THE SENATE DISCUSSION

The discussion in the Senate on the resolution to admit Spofford, Senator elect from Louisiana, plainly evidences the Republican party managers have not abandoned sectionalism nor become reconciled to the new order of things in that portion of our country termed the South. They have failed to learn so far that that stock in trade is worn out completely, and offensive to all common sense citizens irrespective of party.

THE PRESIDENT deserves credit for sending to Congress a short message, and especially for confining himself to matters for which the extra session was called. He says it was to provide appropriations for the army and navy that congress was assembled, and asks \$32,436,536 for the army, and several millions more for the navy.

The country can rest assured that the Democratic House will carefully and rigidly scrutinize every item of appropriation asked for, before it is granted. The extravagance and profligacy that have so dishonorably marked Grant's administration will not be repeated while the Democrats in the House hold the national purse strings.

A WORD TO THE UNEMPLOYED

Our attention has been called to a new cooking utensil, recently invented, which makes baking bread, cakes, etc., a simple necessity; the inventor of which has secured a patent for the same. It is a simple affair, and you can remove the sides of the pan from the cake instantly, without breaking or injuring it in the least, thus saving you the trouble of turning it out.

SPRING MILLS ITEMS

Mr. R. H. Duncan is moving his old mill stable to the R. R. and will convert it into a grain house. The R. R. Co. put the iron on Krumer's switch last week, and it looks like business to see the iron horse go in and out.

Dr. Oliver K. Forster has located at Rebersburg, says the Millburg Telegraph. Col. P. B. Wilson, of Bellefonte, has been seriously ill for some weeks past, but is now convalescing.

Rev. J. K. Bricker will soon leave Loganville for Fishersville, Union county, from whence he has accepted a call. And now Lock Haven has a daily paper called the Journal. Journals are getting popular. Luck to you, namesake.

Union county has only about half a corn crop. If you get short down there, just draw on Penns Valley at three days' sight. Illinois is heavily represented in the United States Senate. David C. Atchafalaya, her new Senator, tilts the beams at 324 pounds.

See to it that your flues and stove pipe are all right and safe. It may save insurance companies much money. If you don't know just what to do, clean up your gardens and yards. It is much better, for sundry reasons, to do such work now, than to wait till Spring.

The following is a sample of a fashionable dress notice used in an adjoining county: 'Notas al Paraiso is heart for bid too. It is a rare chance. Send your orders to the publisher, gratis, to those wishing to get up clubs. Address CHAS. J. PETERSON, 306 Chestnut Street, Philadelphia, Pa.'

Henry Fiedler bought a lot from Mr. Elbert, at the Forks, and expects to put up a house for his own use, next summer. Henry is just the man that has the spondulices to do it.

J. Newman, Jr., is determined not to be diverted from his legitimate business by any idle rumors about his getting married. He goes right straight along selling the best and cheapest clothing ever brought to Centre county. Go to the Eagle Clothing Hall, Bellefonte, and be convinced that we say but the square truth.

THE PREMIUM, issued by 'Peterson's Magazine' for 1878, like everything else from that quarter, is of rare excellence and beauty. It is not one of the cheap, colored lithographs, with which the country is flooded, but a first-class line and stiplle engraving, executed in the highest style of art. The plates are engraved in steel, and they have engraved it, (24 inches by 20), expressly for 'Peterson's Magazine,' in their most brilliant manner. It is such a plate as would sell, at retail, for five dollars. The picture represents the 'SUNSHINE OF CHRISTMAS.' They are hovering in the sky, over the Holy City, the Star of Bethlehem streaming down on the landscape. It is a picture that ought to be in every household in America. In artistic merit and beauty it is, we think, the finest. 'Peterson' has ever issued. You can get it, by raising a club for 'Peterson' for 1888, or by remitting \$2.50 for it and for the magazine, the magazine alone being two dollars. This is a rare chance. Send your orders to the publisher, gratis, to those wishing to get up clubs. Address CHAS. J. PETERSON, 306 Chestnut Street, Philadelphia, Pa.
