TESTIMONIALS.

The Waters' Pianos are known as among the very best.—N. Y. Evangelist.

We can speak of the merits of the Waters' Pianos from personal knowledge as being of the very best quality.—Christian Intelligencer.

The Waters' Pianos are built of the very best and most thoroughly seasoned material.—Advocate and Journal.

Our friends will find at Mr. Waters' store the very best assortment of Pianos, Melodeons and Organs to be found in the United States.—Graham's Magazine.

Musical Doings.—Since Mr. Waters gave up publishing sheet music, he has devoted his whole capital and attention to the manufacture and sale of Pianos and Melodeons. He has just issued a catalogue of his new instruments, giving a new scale of prices, which shows a marked reduction from former rates, and his Pianos have recently been awarded the First Premium at several Fairs. Many people of the present day, who are attracted, if not confused, with the flaming adeertisements of riyal piano houses, probably overlook the modest manufacturer like Mr. Waters; but we happen to khow that his instruments carned him a good reputation long before Expositions and "honors" connected therewith were ever thought of; indeed, we have one of Mr. Waters' Pianofortes now in our residence (where it has stood for many years.) of which any manufacturer in the world might well be proud. We have always been delighted with it as a sweet-toned and powerful instrument, and there is no doubt of its durability; more than this, some of the best amateur player, in the city, as well as several celebrated pianists have performed on the same piano, and all prouounce it a superior and first-class instrument. Stronger endorsement we could not give.—Home Journal.

THE WEEKLY WORLD, a large quarto sheet, printed throughout in large type and published every Wednesday morning, has now the largest circulation of any weekly newspaper in the United States, with possibly, a single exception. Among its prominent features are:

are:
1. Its very full and accurate market reports, embracing the Live Stock markets of New York, Albany, Cambridge, and Philadelphia; and New York Country Produce Market, and General Produce Markets of the country; and full reports of the New York Money Market. 2. Its Agricultural Department, which contains each week articles on practical and scientific farming that are of great value to American farmers. A special feature of this department is a weekly summary of the condition of the Hop Markets at home and abroad.

A very full report of the proceedings of the Farmers' Club of the American Institute is printed in each issue of the Weekly World, the day after the meeting of the Club. By this arrangement the report appears in the Weekly World one week in advance of its publication in any other weekly paper.

A portion of the Weekly World is reserved for family reading matter, including original and selected stories, poems, waifs of humor, and extracts from books and periodicals.—Particular attention will be given to this department during the year 1870.

A special feature of the Weekly World is a carefully complied summary of the news of each week. It is made so complete that no one who reads it can fail of being well posted on all the important news of the day.

READ! READ!! READ!!! MIDDLETON'S

WONDERFUL PAIN CURES A sure remedy for Rheumatism, Neuralgia, Lumbago, Growing Pains, Sprains, Bruises, Stiffnes, of the Joints and all similar diseases. This wonderful remedy is composed entirely of vegetable ingredients. There are no injurious substances used in its manufacture.

For assurance of its excellent properties, read Itake great pleasure in giving my testimony to the value of "Middleton's Wonderful Pain Cure." I have been a martyr to Rheumatism. For two months previous to Feb. 25th, last, I was suffering intensely with pain so severe, that during all that time I had not one night of confortable sleep. I could not put my hands to my face, could not comb my own hair, nor feed myself; but after having the Pain Cure applied once, I found relief enough to give me comfortable sleep, and with its steady use, I continued to get better, and now at the end of ten weeks from its first application, I have comparatively tree use of my hands, sleep well and csu attend to business. It has done me more good than all other medicines I have ever used put together, and I cheerfully give this certificate of its value.
