A YER'S CATHARTIC PILLS,

For all the purposes of a Laxative Medicine.

Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in evany before so universally adopted into use, in every country and among all classes, as this mild but efficient purgaffive Pill. The obvious reasod is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thou sands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from

anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscerato purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

For DYSPETSIA OF INDIGESTION, LISTLESSNESS, LANGUOE and LOSS of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For LIVER COMPLAINT and its various symptoms, BILLIOUS HEADACHE, SIGK HEADACHE, JAUNDIES or Green SIGKNESS, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

PHILADEDPHIA, A YER'S CHERRY PECTORAL, For Diseases of the Throat and Lungs,

such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. a long series of years, and among most of the races of men it has risen higher and higher in their es timation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Group, it should be kept on handin every family, and indeed as all are sometime subject to colds and coughs, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear.

Singers and public Speakers find great protection from it. Singers and public Speakers find great protec-

The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

A YER'S HAIR VIGOR,

For restoring Gray Hair to its natural Vitality and Color. A dressing which is at once agreeable, healthy

and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness of ten, though not always, cured by its use. Noth ing can restore the hair where the follicles are de stroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterion substances which make some preparations danger ous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

THE ONLY RELIABLE CURE FOR DYSPEPSIA

IN THE KNOWN WORLD. Dr. Wishart's Great American Dyspepsia Pills and Pine Tree Tar Cordial are a positive and infallable cure for Dyspepsia in its most aggravated form, and no matter of how long standing. They penetrate the secret abode of this terrible disease, and exterminate to it, root and branch, forever.

They alleviate more agony and silent sutering than tongue can tell.

They are noted for curing the most desperate and hopeless cases, when every known means fail to afford relief.

No form of Dyspepsia or Indijestion can resist their penetrating power,

DR. WISHART'S

PINE TREE TAR CORDIAL. It is the vital principle of the Pine Tree obtained by a peculiar process in the distillation of the tar, by which its highest medical properties are retained. It invigorates the digestive organs and restores the appetite. It strengthens the debilitated system. It purifies and encriches the blood, and expels from the system the corruption which scrofula breeds on the lungs. It dissolves the mucus or phlegm which stops the air passages of the lungs. Its healing principle acts upon the irritated surface of the lungs and throat, penetrating to each diseased part, relieving pain and subdaing inflammation. It is the result of years of study and experiment, and it is offered to the afflicted with positive assurance of its nower to cure the following diseases if the patient has not too long delayed a resort to the means of cure:

Consumption of the Lungs, Cough, Sore Throat and Breast, Bronchitis, Liver Complaint, Blind and Bleeding Piles, Asthma, Whooping Cough, Diptheris, &c.

Musical Doings.—Since Mr. Waters gave up publishing sheet music, he has devoted his whole capital and attention to the manufacture and sale of Pianos and Melodeons. He has just issued a catalogue of his new instruments, giving a new scale of prices, which shows a marked reduction from former rates, and his Pianos have recently been awarded the First Premium at several Fairs. Many people of the present day, who are attracted, if not confused, with the faming adeertisements of rival piano houses, probably overlook the modest manufacturer like Mr., Waters; but we happen to know that his instruments earned him a good reputation long before Expositions and 'honors' connected therewith were ever thought of; indeed, we have one of Mr. Waters' Pianofortes now in our residence (where it has stood for many years,) of which any manufacturer in the world might well be proud. We have always been delighted with it as a sweet-toned and powerful instrument, and there is no doubt of its durability; more than this, some of the best amateur player, in the city, as well as several celebrated pianists have performed on the same piano, and all prouounce it a superior and first-class instrument. Stronger endorsement we could not give.—Home Journal.

the following certificates:

Bedford, May 8, 1889.

I take great pleasure in giving my testimony to the value of "Middleton's Wonderful Pain Cure."
I have been a martyr to Rheumatism. For two months previous to Feb. 25th, last, I was suffering intensely with pain so severe, that during all that time I had not one night of comfortable sleep. I could not put my hands to my face, could not comb my own hair, nor feed myself; but after having the Pain Cure applied once, I found relief enough to give me comfortable sleep, and with its steady use, I continued to get better, and now at the end of ten weeks from its first application, I have comparatively free use of my hands, sleep well and can attend to business. It has done me more good than all other medicines I have ever used put together, and I cheerfully give this certificate of its value.

ELI M. FISHER.

ELI M. FISHER.

BEDFORD, April 14, 1869. Mr. W. W. Middleton Mr. W. W. Middleton,

This is to certify that I was taken with Rheu
matism, in my right shoulder, on the evening ofthe 8th inst., so that I was unable to raise my
hand to my face. I got some of your Pain Cure
and applied it twice, and was entirely relieved.
I would recommend to every one who suffers with
Rheumatism to give it a trial and be cured.

Yours &c.,

A. F. MILLER.

Mr. Middleton,
DEAH SIR --I have used several bottles of your
medicine in my family, and find it to be all you
claim for it. Yours, truly,
JOHN HAFER. BEDFORD, May 17, 1869.

JOHN HARRIS. BEDFORD, May 18, 1869
This is to certify that I have used Middleton's Liniment, for the Rheumatism which I had in my right shoulder so bad that I could not get my hand to my head without great pain, and after a few applications was entirely relieved.

L. F. DART.

BEDFORD, May 1, 1869.

Mr Middleton,
Dear Sir:— Mrs. Bowser was in much suffering for some four weeks with Rheumatism, and got some of your Pain Cure, and the first night I applied it it eased the pain; and after keeping on using it for two weeks, she was restored to health. I feelit to be my duty, as it is a pleasure, to write this recommendation for the benefit of others.

Mr W. W. Middleton: BEDFORD, May 16 1869. Mr W. Middleton:

Sir-I procured a bottle of your Liniment for Rheumatism, and it gives me great pleasure in saying that after using it for two days, my rheumatism was completely relieved My sister was suffering, at the same time, with Inflamatory Rheumatism in her right hand and wrist-after using it for several days she was relieved. I consider it the best remedy I ever heard of.

This excellent PAIN CURE is prepared only by W. W. MIDDLETON, Bedford, Pa. to whom all orders for the medicine should be addressed.

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eraptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of abottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this Sarsaparilla: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other erupitions or visible forms of Scrofulous disease. Also in the more concented forms, as Dyspepsia, Dropsy, Hoart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint, denominating effect. Minute Directions for each case are found in ou And the Semi-Weekly, one year, to getter up

dence of its restorative power upon trial.
