### OREGON DEMOCRATIC.

WASHINGTON, June 7.- The Post publishes the following to-morrow orming : PORTLAND, OREGON, June 7 .-

early full and complete returns we been received from all parts of We have not learned who will conthe State, and these justify us in the statement that the Legislature will be Deneocratic by a majority of at least twelve over both Republicans and Independents. Some of the Independents will act with the Democrats and increase fnis majority. It is positively known that the Depocratic vote on joint ballot will be as high as fifty-one votes. Whittaker's majority (Democratic candidate for Congress) will be between five and six hundred and may run over the large figure. This is not disputed by the Republicans. We also claim the election of Thayer (Democratic) candidate for Governor). The rest of the State ticket is in doubt, with chances favorable to the Democrats.
