled to? How much did it cost to to get Stutzman to decline?

Don't Need to Be Bribed!

The Bloody Run Press insults the Democrats of Bedford county, and of Southampton township in particular, by falsely asserting that they are waiting to be paid to go to the election. Democrats turn out to vote their ticket for the sake of principle, not for money. The Press must not put them on a par with its own dupes. Men of Bedford county! Men of Southampton township, against whom this Radical slander is specially directed, turn out next Tuesday and rebuke your traducers!

Spurious tickets, with the names of all the Democratic candidates upon them except that of William Keyser, for Sheriff, for which that of Wm. These are counterfeits of the Democratic ticket. Watch for them and see that no one is deceived by them.

A Radical Newspaper on Ed. Scull.

That able, outspoken republican newspaper, the Pittsburg Commercial, goes back on Mr. Scull, and warns the Republicans of this District to judge well of his fitness ere they send him to the enate vice Stutzman. We clip the following from the Commercial of the 24th ult., and commend it to the consideration of the republican voters of the district-especially of Bedford county-and it is for them to say whether they didn't "exchange sheep for shells, or wool for pebbles":

In announcing that Stutzman had been forced to back out, we suggested Whig, would be a proper person to take place as the Republican Senatorial candidate in that District; but from what appears in the last number of the have been furnished the Election whether the change would be an improvement, at least in decency of manners. The editor in one breath declares no citizen enjoys a higher repu tation for personal worth and integrity than does Mr. Stutzman," and in another abuses the COMMERCIAL as is the habit of the corruptionists. This certainly affords ground for an unfavora-ble inference. It is a little singular that one with a "higher reputation for persona! worth and integrity' any other man in the district should be forced off the Republican ticket because the best men of the party refused to support him and his defeat was in-Brother Scull, we fear, has flattered too much and abused too foully. The Republicans of the District will judge as to this. If Stutzman's reputation is, as the Whig says, "higher" than any other man, the embarrassment is calculated to excite sympathy, since, according to this, they will be compelled to go lower than

THREE THOUSAND DOLLARS is the extent of recovery for any injury to the person by railroad accident, short of death itself. The victim may have been cruelly lacerated by the criminal neglect of a railroad employee. He may have been deprived of his limbs and thereby of ability to earn a livelihood, but John W. Geary and the banditti of the legislature have limited in every case the damages to three thousand dollars. No jury in the Commonwealth, no matter what the evidence of injury or neglect, may give a verdict for a greater amount. The victim may be subjected to a bed of torture for all the years of his life, but John W. Geary has taken it out of the power of a jury of his countrymen to compel a rich corporation to make reasonable compensation.

Extract from a Private Letter from Hawaii, Sandwich Islands. * * * * * Although the eruption is not so violent now, the volcano is a fearful sight to behold. The rivers of lava still flow, and the smoke from the crater ascends in awful majesty. During this volcanic upheaval it has been very sickly here. A peculiar sort of low malarious fever, which has grown out of foul, condensed vapors of the volcano, has prevailed to an alarming extent, and at one time it was feared it would depopulate the island. But fortunately, a sea captian (calling here for supplies) distributed Plantation Bitters to the suffering, and quick and thorough cures were the result. The news spread like wild-fire. Messrs. Ching-Takin & Co., Commision Merchants, had these Bitters for sale. In a short time their office was besieged and their supply exhausted. A steamer was dispatched to San Francisco by order of the Hospital Department, and a new and enormous supply obtained as soon as possible. From that moment the scourge was stayed. Not another fatal case occurred, and the epidemic has now entirely disappeared. * * * Is this wonderful remedy known in your city? I hope so, for it is a sure cure for all fevers and miasmatic sickness. You may tell your friends so for me. * * * H. M. C.

Schenck's Pulmonic Syrup,
Seaweed Tonic and Mandrake Pills, will cure Consumption, Liver Complaint, and Dyspersis, if taken according to directions. They are all three
to be taken at the same time. They cleanse the
stomach, relax the liver, and put it to work: then
the appetite becomes good; the food digests and
makes good blood; the patient begins to grow in
flesh; the diseased matter ripens in the lungs,
and he patient outgrows the disease and gets
well. This is the only way to cure consumption.
To these three medicines Dr. J. H. Schenck, of
Philadelphia, owes his unrivalled success in the
treatment of pulmonary consumption. The Pulmenic Syrup ripens the morbid matter in the
lungs, nature throws it off by an easy expectora
tion, for when the phlegm or matter is ripe, a
slight cough will throw it off, and the patient has
rest and the lungs begin to heal.
To do this, the Seaweed Tonic and Mandrake
Pills must be freely used to cleanse the stomach
and liver, so that the Pulmonic Syrup and the
food will make good blood
Schenck's Mandrake Pills act upon the liver,

Liver Complaint is one of the most prominent causes of Consumption.

Schenck's Seaweed Tonic is a gentle stimulant and alterative, and the Alkali in the Seaweed, which this preparation is made of, assists the stomach to throw out the gastric juice to dissolve the food with the Pulmonic Syrup, and it is made into good blood without fermentation or souring in the stomach.

in the stomach.

The great reason why physicians do not cure

The great reason way physicians do not cure consumption is, they try to do too much; they give medicine to stop the cough, to stop chills, to stop night sweats, heetic fever, and by so doing they derange the whole digestive powers, locking up the scoretions, and eventually the patient sinks and dies. Inks and dies.

Dr. Schenck, in his treatment, does not try to

Dr. Schenck, in his treatment, does not try to stop a cough, night sweats, chills, or fever. Re-move the cause, and they will all stop of their own accord. No one can be cured of Cousump-tion, Liver Complaint, Dyspepsia, Cataarh, Can-ker, Ulcerated Throat, unless the liver and stom-

ker, Ulcerated Throat, unless the liver and stomach are made healthy.

If a person has Consumption, of course the lungs in some way are diseased, either tubercles, ab scesses, bronchial irritation, pleura adhesion, or the lungs are a mass of inflammation and fast decaying. In such cases what must be done? It is not only the lungs that are wasting, but it is the whole body. The stomach and liver have lost their power to make blood out of food. Now the only chance is to take Schenck's three medicines, which will bring up a tone to the stomach, the patient will begin to want food, it will digest easily and make good blood: then the patient begins to grow, the lungs commence to heal up, and the patient gest feesly and well. This is the only way to cure consumption.

When there is no lung disease, and only Liver Complaint and Dyspepsia, Schenek's Scaweed Tonic and Mandrake Pills are sufficient without the Pulmonic Syrup. Take the Mandrake Pills freely in all billious complaints, as they are perfectly harmless

Dr. Schenck, who has enjoyed uninterrupted health for many years past, and now weighs 225 pounds, was wasted away to a mere skeleton, in the very last stage of Pulmonary Consumption, his physicians having pronounced his case hopeless and abandoned him to his fete.
