That the PHONOGRAPH can "bottle up" the voice and pass it down to future ages, is indeed a wonder, but is not the restoration of a lost voice more wonderful? And yet Dr. Pierce's Golden Medical Discovery speedily restores a lost voice, cures hoarseness, sore throat, bronchitis and consumption. Many ministers who had abandoned the pulpit, in a season of sore throat and general debility, have, by the use of the Discovery, been restored to perfect health and strength. Sold by druggists.
