"SENATORIAL."

Last week we published an article | the Journal Book Store. in the JOURNAL, as an advertisement, which advocates the election of Mr. S. Woods Caldwell, the Greenback candidate for Senator, for the district. We did not write the said article, are in no way responsible for what it says and published it only as a matter of business-being paid for it at regular rates. We did not think that it would do Mr. Alexander, our worthy Democratic candidate for Senator, any harm, and least of all did it occur to us that our position on the Senatorial queswe had expressed our hearty support | sonable sum. of Mr. Alexander just the week be-

We have but a casual acquaintance with Mr. Caldwell, think he is a gentleman personally, but as a Greenback candidate he certainly has no claim on Democrotic votes. We are assured too, that he is a Cameronian, and that alone should deter every Democrat from voting for him, no matter what else he may or may not be.

Mr. Alexander deserves the fullst support of the party if any candidate on the ticket does, and we are satisfied that he will have it.

In the southern part of the city the Delaware overflowed its banks for one mile from the usual course, and the inhabitants were taken from the second stories of houses in boats sent out from the Navy Yard.
