OUR NEW FAMILY SEWING MACHINE,

The superior merits of the "Singer" Machines over all others, for either Family use or Manu-facturing purposes, are so well established and so generally admitted, that an enumeration of their relative excellences is no longer considered neces-

OUR NEW FAMILY MACHINE, which has been brought to perfection regardless of time, labor, or expense, is now confidently presented to the public as incomparably the Best Sewing Machine in existence. The machine in question is Simple, Compact, Durable and Beautiful. It is quiet, light running, and CAPABLE OF PERFORMING A RANGE AND VARIETY OF WORK

never before attempted upon a single Machine.— CAPABLE OF PERFORMING A RANGE AND VARIETY OF WORK

never before attempted upon a single Machine,—
using either Silk, Twist, Linen or Cotton
Therrow, and sewing with equal facility the very
finest and coarsest materials, and anything between the two extremes, in the most beautiful and
substantial manner. Its attachments for Hemming, Braiding, Cording, Tucking, Quilting, Felting, Trimming, Binding, etc., are Novel and Practical, and have been invented and adjusted as
pecially for this Machine.

New designs of the Unique, Useful, and Popular
Folding, Jops and Cabinet Cases, peculiar to the
Machines manufactured by this Company, have
been prepared for enclosing the new Machine.

A faint idea, however, can at best be conveyed
through the medium of a (necessarily) limited advertisement; and we therefore urge every person
in quest of a Sewing Machine, by all means to cxamine and test, if they can possibly do so, all the
leading rival Machines before making a purchase.
A selection can then be made understandingly.
Branches or agencies for supplying the "Singer"
Machines will be found in nearly every city and
town throughout the civilized world, where Machines will be cheerfully exhibited, and any infor
mation promptly furnished. Or communications

Bedford, May 8, 1859.

I take great pleasure in giving my testimony the value of "Middleton's Wonderful Pain Cure."
I have been a martyr to Rheumatism. For two months previous to Feb. 25th, last, I was suffering the state of t months previous to Feb. 25th, last, I was suffering intensely with pain so severe, that during all that time I had not one night of comfortable sleep. I could not put my hands to my face, could not comb my own hair, nor feed myself; but after having the Pain Cure applied once, I found relief enough to-give me comfortable sleep, and with its steady use, I continued to get better, and now at the end of ten weeks from its first application, I have comparatively free use of my hands, sleep well and can attend to business. It has done me more good than all other medicines I have ever used put together, and I cheerfully give this certificate of its value.

ELI M. FISHER.

BEDFORD, April 14, 1869.

Mr. W. W. Middleton Mr. W. W. Middleton,

This is to certify that I was taken with Rheamatism, in my right shoulder, on the evening of the 8th inst, so that I was unable to raise my hand to my face. I got some of your Pain Cure and applied it twice, and was entirely relieved. I would recommend to every one who suffers with Rheumatism to give it a trial and be cured.

Yours &c.,

A. F. MILLER.

Mr. Middleton,
DEAH SIE —I have used several bottles of your
medicine in my family, and find it to be all you
claim for it. Yours, truly,
JOHN HAFER. BEDFORD, May 17, 1869.

JOHN HARRIS.

Bedford, May 18, 1869.
This is to certify that I have used Middleton's Liniment, for the Rheumatism which I had in my right shoulder so bad that I could not get my hand to my head without great pain, and after a few applications was entirely relieved.

L. F. DART.

Mr Middleton,
Dear Sir: — Mrs. Bowser was in much suffering for some four weeks with Rheumatism, and got some of your Pain Cure, and the first night I applied it it eased the pain; and after keeping on using it for two weeks, she was restored to health. I feel it to be my duty, as it is a pleasure, to write this recommendation for the benefit of others.

JACOB BOWSER. BEDFORD, May 1, 1869.

Bedford, May 10. 1005.

Mr W. W. Middleton:
Sir—I procured a bottle of your Liniment for Rheumatism, and it gives me great pleasure in saying that after using it for two days, my rheumatism was completely relieved. My sister was suffering, at the same time, with Inflamatory Rheumatism in her right hand and wrist—after using it for several days she was relieved. I consider it the best remedy I ever heard of.

JOHN KEEFE.

Bedford, May 24, 1869.
This is to certify that I have used one bottle of Middleton's Liniment, for Rheumatism, and think it a good cure, and would recommend it to all persons that are afflicted with the above disease. AUGUSTUS CARVER.

Mr. Middleton:

Sir—I procured one bottle of your medicine and used one-half of it for Rheumatism, which effected a permanent cure up to this time. I cannot hesitate in saying that it is the best remedy I ever used.

NATURE'S GREAT RESTORER. SCHEETZ'S CELEBRATED BITTER CORDIAL.

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is not recommended as a CURE ALL, but by its direct and salutary influence upon the Heart, Liver, Kidneys, Lungs, Stomach and Bowels, it acts both as a preventive and cure for many of the diseases to which those organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial results It is a certain, prompt and speedy remedy for DIARRHEA, DYSENTERY, BOWEL COMPLAINT, DYSPEPSIA, LOWNESS OF SPIRITS, FAINTINGS, SICK-HEADACHE, &c. For Chilfs and Fevers of all kinds, it is far better and safer than quinine, without any of its pernicious effects. It creates an appetite, proves a powerful digester of food, and will counteract the effects of liquor in a few minutes.

A YER'S CATHARTIC PILLS, rernaps no one Medicine is so universally re-quired by everybody as a cathartic, nor was ever any before so universally adopted into use, in ev-ery country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always —that it never fails through any fault or neglect

and all know that what it does once it does always—that it never fails through any fault or neglect of its composition We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever 'they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

For Dyspersia or Indigestion, Listlessness. lls rapidly cure:—
For Dyspepsia or Indigestion, Listlessness

Languer and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Burrows H. BILLIOUS HEADACHE, SICK HEADACHE, JAUNDICE OF Green SICKNESS, Bilious Colic and Bilious Fevers, they should be jodiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For DYSENTERY OF DIABRHEEA, but one mild done is generally required.

done is generally required.

For RHEUMATISM, GOUT, GRAVYEL, PALPITATION OF THE HEART, PAIN IN THE SIDE, BACK and LOINS, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear pear.

For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression a large dose should be taken as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and

bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

PHILADELPHIA, PA AYER'S SARSAPARILLA

FOR PURIFYING THE OOD. The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Investrate cases of Scrofulous disoase, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfection of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the liver, or it shows its presence by eraptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when formed in the liver, or it shows its presence by eraptions on the skin, or foul ulcerations on some
part of the body. Hence the occasional use of a
bottle of this Sarsaparilla is advisable, even when
no active symptoms of disease appear. Persons
afflicted with the following complaints generally
find immediate relief, and, at length, cure, by the
use of this Sarsaparilla: St. Anthony's Fire, Rose
or Erysipelas, Tettor, Salt Rheum, Scald Head,
Ringworm, Sore Eyes, Sore Ears, and other oruptions or visible forms of Scrofulous disease,
Also
in the more concealed forms, as Dyspensia. Propin the more concealed forms, as Dyspepsia, Drop-sy, Heart Disease, Fits, Epilopsy, Neuralgia, and the various Ulcerous affections of the muscular

sy, Heart Disease, Fits. Epilepsy, Neuralgia, and the various Ulecrous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will care the complaint. Leucorrhoea or Whites, Uterine Ulecrations, and Female Diseases. are commonly soon relieved and ultumately cured by its parifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundie, when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial. will find immediate relief and convincing evidence of its restorative power upon trial.

YER'S CHERRY PECTORAL, For Diseases of the Throat and Lungs,

such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in crery family, and indeed as all are sometime subject to colds and coughs, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear.

Singers and public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Asthma is always related by taking the dby it.

Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses.

So generally are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained. fully maintained.

effected in obstinate cases, and where other remedies had wholly failed.
