FOMESTIC.

AN ENGLISH WOMAN'S PLAN FOR WASHING .- I never use washing pownair sieve after doing the flanners. To Goober said she would have no objecwash the prints, etc., I don't use am- tion provided the elder would come monia. For the flannels 1 never rub round and argue the case with her the soap, but have it all boiled, and 1 piously. Goober told the elder, and and from experience it answers better, the elder dropped around. He smiled and is much more economical. For sweetly as Mrs. Goober advanced to suits, etc., never use soap, but boil for his last-for a week or two. The next chings dried as quickiy as possible, He finally jumped out of a window and you will give it a trial. mangle them in a lowel before they are ury, and iron until they are on the wrong side. With regard to the but-Goober he told him he had had a celestitons, I have all mine put on to dresses al revelation by which he (Goober) was do not know of anything which with rings. Linen buttons 1 do not relieved of the necessity of taking any would be more interesting on a farm take off; nightshirts 1 make to shp over more wives. The one he had (Mrs. the head, and have a stud for the neck. Goober) would count for almost a thou-'the day and dress shirts I make with a sand in the New Jerusalem. buttonhole at the back of the neck for

a stud instead of a button, so that 1 never have the trouble of sewing buttons on the shirts when wanted. The white quilts I stitch round with the machine-old sheets too-and this makes them stronger, not so easily torn on the line, and it is never seen. Tablecloths might be done the same way.

Women Never Think.

tered this sentiment could but witness he replied with great energy, "No, the intense thought, deep study and faith, no, mistress, this is strong eneuch sort of knowledge no paper or society thorough investigation of women in determining the best medicines to keep their familes well, and would note their sagacity and wisdom in selecting Hop Bitters as the best, and demonstrating it by keeping their familes in expense, he would be forced to acknowledge that such sentiments are baseless and false .- Picayune.

POTTED SALMON .- Ever so many good things can be made with canned salmon, if you have any sabe. In old times, in the ship stores, there used to be only Scotch put-up salmon, but nowadays, it is the Columbia River that supplies the world. An old man, as I knowed, as good a sailor as ever sailed, was mighty fussy over his eating, and he first showed me how to make potted salmon out of the fish in cans. It is and neuralgia which had made her tip-top relish spread on a bit of bread. soft as to do no harm. Just you pound them smooth in a mortar. Take that pounded fish and put it in a jar, which jar place in a pipkin with hot water. Bring up the water to a boil; when your fish is hot, say for a two-pound can, stir in a quarter of a pound of good butter and a teaspoonful of essence of anchovy: or you may take three anchovies and bruise them up fine and mix them in. It must be hot; so put in a salt-spoonful of Csyenne pepper and a shred of mace; chop your mace fine. Now you want a teaspoonful of

WIT AND HUMOR.

MR. GOOBER was a gentleman who lived in the Mormon country. He had remedy for Sick Headache. If you uers or dry soap for flannels or print but one wife and never thought of will use a remedy that you advertise in messes, cic. I use Dicarbonate of soua taking any more till one day an elder in your paper every week, I am sure for while flannels, and sometimes liquid tackled him and told him solemnly it you will be greatly benefited thereby, ammonia with the soap, but the bicar- was his religious duty to seal unto him- and I believe cured. I have been a vonate of soda will not ujure the most self a few others. Mr. Goober went sufferer from Sick Headache, I say uencate colors if the water is not too home and sadly informed his wite of almost from intancy, and have tried not, as I strain the water through the what the elder had said, and Mrs. every remedy I could get, and never found anything to do me any good until I used Simmons' Liver Regulator. It has been nearly three years since I first used it, and I have not had Sick Headache since, and I have never used but two packages and a half of the Reguark woolen hose, dresses, blue serge meet him. But, alas! that smile was ulator. I had a sister last spring that had from one to two spells of Sick Headnve minutes some bicarbonate of soua thing he was skipping around the room aches every week. I sent her half of a and wash with a machine, or rub with | with his coat slit up the back and his package, and she says she has not had the hands, then rinse in clean water hat knocked into pi, while Mrs. Goober it since. I feel for any one that suffers and suffen with give. I have all dark whooped him up with the broomstick. with that terrible disease, and I hope C. S. MORRIS, Brownsville, W. Va.
