OUR NEW SEWING MACHINE.

The superior merits of the "Singer" Machines over all others, for either Family use or Manu-facturing purposes, are so well established and so generally admitted, that an enumeration of their relative excellences is no longer considered neces-

ing Machine in existence. The machine in question is Simple, Compact, Durable and Beautiful. It is quiet, light running, and CAPABLE OF PERFORMING A BANGE AND VARIETY OF WORK never before attempted upon a single Machine,—using either Silk, Twist, Linken or Cotton Thirkan, and sewing with equal facility the very finest and coarsest materials, and anything between the two extremes, in the most beautiful and substantial manner. Its attachments for Hemming, Braiding, Cording, Tucking, Quilting, Felling, Trimming, Binding, etc., are Novel and Practical, and have been invented and adjusted especially for this Machine.

New designs of the Unique, Useful, and Popular Folding, Isps and Cabinet Cases, peculiar to the Machines manufactured by this Company, have been prepared for enclosing the new Machine.

A faint idea, however, can at best be conveyed through the medium of a (necessarily) limited advertisement; and we therefore urge every person in quest of a Sewing Machine, by all means to examine and test, if they can possibly does, all the loading rival Machines before making a purchase. A selection can then be made understandingly. Branches or agencies for supplying the "Singer" Machines will be cheerfully exhibited, and any information promptly furnished. Or communications may be addressed to THE SINGER MANUFACTURING CO., THE SINGER MANUFACTURING Co.,

Beddon, May 8, 1849.

I take great pleasure in giving my testimony to the value of "Middleton's Wonderful Pain Cure." I have been a martyr to Rheumatism. For two months previous to Feb. 25th, last, I was suffering intensely with pain so severe, that during all that time I had not one night of comfortable sleep. I could not put my hands to my face, could not comb my own hair, nor feed myself; but after having the Pain Cure applied once, I found relief enough to give me comfortable sleep, and with its steady use, I continued to get better, and now at the end of ten weeks from its first application, I have comparatively free use of my hands, sleep well and can attend to business. It has done me more good than all other medicines I have ever used put together, and I cheerfully give this certificate of its value.

I got some of your Pain Cure and applied it twice, and was entirely relieved. I would recommend to every one who suffers with Rheumatism to give it a trial and be cured.

Yours &c.,

A. F. MILLER.

Mr. Middleton,

DEAR SIR — I have used several bottles of your medicine in my family, and find it to be all you claim for it. Yours, truly,

BEDFORD, May 1, 1869.

Mr Middleton,
Dear Sir:—Mrs. Bowser was in much suffering for some four weeks with Rheumatism, and got some of your Pain Cure, and the first night I applied it it eased the pain; and after keeping on using it for two weeks, she was restored to health. I feel it to be my duty, as it is a pleasure to write this recommendation for the benefit of others.

JACOB BOWSER.

BEDFORD, May 16 1869. W. Middleton Mr W. W. Middleton:

Sir—I procured a bottle of your Liniment for
Rheumatism, and it gives me great pleasure in
saying that after using it for two days, my rheumatism was completely relieved. My sister was
suffering, at the same time, with Inflamatory
Rheumatism in her right hand and wrist—after
using it for several days she was relieved. I

YER'S CATHARTIC PILLS, For all the purposes of a Laxative Medicine. Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Musical Doings,—Since Mr. Waters gave up publishing sheet music, he has devoted his whole capital and attention to the manufacture and sale of Pianos and Melodeons. He has just issued a catalogue of his new instruments, giving a new scale of prices, which shows a marked reduction from former rates, and his Pianos have recently been awarded the First Premium at several Fairs. Many people of the present day, who are attracted, if not confused, with the flaming adertisements of rival piano houses, probably overlook the modest manufacturer like Mr. Waters; but we happen to khow that his instruments earned him a good reputation long before Expositions and 'honors' connected therewith were ever thought of; indeed, we have one of Mr. Waters' Pianofortes now in our residence (where it has stood for many years,) of which any manufacturer in the world might well be proud. We have always been deligited with it as a sweet-toned and powerful instrument, and there is no doubt of its durability; more that, this, some of the best amateur players in the city, as well as several celebrated pianists, have performed on the same piano, and all prouounce it a superior and first-class instrument. Stronger endorsement we could not give.—Home Journal.

AYER'S SARSAPARILLA,

FOR PURIFYING THE OOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfeit tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable oceasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eraptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla: St. Anthony's Fire, Rose or Erysipleas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other cruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgis, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subdaing these obstinate maladies by any medicine. But long continued use of this medicine will cure the cemplaint. Leucorrhees or Waites, Uterine Ulcerations, and Female Diseases. are commonly soon relieved and ultumately cured by its purifying and invigorating effect. Minute Directions for each ease are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by

YER'S CHERRY PECTORAL, For Diseases of the Throat and Lungs,

such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, Cough, Bronchitis, Asthma,
and Consumption.

Probably never before in the whole history of
medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through
a long series of years, and among most of the races
of men it has risen higher and higher in their es
timation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it
known as a reliable protector against them.
While adapted to milder forms of disease and to
young children, it is at the same time the most
effectual remedy that can be given for incipient
consumption, and the dangerous affections of the
throat sand lungs. As a provision against gudden
attacks of Croup, it should be kept on hand in every family, and indeed as all are sometime subject to colds and coughs, all should be provided
with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the
disease seemed settled, have been completely
cured, and the patient restored to sound health by
the Cherry Pectoral. So complete is its mastery
over the disorders of the Lungs and Throat, that
the most obstinate of them yield to it. When
nothing else could reach them, under the Cherry
Pectoral they subside and disappear.

Singers and public Speakers find great protection from it.

Singers and public Speakers find great protection from it. Asthma is always relieved and often wholly cur ed by it.

ed by it.

Bronchitts is generally cured by taking the Cherry Pectoral in small and frequent doses.

So generally are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are AYER'S AGUE CURE, Fever, Remaitent Fever, Dumb Ague, Perrodical or Billious Fever, &c., and indeed all the affections which arise from malarous, marsh, or miasmatic poisons.

As its name implies it does Cure, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zine, nor any other mineral or poisonous substance whatever, it in no wise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unacclimated persons, either resident in, or traveling through miasmatic localities, will be protected by taking the AGUE CURE daily.

For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed. Prepared by Dr. J. C. Ayera & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.
