AYERS HAIR VIGOR

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for asefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious ous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume.

AYER'S SARSAPARILLA

FOR PURIFYING THE BLOOD. The reputation this excellent medicine enjoys In a reputation this excellent medicine enjoys is derived from its curves, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were Scrufule as poison is one of the most destructive enemies of our race. Often, this unseen and un felt tenant of the organism undermines the stitution, and invites the attack of enfeebli fatal diseases, without exciting a suspicion of presence. Again, it seems to breed info throughout the body, and then, on some is ble occasion, rapidly devalors into account

ble occussion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the latter, tubercles may be suddenly deposited in the langs or heart, or tumors formed in the liver, or it shows its presence by eraptions on the skin, or toni ulcerations on some part of the body. Hence the occasional use of bottle of this Sarsapartila is advisable, even when no active symptoms of disease appear. Persons afflicted with the following compiaints generally find immediate relief, and, at length, cure, by the use of this Sarsapartila: St. Anthony's Fire, Rose or Erysipelas, Tetter, Sait Rheum, Scaid Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuragius, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this nedicine will cure the complaint. Leucorrhoes or Waites, Uterine Ulcerations and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation on the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This Sarsaparter

This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.
