AYERS HAIR VIGOR, FOR THE RENOVATION OF THE HAIR. THE GREAT DESIDERATUM OF THE AGE. A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. This hair is thickened, falling hair checked, and baldness of the scalp, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of touting the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume. Prepared by Dr. J. C. Ayer & Co., LOWELL, MASS. Price \$1 00. ang12/91 B. F. HARRY, Agent.

AYER'S CATHARTIC PILLS, For all the purposes of a Laxative Medicine. Perhaps no other Medicine is so universally required by everybody as a cathartic, nor ever any before so universally adopted into use, in every country and among all classes of people, as this efficient and safe Cathartic. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cures their neighbors and friends, and all know that it cures themselves. It is so simple that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of its remarkable cures of the following complaints, but such cures are not published in every neighborhood, and we need not publish them in every neighborhood. These obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first or second stage of disease. Minute directions are given in the wrapper on each box. For the following complaints, which these Pills rapidly cure: For DYSPEPSIA OR INDIGESTION, LITTLENESS, LANGOR AND LOSS OF APPETITE, they should be taken moderately at first, and increased as they restore its healthy tone and action. For LIVER COMPLAINT and its various symptoms, Biliousness, Headache, Stomachic, Jaundice, or Green Stickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, until the bowels are opened, and the obstructions which cause it. For DYSENTERY OR DIARRHOEA, but one mild dose is generally sufficient. For HEMORRHOID, GOUT, GRAVEL, PALPITATION OF THE HEART, PAIN IN THE SIDE, BACK AND NECK, they should be taken in moderate doses, as required, to change the diseased action of the system. With such change those complaints disappear. For DROPPY AND DROPPICAL SWELLINGS they should be taken in large and frequent doses to produce the effect of a diuretic. For SUPPRESSION a large dose should be taken as it produces the desired effect by sympathy. As a Diarrhoeic Pills are not given to promote digestion and relieve the stomach. An occasional dose stimulates the stomach and bowels into healthy action, increases the appetite, and invigorates the system. Hence it is an advantageous where no serious derangement exists. It is a safe and reliable remedy, and a dose of these PILLS makes him feel decidedly better, from their cleansing and renovating effect on the system.

TESTIMONIALS. The Waters' Pianos are known as among the very best.—N. Y. Evangelist. "I can speak of the merits of the Waters' Piano from personal knowledge as being the very best quality.—Christian Intelligencer. The Waters' Pianos are built of the very best and most thoroughly seasoned material.—Advocate and Journal. Our friends will find at Mr. Waters' store the very best assortment of Pianos, Melodeons and Organs to be found in the United States.—Graham's Magazine.

MEXICAN DANCES.—Since Mr. Waters gave up publishing sheet music, he has devoted his whole capital and attention to the manufacture and sale of the Waters' Pianos. He has just issued a catalogue of his new instruments, giving a new scale of prices, which shows a marked reduction from former rates, and his Pianos have recently been awarded the First Premium at several Fairs. Many people of the present day, who are attracted by the low price of cheap instruments, are misled by the reputation of rival piano houses, probably overlook the modest manufacturer like Mr. Waters; but we can assure them that his instruments are named him a good reputation long before Expositions and "bonuses" connected therewith were ever thought of. He has one of Mr. Waters' Pianos for sale in his residence (where it has stood for many years) in which any manufacturer in the world could not rival his instruments.
