John Sherman's Statements Denounced.

Mr. Sherman's account of the actual condition of the South is so extraordinary in a public officer, part of the Federal Administration, and bound by his very position to know the essential untruthfulness of his representations, that it calls for the severest censure.

At a time when the crop is peculiarly associated with negro labor, is annually on the increase beyond the production of the palmiest days of slavery, the Secretary of the Treasury dares to say that "whole communities" at the South "are slowly decaying in all the elements which would tend to make them prosperous and happy. Mr. Boutwell himself, looking out of his Laid their drill meeting on the second story of Alexander's Block, every Tuesday and Friday car window, would hardly have returned from the South with such a report as

publican speech, pointing out the errors and wrongs of the laws devised by the ruling class, could be made in these Southern States without danger of life as Ro brock, John Rotbrock. Immediate possession can be had.

About 80 acres of timberland, on Brush mountain, easy of access will be sold in lots to suit purchasers. The remaining 100 acres, of which 35-40 acres are cleared and under cultivation, and at least as much more can be clear-ed, will be sold together. There are two dwelling houses, a good bank barn and other outbuildings on the premises. A fine never-failing spring is convenient to house and barn. A large variety of fruit—apples, pears, peaches, plums, cherries, grapes, &c. are also on the ground. Altogether it is a very desirable house. A lot of household goods will also be sold at

BUTLER'S majority for State Treasmer will be between 55, 00 and 60,000. This would certainly be a disastrous deleat for the Democrats were it not that they imposed it upon themselves by voluntary absence from the polls. It is a bad defeat, however, no matter what the causes are. It seems that the citizens of Pennsylvania, or a majority of those that voted, delight in being the vassals of a corrupt ring. Be it so. The elections have demonstrated, if anything, that the Democracy can elect their President next year without Pennsylvania, if necessary and they mean to do it. If we have not gained a state from the Republicans. THOMAS HOSTERMAN, GEORGE E. ZEHNER,

The curing of the grass cut with the Eureka Mower is more ven and rapid than after the side-cut machines. GEORGE W. HOFFMAN, President Farmers' Club, Elmira, N. Y. The Eureka Mower is the very best we ever saw, and there is side-cut mower that can compare with it in any respect, V. E. PIOLLET,

The manner in which it leaves the cut grass, loose and open to the sun and wind ready for drying, puts the Eureka far abead of any machine I ever used.
