

Local Department.

NOTICE—Any of our subscribers who expect to change their residence this Spring will please inform us of the fact.

—Good working suits at Lewin's for \$4.75. Candid fact.

—Miss Hattie T. Lanich will open her school next Monday the 12th inst. Make a note of it, parents.

—Job work of all kinds done at the JOURNAL Office at prices as cheap as the cheapest.

—Read the professional card of Deshler & Son, physicians, Aaronsburg, Pa.

—Fine family and pocket bibles just received and for sale cheap at the Journal Book Store.

—A full line of school books just received and for sale at the JOURNAL BOOK STORE.

—Miss Alice Burke, one of Lewisburg's fairest daughters, is visiting friends in Millheim, this week.

—You can get a fine chevot suit at Lewin's Branch Store, Bellefonte, Pa., cheaper than any other place in the county.

—A splendid private residence with the good will of a medical practice for sale. For particulars apply at this office.

—It affords us pleasure to state that neighbor Foote, whose limb was recently amputated, is getting along right well.

—A splendid line of Family and Pocket Bibles just received at the Journal Book Store, very cheap. Call and see.

—Martens make their appearance rather early; they took possession of their old quarters, "the house that Jack built" on Musser's sign post, last Friday.

—A Notherland paper says that Fred Fury, our late conductor on the railroad, recently purchased a hotel in that town. Guess he means to run it himself.

—Just received at the JOURNAL BOOK STORE, a full line of blank books, ledgers, day-books, blotters, pass-books, memoranda, etc., also a new lot of S. S. reward cards.

—Deininger & Musser have just received another full car load of marble direct from the quarries at Sutherland Falls, Vermont. The weight of the cargo was 23,800, and the freight charges \$107.20.

—The JOURNAL BOOK STORE sells all the school books recently adopted by the school boards of Millheim Boro', Penn., Haines, Miles and Gregg townships.

—We were in error last week, in stating that the Building Association would meet on Monday evening, the 5th. It is next Monday evening, 12th. Even editors some times get wrong.

Mr. Jacob Springer, late of Ohio, has taken charge of our hotel. Jake expects to run the tavern, without whiskey. Bravo, Jacob! hope you'll be liberally patronized and get lots of shavin' to do besides.

—Next Monday is the day for the settlement of township and borough accounts. Auditors are by law requested to meet on that day for this purpose. We hope it may be done to the entire satisfaction of all concerned, as well as of the tax payers.

—Louis Doll, the clever fellow and tip-toe mechanic, is just the chap you want to see, if you are in need of first class boots, such as are fit for a king to wear. But not only does he make boots but, keeps a large stock of shoes, gaiters and slippers. Please give him a call and you will find one of the most fair dealing men you ever met.

—Samuel Bartges the XLNT miller and clever fellow, who for some seven or eight years conducted Ertel's Mills, at Penns Creek, left us for Sugar Valley. Sam is one of your kind general men who have only friends—no enemies. We are sorry to lose him as a neighbor and hope he may get along well in his new home.

—The lawyers and officers of Union county have so little to do that it affords them a real God-send when a poor, half-tanned fellow steals a few pounds of flour. They all go for him, then the Sheriff catches and imprisons him, the fellow breaks through the jail walls and makes off for more charitable quarters. But why don't you give him the flour before he steals it? That's decidedly the cheapest way of doing. Try it.

—Mr. Adam Bartges stopped at our sanctum last week and showed us specimens of a greyish-white stone that looks suspiciously like plaster. It grows on the farm of the estate of Wm. Bartges, in Sugar Valley, where large quantities are found near the surface.

When the Sugar Valley men were searching and digging for gold, silver and other precious metals, we were out of humor over them for their greed; but now they have come down a peg or two and commence digging for plaster. May they be very successful!

Spring Mills Academy.

The Spring Term will begin on Monday, April 12, 1880. Tuition, \$5 to \$8. Boarding \$2 to \$2.25 per week. For further information address Rev. D. M. Wolf, Spring Mills, Pa.

—The excellent little man, Mr. Jacob Kamp, of Lock Haven, presented each scholar of the English Lutheran Sunday school of that town with a colored Easter egg, the other Sunday. It required about 800.

Public Sale Register.

Dr. Musser, committee for Jacob W. Stover, will offer some valuable timberland for sale, April 10. See notice in this paper, also sale bills.

Samuel Snyder, administrator of the estate of George Snyder, late of Haines township, deceased, will offer the homestead of the late decedent at public sale, on Friday afternoon, April 9. See notice in another column and sale bills.

The Henry Hess property, near Woodward, will be sold at public sale, by the executor, Mr. Samuel Kremer, on Tuesday, April 27th. It is a very desirable home of its kind. See bills.

—The County Commissioners of Clinton county mean business with tax-collectors, as will be seen from the following which we clip from the Clinton Democrat. Some such action ought to be taken by the Commissioners of Centre:

The County Commissioners have passed a resolution requiring tax collectors having duplicates of a date prior to 1879, to pay the full amount of their indebtedness on or before April 10, 1880, and those having 1879 duplicates to pay one half of the amount for which they are in arrears on or before the 10th inst. Legal process for the collection of amounts due on the duplicates of the collectors not complying with the above will be commenced immediately.

—Next Monday two schools will open in our town, and we hope our citizens will very generally make up their minds to send their children. Don't allow your boys to run the streets in idleness and mischief. If you have no work for them send them to school by all means. They will acquire an education of some kind, whether you send them or not, but it rests with you whether their mental and moral training will be directed into the proper channel, or whether you will leave the matter pretty much to chance, or to the whims and caprices of the children. Parents, your duties in this matter are important.

I. O. O. F.—Clinton Lodge, No. 98, has elected the following: N. G., E. W. Anthony; V. G., W. H. Clough; Secretary, Jesse H. Batcheler; Asst. Secretary, Frank Brower; Treasurer, John McNeally; Solicitor, Peter Beck.

Great Island Lodge, No. 320, has elected W. S. Clawater, N. G.; H. S. Mitchell, V. G.; I. A. Shaffer, Secretary; H. S. Baker, Treasurer.

Officers elect of Sugar Valley Lodge, No. 820, are B. F. Klepper, N. G.; Rev. D. P. Kline, V. G.; Wm. F. Mover, Secretary; V. M. Morris, Rec. Secretary; H. B. Kleckner, Treasurer.

Donations.

Pastor Divin, of the Salona Lutheran church, is a very lucky man in getting donations. On the 9th of March some 75 of his parishioners appeared at the parsonage in Salona, with lots of things good to eat and good to wear—good for the Parson, for the Mrs. Parson, for the children and for the horse. Everything seems to have been pre-arranged, even down to having the Rev. A. N. Warner present to do the speaking, Mr. D. being too much overcome for that business. Altogether the preacher was made \$83.59 richer than he had been before.

On the evening of March 23rd another party from Mill Hill, came on the same business. This time J. R. Mann acted as spokesman, and acquitted himself like a man. \$99 represents the value of the goods brought by this party. It is needless to add that the pastor and his family are inexpressibly happy.

It has often been a matter of wonder to us why donations are not more fashionable in this "neck 'n' woods." Our preachers are just as able and deserving a set of men as those of any other section that we know of, and we venture the opinion that a little donating would do them much good. But if the people are determined not to give their preachers any donations we suggest that such a party be gotten up for our benefit, and we are not at all particular that just every one participating must be a member of our church. No; we are not so bigoted as that comes to.

In order to assist our friends, should they make up their minds to act out our suggestion, we will here give a list of what would be suitable items in the make up of the proposed donation:

Butter and eggs—the former in nice prints of half a pound, the latter large and fresh. Ham—each of about 20 pounds in weight, sugar-cured preferred. Apples—Ewalds and Pippins, if possible. Cabbage—but pick out large solid heads. Chickens—not over a year old. Wheat—should be strictly prime. Corn—in lots of not less than ten bushels. Dried Apples—tart. Dried Peaches—pared and in halves. Dried cherries—seeded. Canned peaches, &c., &c.

In the dry goods line, several webs of muslin, (Fruit of the Loom), Blue cloth for a suit, black dress goods, in patterns of not less than 25 yards each, would serve good purpose.

Other trinkets, such as American eagles \$10 Greenbacks, pianos, organs and sewing machines, might be thrown in, just for the sake of variety.

NOTICE.

A meeting of the Millheim Cemetery Association will be held in the Town Hall, on Friday evening, to elect trustees and transact other business in the interests of the association. A general attendance is much desired. Let there be a full turnout.

—The mud puddle, cess-pool, nuisance, or whatever else it may be called, in the middle of town is being filled up. Good idea—only a little late.

—Our new town council met on Monday and organized by electing Dr. D. H. Mingle, President, and A. O. Deininger, clerk. We trust they may manifest a progressive spirit, and yet be moderate and judicious in their work.

—Samuel Kremer, formerly of Haines township, now of Effingham county, Illinois, called in to see us last week. Mr. Kremer is hale and hearty and Illinois seems to agree well with him. He reports that the Pennsylvanians in that section—his sons, Henry Spiker, G. W. Leitzell, Michael Hess, George and Joseph Condo, are all well and doing well. Mr. Spiker stands alone in the world, his wife and children having preceded him into the eternal world.

SEVERE STORM.—On Sunday evening at about 5 o'clock we had a severe rain storm, which came from the southwest and extended over a large portion of the lower part of our valley and Bush valley. The storm lasted about half an hour and was very fierce.

On some farms there was a general leveling of fences. A number of barns were partly unroofed, among which were those of Samuel Ard and Jonathan Harter, who have now had the same accident the second time this spring. The barn of Benjamin Stover, above Moyer's mill, was nearly leveled to the ground. The steeple of Yearick's church, above Madisonburg, was blown down. Much damage was also done to timber, and the trees that were leveled could in many woods be counted by the score. It was altogether the fiercest storm we had in this section for a long time.

—Pantaloons at \$1.00 up at the Philadelphia Branch Store.

AARONSBURG CRUMBS.

A severe storm passed over this section last Sunday evening. Many trees were uprooted, and fences were pretty generally leveled to the ground. No doubt greater damage was done in other parts.

Mrs. Aaron Weaver's limb is very much worse. She is now confined to bed altogether and suffers much pain.

Mr. Wm. Stover, has had trouble with his knee, for a long time, but it is now so much worse that he was obliged to resort to the use of a crutch.

Mrs. Phil D. Stover, of Lamelton, is in town visiting her father, Rev. E. Stambach.

Mr. Milton Bullinger goes to Lock Haven this week, to attend the Central State Normal School.

Mr. Harvey Musser goes to Bellefonte to pursue his law studies.

The handsome monument that one could wish to see has just been erected in the Reformed Cemetery, by Deininger & Musser, of the Millheim Marble Works. It marks the last resting place of Mr. Jonathan Phillips and his two wives. The remains of the father were disinterred and all buried together on one plot. The monument reflects credit on the friends of Mr. Phillips, as well as on the makers, Messrs Deininger & Musser.

Mr. Daniel Böwer and daughter, of Akron, Ohio, are here on a visit to relatives and friends.

News Miscellany.

As Henry Clark, of Jefferson City, Mo., was driving to Cassville a stranger asked to ride, and his request was granted. The stranger proved a genial companion, and treated Mr. Clark to a cigar, which the latter puffed with enjoyment until he suddenly became dizzy, and nearly fell out of the wagon. The stranger caught him and set him down in the bottom of the wagon, and that was all that Mr. Clark remembered until two hours later, when he awoke to find that his pocketbook, with \$165 was gone. Likewise the stranger.

Peter A. Nason broke his promise to marry a girl, and circulated stories against her. For this offence, he was told by her brother that he must give up his prosperous business and leave the town. He refused, and a party of women visited him at his store, threatening him with tar and feathers if he did not quit. Still he persisted in living where he liked. Finally a body of men, including the Selectmen, Justice of the Peace and a deputy sheriff, waited upon him, while a mob blew horns in the street, and informed him that he must submit to banishment, or suffer very unpleasant consequences. He obeyed this time and was pelted with eggs on his way to the railroad station. This did not happen in a wild border town of the West, but in Georgetown, a village of enlightened and law-abiding Massachusetts.

It is thought that Judge Edmunds will get half of the New England delegates, and that he will turn them over to Grant. Don't make a bit of difference to Democrats what he does about it.

REMARKABLE FATALITY.—1st. Andrew Einsig of York, Pa., killed his wife of which time he was convicted. 2d. After he was convicted he resolved to clear the gallows by committing suicide, and he did so. 3d. Week before last, whilst Einsig's son aged only two years, was eating at his grandmother's, Mrs Gehring, on Bullfrog alley, he got a bean into his windpipe, causing a sudden and painful death.—Ez.

To practice medicine lawfully in this state, the practitioner must be a regular graduate from a medical college and have a diploma, or he must have practiced medicine five years previous to the Act of March 23, 1877, and been regularly licensed by the Prothonotary of the Court of Common Pleas. Penalty for a violation of this Act is from \$200 to \$400 fine. Dr. C. A. Green was lately bound over at Lancaster under this Act.—Ez.

One year ago our distinguished citizen, Hon. John Walls, was thought to be in the last stages of disease, suffering from cancer of the hand; but through amputation of the member he was cured, and to-day there is not a man in our borough of his years who has the activity and apparent health that he has. It is a source of much pleasure to our citizens.

PASSION, POWDER AND POISON.—Chicago, April 1. A special dispatch from Comstock, Kalamazoo Co., Michigan, says that Andrew Brown, a farmer living near there, yesterday ordered his daughter-in-law, who had been deserted by her husband, to leave his home. Her father and some neighbors came and asked that she be allowed to take some furniture with her, whereupon a fight ensued, in which Brown shot a man named John Danbar twice through the lungs, killing him. A mob gathered and threatened to lynch Brown but he barricaded himself in the house and they feared to approach. Subsequently the Deputy Sheriff effected an entrance and found Brown lying on the bed, having taken a dose of nitrate of silver. He was removed to jail and physicians have endeavored to save him from the effects of the poison so that he can answer to the charge of murder.
