I must have made a fool of men are being crowded out of every myself. She's lovely, but what avenue of employment. First starting with the menial work of must she not think of ms!" And scrubbing offices and general househe rolled over and went to sleep hold labor they have gradually again. Morning came, and upon worked themselves into every trade his going down to the parlor he and are crowding out the whites in found the young lady alone, for which he blessed his lucky stars, a monopoly of cigar-making, boots and was about to make an apology, when she said :

"I told mamma, and she said it was all right," at the same time giving him a kiss which nearly took his breath away. "Papa is going to town this morning, dear, and you ride in with him and talk it over : but he won't object, I know.

"But, my dear miss, I was very foolish ; and -"

"No, indeed ; you were all right." not between the workers and the "Well, I will go to my post, and maaufacturers. One man makes return for you, for I must go on at the contract, receives all of the money and pays the slaves himself. WEGO, "

"No ; I can go with you." "You woa't have time."

"O yes, I will, Papa will fix that. It would be such an expense for you to come back all the way here."

YOR."

does not make any difference. Fathor will give us a lean."

ANOTHER SUPPOSED MIRACLE .-

Jennie Smith has been telling the Green Street Methodist congregation, Philadelphia, that she was cured of a chro nic spinal disease by a miracle. She was bedridden for sixteen years. A few months ago when she was in the Home-pathic Hospital, she asked Dr. John C. Morgan to pray with her, as she felt that she was going to sit up. He did so, and in a few minutes afterward she sat up in her chair. This was after all trials to bolster her up

by means of pillows and hands had failed. From this time she uegan to have a strong belief that she length she appointed a certain time for a miraculous cure. Some of her friends were invited. To others she wrote asking them to offer up

specific prayer on ber behalf on that day. After waiting until nearly midnight, she asked two persons present to take her by the arms, as she felt that the time had come.

every direction. They have almost They complied, and, with barely any effort on their part, she rose to and shoes, neckties, and are now her feet and walked. Since that time she has had complete use of sash and planing mills. How can her legs. Dr. Morgan declares the
