THE PEOPLE SPEAK!

THE CONGRESS ABSOLUTELY DEMOCRATIC.

LARGE DEMOCRATIC MAJORITY IN INDIANA.

WEST VIRGINIA SOLID.

The elections in Ohio, Indiana, Iowa and West Virginia came off Tuesday the 8th, and the results are most gratifying to the Democrats throughout.

In Ohio the Republicans have been able to pull through their state ticket by a majority of perhaps less than 5000, but they lose three congressmen, and thus the substantial fruits of victory are with the Democrats.

In Indiana we do much better, carrying the state by an increased majority and gain 2 congressmen.

Even in Radical Iowa, the Republican majority is greatly reduced while West Virginia again returns her solid Democratic delegation.

It is considered settled beyond peradventure that the next House, as well as the Senate will be Democratic.

Thus for the first time in 18 years will the Democrats have a majority in both houses of our National Legislature.

The Times summarizes the Congressional result of Tuesday's elections:

Democrats in 45th Congress 15

Republicans in 45th Congress 30

Democrats in 46th Congress 25

Democrats gain 5

Republicans lose 5.

The PRIZE LITERARY SOCIETY of the Central State Normal School, at Lock Haven, will please accept our thanks for the honor conferred in electing us as honorary member. We accept with pleasure.

HE WANTS THE OFFICE.

The following, from a Clinton Democrat, goes to show how badly Mr. McCormick wants to be Judge of this district. If any one thing in the present campaign is fixed beyond peradventure, it is that the people of the 25th Judicial District have, with a voice practically unanimous, decided to re-elect Judge Mayer. In office, no matter who or how many may desire the place. Everybody seems to understand this fully, except Mr. McCormick and his lieutenant, C. G. Furst, Esq. They pretend to believe that the district may prefer McCormick, Mayer, and Furst; that too, in the face of facts and experience that ought to convince any one to the contrary, unless infatuation for office entirely obscure his vision and make him judgmentless.

Let Charley McCormick run for Judge, by all means. The few scattering votes he may get will convince him, as nothing else will, that he is not wanted just there. A circular has been issued by C. S. McCormick, Esq., abusive of Judge Mayer. It is a rebuke of that issued by him on the eve of the primary election, that was joint production of himself and C. G. Furst, Esq. and this work of the same hands. It is a weak piece of work, just as the two could not get on in the same boat, so they could not get on in the same boat. They could not get on in the same boat, so they could not get on in the same boat. They could not get on in the same boat, so they could not get on in the same boat.

Address of the Chairman of the County Committee.

TO THE DEMOCRATIC VOTERS OF CENTRE COUNTY.

We are in the midst of a most important political campaign, and we are in the midst of a most important political campaign, and we are in the midst of a most important political campaign.

THE LUTHERANS OF LEWISBURG CLEAR \$225 BY THEIR BOARDING HOUSE ENTERPRISE AT THE RECENT FAIR.

About fifty good chestnut posts and about ten cords of good firewood will be taken at the Journal office on subscription.

ISRAEL WEAVER, of Aaronsburg, has 1000 choice chestnut posts, and a large lot of plastering lath, very cheap.

The other Saturday Senator Dill returned home in a serious condition. His exhausting labors in the campaign had broken down his health. He is improving again.

Hon. Alexander Jordan, at one time President Judge of this Judicial District, died at his home in Sunbury, Pa., on the 5th inst., in the 81st year of his age.

Henry Broeckerhoff, Esq., one of the oldest, wealthiest, and most prominent citizens of Bellefonte, died Sunday evening the 6th inst., at the advanced age of 84 years.

Mr. Jas. VanOrmer's move to Brum Valley has been taken charge of by Mr. John Stover's mill. It is a first class mill and we wish him abundant success.

By reference to our Church Directory it will be seen that Rev. J. H. Currier, B. M., well and favorably known in this section, will preach in the M. E. Church, next Sunday morning.

FIRE.—A two story frame house in Hartletown, Union county, property of Samuel Strayhorn, occupied by a Mr. Glover, burned to the ground on Tuesday night of last week. Loss about \$800. No insurance.

Wm. S. Maize offers his services to the owners of lots on the cemetery, to clean and trim them. He will put family burial plots in good and neat condition for a very reasonable sum.

The Clinton Democrat says that Hon. W. J. Purman furnished the calf for the recent Greenback Ox Roast on Sugar Valley mountain. Bravo! We hope that such noble acts of disinterested patriotism will reap their reward.

The Republican Judicial Conference held at Bellefonte recently made no nomination at all for Judge. They seem to be very well satisfied with Judge Mayer, and they have good reason for it. Mr. Mayer will be supported by all parties, and his majority will be a big one.

THE RED FRONT FURNITURE STORE of Jacob Hower, Lewisburg, Pa., is one of the best places in this place to go for furniture.

The subscriber will be prepared to carry small bundles and boxes of goods, from Coburn Station to Millheim, Aaronsburg, Woodward and all points along the line, at reasonable charges. The patronage of the public respectfully solicited. J. WILLIS MUSSEER.

See advertisement of Capt. J. P. Brooke—C. A. Sturgis, agent. If you need any work in the watch or jewelry line—if you wish to make any purchase or need any repairing done, the Millheim Jeweler is your place to go. Charles H. Hoyer, proprietor, and obliging operator, is an experienced and expert mechanic.

"It seems as if I should cough my head off" is sometimes the exclamation of a sufferer from a severe Cough. Quell the paroxysms with Hale's Honey of Horehound and Tar. The relief is immediate and the cure certain. Sold by all Druggists.

Pike's Toothache Drops cure in 1 minute.

Friend a word with you? If you are troubled with any skin diseases or other cutaneous irritation, use Gephart's Sulphur Soap. Do likewise if your complexion is blotchy, blotched or sallow. You won't regret it. Sold by all Druggists.

HILL'S HAIR & WHISKER DYE, Black or Brown, 50c.

ABSOLUTELY TRUE.—There is no man a doubt about it, it is STANLEY. He is the best and cheapest place for Millinery and Notions, in Central Pennsylvania, and if you get to Lewisburg don't fail to visit The Standard Store. It will pay you amply. Read what Harris has to say in his Fall Announcement, in another column.

J. Newman, Jr., the King Clothier of Egle Hall, Bellefonte, Pa., has adopted it as a rule that he will not be undersold by any clothing establishment in the state. No matter what kind or quality of clothing you want, Newman has it, and will sell to you at prices that will utterly astonish you. He is a man who has made it a rule to order you can be accommodated upon the same liberal terms, as he runs a Merchant Tailoring establishment in connection with his large clothing Hall.

A MISTAKE.—The other day a Republican neighbor, who happens to be a little short sighted, dropped into our sanctum saying that John F. Hartranft had opened up a dentist office down town. We told him that there must be a mistake about it as Mr. Hartranft had a few months yet to serve as Governor. He insisted—said he had seen the sign—a new one—John F. Hartranft, Dentist. We told him that he was mistaken and confessed his mistake to the effect that it was JOHN F. HARTER, DENTIST. That settled the matter to our mutual satisfaction, and we hope to the satisfaction of the public as well. John is a much better dentist than the other John is a Governor. He is a chip out of the old block, and gives promise that he will soon be as skillful a dentist as his well lamented father. Success to John.

Democrats don't fail to read the able address of Chairman Gephart, in to-day's paper.

Our next door neighbor J. C. Smith, has removed to his new home on Penn Street.

Rev. George E. Adams has resigned the Millburg Reformed charge.

The public schools of Penn township will open on Monday the 25th inst.

John G. Musser showed us a dollar the other day that bears the stamp 1738. That would make it 140 years old.

The Lutherans of Lewisburg cleared \$225 by their boarding house enterprise at the recent fair. That deserves repetition.
