The Democratic meeting in Millheim, on Friday evening was a grand affair of its kind. The announcement that Ex-Governor Curtin and Mr. Dill, Democratic candidate for Governor, would both be present, brought out hundreds of people from every direction all around. Especially did Brush Valley send a large delegation.

When night came and Mr. Dill was not yet present it was feared that something had occurred to prevent him from coming. The meeting was under full head—Governor Curtin just delivering one of his best speeches, when a commotion in the rear of the meeting indicated that something unusual was up, and "Dill," "Dill," "Dill," was soon shouted from every part of the vast meeting. The Senator worked through the crowd and mounted the stand and was introduced to the meeting, which greeted him with round after round of applaus. The Senator then retired and Gov. Curtin proceeded with his speech. The Governors' speech was peculiarly stirring and had a happy effect upon the people.

Mr. Dill followed in a speech of great force and argument. It was his first appearance among our people and he made a very favorable impression upon them. The high repute in which he was held by all classes and parties here, was fully sustained by his personal presence. He is just of a make up calculated to make friends, and our people were universally pleased with him.

Speeches were also made by D. F. Fortndy, Esq., of Bellefonte, and Wm. P. Fary, Esq., of Washington City, and it was a late hour when the meeting adjourned.

"For the Journal."

The citizens of Woodward, and Vicinity have lately learned to appreciate the adage—"You never miss the water till the well runs dry." Accustomed to have the Flouring Mill right at their door, they only found out what a convenience it was when Mr. Matz the enterprising proprietor of the "Liberty Mills," on the 15th of June closed them for the purpose of entirely remodling them ; Since then a little army of "hands" have been at work under the direction of Mr. Mesh. Williams, of Martha, Centre Co., until now the transformation is complete and the bran new mill at Woodward is ready for "biz." The Miller, W. M. Voneida, having established a reputation for good work, cleanliness and attentiveness in the old mill, has charge of the *new one*. This settles it and makes Woodward the headquarters for A No. 1 Flour.

MILLHEIM is certainly a big town, else it could not have contained so much greatness as it did on Friday last. An Ex-Governor, a prospective Governor, at least a half dozen other Honorables, with a lot of 'Squires too numerous to mention, to say nothing of a *host* of candidates. This was certainly an array of greatness present that larger towns might enjoy. The truth is however, that J. Newman, Jr., is a bigger man than they all, in his particular line. Candidates find it imperative to get their clothing from him in order to make the best appearance before the people.

In Maine, where the Republicans have had everything their own way for over twenty years the Radical candidate for Governor has been defeated by the Democratic and Greenback vote. Conner, the Radical candidate is 8000 behind an election. The Democrats gain one, possibly two Congressmen. It is certainly a great triumph for the Democrats of Maine.

Dennis Kearney, the California communist and demogogue, is fast being repudiated by the workmen of the United States as a first-class fraud.

Robert Lincoln, son of honest old Abe," is a hard working lawyer in Chicago, has no time for politics, but is not in sympathy with the present Republican party.

The Union County Fair will be held on Wednesday, Thursday, Friday and Saturday—October 2nd, 3rd, 4th and 5th.

A Wonderful Invention.

[From the N. Y. Daily Graphic.]

An invention all frugal wives will appreciate—in fact, an article that even rivals the sewing machine in usefulness—is now on exhibition at the Broadway store of the Wilson Sewing Machine Company, in this city ; yet it is so wonderfully simple that it can scarcely be classed as an invention, and a wonder to everybody that it was not discovered years ago. The invention consists of a very simple little attachment of the Wilson shuttle sewing machine for darning all kinds of rips, worn-out places, ect., in clothing, table and bedlinen, stockings, underwear etc, in the same manner that it is done by hand, and leaves the repaired part scarcely discernible. The operator of the sewing machine can darn a large-sized hole in a bed sheet or table cloth almost instantaneously. It is to be regretted, however, that this wonderful invention is patented and owned by the Wilson Sewing Machine Company, of Chicago, Ill., who will not permit its use except with one of its make of sewing machines, which the Company's manager states, is furnished each of the Wilson shutt sewing machine, without extra price. Truly, this is a golden nest egg for the Wilson Sewing Machine Company, and, it is said, they are running their works day and night and making and selling 300 machines a day.

The Kintzler murder trial will come off in Snyder county, next week. A large crowd is expected in Middleburg.

Friday,

The delegate election last Saturday was without doubt the fullest and warmest ever held in Penn township. 253 votes were polled, being nearly the whole Democratic voting force. The friends of the several candidates were busy as beavers working for their several favorites but it was all done in good humor, and the defeated ones took matters as philosophically as they could.

Bellefonte raised $415 for the relief of the fever-stricken South. Well done truly ; but should not other towns follow the good example ? Should not our smaller towns, Centre Hall, Spring Mills, Penn Hall, Millheim, Aaronsburg and the two town in Brush Valley, do at least *something* for the poor sufferers down South ? Are not we, the people of these blessed valleys, also members of the great human family, and can we justify ourselves if we resist the pleadingf of the sick and poor ?

ITEMS FROM OILDOM.

FRANKLIN, Pa., Sept. 11th, 1878.

Mr. Editor :—Thinking you might like some news from this region I have concluded to furnish you some items whenever you wish them.

Yesterday was a gala day here as well as throughout all North Western Penna. We remember Petry's Victory on Lake Erie. There were Picnics, Parades, Fire - Works, Torch-light processions &c, and everybody saw everybody's friends, got perfectly tired out, and went home in the evening, looking rather blue, thinking it had been a perfect bore—but after sleeping upon it the decision is "Hadn't we a splendid time, &c ?"

Times have been quite hard here for several months, on account of Dollar Oil, but the prospects are brightening up considerably.

To-day the great Lawsuit against the Standard Oil Co. and the United Pipe Lines come off. The people have decided that they will no longer be the dupes of these monopolists.

The season for Fairs has arrived—and there are to be so very many in the vicinity that one does not know where to go.

But now, as everybody desires to improve, to learn all they can—I must tell you about a Teachers' Examination, at which it was my fortune to be present in an adjoining county a short time since, and as I learned so much, it would be selfish to keep it to myself, therefore, I inform you for the good of the public. I ascertained that Ben Franklin discovered America—That Andrew Jackson was chosen Pres. of the Southern conferacy—That the cause of the Rebellion was because there were too many people in the U. S. and therefore some must be killed—That America was named after Napoleon Bonaparte—but I must not tell you any more now, it is not good to learn too much at once, the shock might prove too great for you and I should be held responsible. But I beg you not to doubt these things, though they may greatly surprise you, for they must be true, because they all got certificates.

I could tell you many more things but think I had better defer some till my next letter. *Au-revoir.*

PETROLEUM.

About fifty good chestnut posts and about ten cords of good firewood will be taken at the Journal office on subscription. tf.

Wm. S. Maize offers his services to the owners of lots on the cemetery, to clean and trim them. He will put family burial plots in good and neat condition for a very reasonable sum. tf.

THE RED FRONT FURNITURE STORE of Jacob Hower, Lewisburg, Pa., is one of the best places in this part of the state for *good* furniture. Any one who visits Mr. Hower's establishment will be surprised at two things viz. : the substantial quality and beautiful designs of his furniture, *and his low prices.* tf.

DEDICATION.

The new Odd Fellows Hall in Millheim, will be dedicated according to the rites and ceremonies of the I. O. of O. F. Friday, Sept. 27th, 1878. A number of other Lodges have been invited and are expected to be present. Several Bands have been engaged for the occasion. Addresses will be delivered by prominent members of the Order.
