# We own and control the Railway lands of TREGO COUNTY, KANSAS, about equally divided by the Kansas Pacific Railway, which we are selling at an average of \$3.25 per acre on easy terms of payment. Alternate sections of Government lands can be taken as homesteads by actual settlers. These lands lie in the GREAT LIMESTONE. BELT of Central Kansas, the best winter wheat producing district of the United States, yielding from 20 to 35 Bushels per Acre.

Acre.
The average yearly rainfall in this county is NEARLY 33 INCHES PER ANNUM, one-third greater than in the much extolled Arkansas Valley, which has a yearly rainfall of lest than 23 inches per annum in the same lest than 23 inches per annum in the same longitude.

Stock-Raising and Wool Growing are very Remonerative. The winters are short and mild. Stock will live all the year on grass! Living Streams and Springs are numerous. Pure water is found in wells from 20 to 60 feet deep. The Healthiest Climate in the World! No fever and ague there. No muddy or impassible roads. Pienty of fine building stone, lime and sand. These lands are being rapidly settled by the best class of Northern and Eastern people and will so appreciate in value by the improvements now being made as to make their purchase at present prices one of the very best investments that can be made, aside from the profits to be derived from their cultivation. Members of our firm reside in WA-KEENEY, and will show lands at any time. A pamphlet, giving fall information in regard to soil, climate, water supply, &c., will be sent free on request.
