Charles Acker, a young man of about twenty years, came home on Sunday last from Bald Eagle where he had been working, sick with malarial fever. On Monday morning the family found him in bed in an insensible condition. Medical aid was immediately called in, but he only lingered till the afternoon when he died. Poor fellow! so young to die! he had but started out in the journey of life but perished on the road. We pity his poor widowed mother, but "God's ways are not our ways." Yet he doeth all things well; and although the "silver cord is broken," and Charley is sleeping death's dreamless sleep. he will not be forgotten by his friends.
