Its uni-form character and power to cure the various af-fections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Group, it should be kept on hand in ev-ery family, and indeed as all are sometime sub-ject to colds and coughs, all should be provided with this antidote for them. Altough settled Consumption is thought in-curable, still great numbers of cases where ithe disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Peetoral. Again, it seems to breed infection throughout the body, and then, on some favora-ble occasion, rapidly develops into one or other of its hideous jorms, either on the surface or among the vitals. In the latter, tubercles may be sud-denly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by e-raptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this Sarsaparilla: St. Anthony's Fire, Rose or Eryspielas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other erupt tions or visible forms of Scrofulous disease. sy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems. Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medi-cine. But long continued use of this medicine will cure the complaint. Leucorrhoea or Whites, Uterine Ulcerations, and Female Diseases. are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Di-rections for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Com-plaints, Torpidity, Congestion or Inflammation o-the Liver, and Jaundice, when arising, as they of-ten do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evi-dence of its restorative power upon trial.
