A YER'S HAIR VIGOR,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is atonce agreeable, healthy and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands strophied and decayed. NEW TYPE, But such as remain can be saved for usefulness by this application. Insmead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations danger ous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING.

nothing else can be found so desirable. Contain ing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume.

For two months previous to Feb. 23th, last, a was suffering intensely with pain so severe, that during eli that time I had not one night of comfortable sleep. I could not put my hands to my face, could not comb my own hair, nor feed myself; but after having the Pain Cure sppiled once. I found relief enough to give me comfortable sleep, and with its steady use, I continued to get better, at d.cow at the end of ten weeks from its first application, I have comparatively free use of my hands, sleep well and can attend to business. It has done me mare good than all other medicines I have ever used put together, and I cheerfully give this certificate of its value.
