The Supreme Court of the United States is composed of nine Judges, two of whom, Mr. Chief Justice WAITE and Mr. Justice SWAYNE are from Ohio. Three or four months of a fever siege is not a very pleasant prospect for those whites who are standing in the breach trying to crush out the fever, succor the sick, and bury the dead. Ex-Senator Henderson, of Missouri, himself a Republican, does not in the least like the military Presidents we have had for over ten years. In a speech delivered on the Fourth of July last he gives utterance to the following last he gives utterance to the following truthful words, and they will find a of deposit outstanding, \$40,330,000; strong affirmative responce in the hearts our of people :

Ever since the war closed we have had in the Presidential chair a military man. We had General Grant eight years and we have now had General Hayes three years. During that time Republican majorities of two to one in both branches of Congress have changed into large Democratic majorities, and the popular majority in the nation from a half million Republican to a quarter million Democratie. If these be the legitimate fruits of military rule what shall we expect from a continuation. This hero worship is one of evil effects of war that needs to be superseded by better political creeds

ter. Ilon. John Welsh, our Minister to the Court of St. James has resigned, although his letter of resignation has not yet arrived. The recent loss by death of a brother and two sisters, as well as his own impaired state of health have induced him to take this step.

Mr. Welsh has filled this high position with much credit to himself and his country and will be difficult to fill the place again with a man so able and worthy.

The pext barrel was treated in the same manner until all the tive barrels were emptied, the total number of snakes killed was 2,153. To day there has been a steady stream of people visiting the premises of Mr. Rockwell and viewing the slain snakes. No one pretends to account for the snakes getting into the barrels.
