or all the purposes of a Laxative Medicine For all the purposes of a Laxative Medicine. Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild bet effected purgative Fill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cured them; those who have not all know that what it does once it does always—that it never fails through any fault or neglect. know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscerato purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

A YER'S CHERRY PECTORAL, For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption. Probably never before in the whole history

medicine, has anything won so widely and so deep-ly upon the confidence of mankind, as this excel-ient remedy for pulmonsry complaints. Through a long series of years, and among most of the races timation, as it has become better known. Itsuniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against adden attacks of Croup, it should be kept on handin every family, and indeed as all are sometime subject to colds and cougns, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obtains to of them, under the Cherry Pectoral they abside and disappear.

HAIR VIGOR

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. NEW TYPE, But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleteriou substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving

The Waters Pianos are buil? of the very best and most thoroughly seasoned material.—Advocate and Journal.

Our friends will find at Mr. Waters' store the very best assortment of Pianos, Mciodeons and Organs to be found in the United States.—Graham's Magazine.

Musical Doings.—Since Mr. Waters gave up publishing sheet music, he has devoted his whole capital and attention to the manufacture and sale of Pianos and Molodeons. He has just issued a catalogue of his new instruments, giving a new scale of prices, which shows a marked reduction from former rates, and his Pianos have recently been awarded the First Promium at several Fairs. Many people of the present day, who are attracted, if not confused, with the flaming adeertisements of rival piano houses, probably overlook the modest manufacturer like Mr. Waters; but we happen to know that his instruments earned him a good reputation long before Expositions and "honors" connected therewith were ever thought of; indeed, we have one of Mr. Waters' Pianofortes now in our residence (where it has stood for many years,) of which any manufacturer in the world might well be proud. We have always been delighted with it as a sweet-toned and powerful instrument, and there is no doubt of its durability; more than this, some of the best amateur player, in the city, as well as several celebrated pianists have performed on the same piano, and all pronounce it a superior and first-class instrument. Stronger endorsement we could not give.—Home Journal.

DEAD! READ!! READ!!! MIDDLETON'S ONDERFUL PAIN CURE

A sure remedy for Rheumatism, Neuralgia, Lumbago, Growing Pains, Sprains, Bruises, Stiffnes, of the Joints and all similar diseases.
This wonderful remedy is composed entirely of vegetable ingredients. There are no injurious substances used in its manufacture.
For assurance of its excellent properties, read the following certificates. BEDFORD, May 8, 1869

Buddon, May 8, 1869.

I take great pleasure in giving my lestimony to the value of "Müdleton's Wonderful Pain Cure"

I have been a martyr to Rheumatism For two months previous to Feb. 25th, last, i was suffering intensely with pain so severe, that during all that time I had not one night of comfortable sleep. I could not put my hands for my fane, could not comb my own hair, nor feed myself; but after having the Pain Cure applied once, I found relief enough to give me comfortable sleep, and with its steady use, I continued to get better, and now at the end of ten weeks from its first application, I have comparatively free use of my hands, sleep well and can attend to beniness. It has done me more good than all other medicines I have ever used put together, and I cheerfully give this certificate of its value.

ELI M. FISHER.

BEDDORD, May 18, 1869
This is to certify that I have used Middleton's Liniment, for the Rheumatism which I had in my right shoulder so bad that I could not get my hand to my head without great pain, and after a few applications was entirely relieved.

BEDFORD, May to room.

Mr W. W. Middleton:
Sir--I procured a bottle of your Liniment for Rheumatism, and it gives me great pleasure in saying that after using it for two days, my rheumatism was completely relieved. My sister was suffering, at the same time, with Inflamatory Rheumatism in her right hand and wrist-after using it for several days she was relieved. I consider it the best remedy I ever heard of.

JOHN KEEFR.

BEDFORD, May 24, 1869.
This is to certify that I have used one bottle of Middleton's Liniment. For Rheumatism, and think it a good cure, and would recommend it to all persons that are afflicted with the above disease.

AUGUSTUS CARVER.

BEDFORD, May 26, 1869. Sir-I procured one bottle of your medicine and used one-half of it for Rheumatism, which effected a permanent cure up to this time. I cannot hesitate in saying that it is the best remedy I ever used.

AYER'S SARSAPARILLA

FOR PURIFYING THE BLOOD. The reputation this excellent medicine enjoys is derived from its cures, many of which are truly marvellous. Inveterate cases of berofulons dischase, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were scriptulous amections and disorders, which were aggravated by the scroplous contamination until they were publicly afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses. Serofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeetbing or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubereles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eraptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following compisints generally find immediate relief, and, at length, cure, by the use of this Sarsaparilla: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other erupt tions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart, Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the cemplaint. Leucorrhoea or Wnites, Uterine Ulcerations, and Pemale Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Eheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the strength and vigor of the system. Those who are isanguid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fenra, or any of the affections symptomatic Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the
