

THE MEETING.

A GRAND DEMONSTRATION 5000 Democrats in Council!! A Torchlight Procession Over 2000 Strong!!!

DECHERT-SPEER-CURTIN.

Local Department.

Announcement.

ASSEMBLY. We are authorized to announce that R. F. HERRICK, of Belmont township, is a candidate for Assembly, subject to the decision of the Democratic County Convention.

We are authorized to announce that CHIEF-CLERK MUNSON, Esq., of Phillipsburg, will be a candidate for the Legislature, subject to the decision of the Democratic County Convention.

We are authorized to announce that Wm. M. MURPHY, of Harris township, is a candidate for Legislature, subject to the decision of the Democratic County Convention.

We are authorized to announce that J. P. GEPHART, of Belmonte, is a candidate for Legislature, subject to the decision of the Democratic County Convention.

Oysters and squirrels will be ripe by Sept. 1st. -Very hot weather for the last week or so.

-For good and cheap clothing go to Lewin's Philadelphia Branch Store Bellefonte, Pa.

-Mr. Cornelius Bower gives notice that he will settle the accounts of John Hubler deceased.

-The sales notes of the estate of Jonathan Philips, deceased, are now due, of which all concerned will please take notice.

-At the delegate elections in Clinton county last Saturday the delegates were unanimously instructed for Ex-Gov. Curtin for Congress.

-The heirs of John Hubler, late of Haines township, deceased, will have sale of the personal property of decedents, Saturday Sept. 11th.

-Neighbor Jacob Gephart has about five acres of the finest tobacco we ever saw. Indeed it is enough to make the heart of any smoker, chewer or snuffer leap for joy just to see it.

-The books and accounts of J. W. Stam are left in my hands for settlement and collection of which all concerned will please take notice.

-Harris, of the Standard Store, a Lewisburg, is now closing out his stock at greatly reduced prices preparatory to purchasing early fall goods. For bargains go to Harris.

-One way in which men or boys might make themselves useful for an hour or so would be to pull or cut down the weeds that ornament the edges of many of our side walks.

-Mrs. Sister Susan Yony Harter was the warmest thanks of the poor little editor, the Mrs. editor and the balance of the schlang for a very fine lot of boy ebls. He that giveth to the poor lendeth to the Lord.

-Mr. Bench Granfenberger (guess that's spelled right) has been bringing us the nicest kind of apples regularly for several weeks past. Now that's the business and we feel ever so thankful over it. Such acts of pure kindness raise people wonderfully in our estimation.

-Our council has just contracted with Mr. J. W. Snook for the building of three new alley crossings—one between D. L. Zerby and J. C. Smith, the other between J. Harter and H. N. Kreamer, and the third in the rear of Snook's store.

-Mr. Lamy who was so severely injured by the explosion of Billmyer & Blair's saw-mill several weeks ago, is improving slowly, but we trust surely. Mr. Billmyer, the other man that was hurt, has pretty well recovered.

PUBLIC SALES.—Sept. 11th, farm of 106 acres near Rebersburg, by S. Gramly and A. Small, Executors of the estate of Henry Smull, deceased.

August 27th, 11 acres of land in Poe Valley, by J. H. Reifsnnyder, administrator of Jacob Immel's estate.

-Charley Frankenberger offers his home, near town, at private sale. Any person desiring a property of this size would do well to look at this one for there is not a more complete property in this neighborhood.

The buildings are all new and very complete. Good water in abundance all the year round and choice fruit of very kind.

A VETERAN.—Mr. Samuel Wolf, who lives in a small house above Zerby's saw-mill, near Penns Creek, is now in his 89th or 90th year, and is still quite a spry old boy. He chops his own fuel wood and hauls it home on a hand wagon, which is an old and constant companion. He and the old little wagon may occasionally be seen going or returning from the mill with a grist, the distance is nearly two miles. His mental as well as his physical powers are still normal and active.

-A young man from Texas married a girl in North Carolina and then proposed to leave her while he worked his way back to his Texas home, in the hope of there earning money enough to send for her. She said however, that she would rather accompany him afoot. They therefore made the Journey of 1,600 miles as tramps; but their good appearance gained for them considerable help along the way, and for the last fifty miles they rode triumphantly in a carriage, provided by an enthusiastic admirer of their pluck.

The Democratic meeting in Bellefonte on Tuesday evening was one of those grand, old-fashioned demonstrations that strike joy and glory into the hearts of the Democracy. It shows most unmistakably how the public pulse beats and that the "Superb Hancock" is the most popular candidate for President that has been before the American people these many years. It is estimated that five thousand people were present and over two thousand in the torch light procession alone. The procession in the evening was a mile long and made up of Five Brass Bands, a number of Drum Corps, over one hundred men on horse back. Two thousand footmen, with banners, flags, transparencies and torches, all under the command of Maj. R. H. Forster as Chief Marshal, assisted by several aids. The several Hancock organizations of Bellefonte appeared in splendid uniforms.

The vast Court House was filled to its utmost capacity, while another meeting was organized outside for the great multitude who could not get into the court house at all. Speeches were made in the court house by Dechert, of Philadelphia, our candidate for Auditor General, Speer, of Huntingdon and our own grand noble Curtin. The enthusiasm was unbounded, especially during Curtin's speech. It was again shown what a strong hold the old War Government has on the hearts of the people. The meeting on the outside was addressed by Hon. B. F. Myers, of the Harrisburg Patriot, Hon. C. T. Alexander, Hon. L. A. Mackey and others.

We have neither time nor space to give details of this big gathering. It shows above all things that the Democrats of Centre county are awake to a sense of their duty and that they will give a good account of themselves in November.

-Boys if you must smoke (but we know you needn't) don't smoke the fashionable little cigarette but rather smoke a good big cigar. The cigarette is highly impregnated with opium and the wrapper is whitened with arsenic, two dangerous poisons which produce the most injurious effects upon its votaries. Therefore we advise the boys and also some girls to leave it alone.

THE MILLHEIM CEMETERY.

A meeting of the Millheim Cemetery Association was held in the school house last Friday evening for the purpose of acting on a set of by-laws prepared by a committee and completing regulations for the government of the association under the charter recently obtained. A fair number was present, considering the general indifference on the matter, and a good spirit prevailed. The by-laws were well digested and fully discussed. For once we were fully pleased with a meeting of this kind.

The following are the Directors of the Association: R. B. Hartman—President, J. H. Reifsnnyder—Secretary and Treasurer, W. R. Weiser, Jacob Gephart, Elias Lose, B. O. Deininger.

The by-laws as amended and adopted, are as follows:

Sec. 1st. The management shall be under the direction of the directors of said cemetery and it shall be their duty to keep said cemetery and fences enclosing it in good order and repair, and allow no part of it to go into dilapidation or destruction. They may levy and collect a tax upon each member owning a lot not exceeding two dollars, and upon each member owning a half lot not exceeding one dollar, and to collect the same as provided for by the Act of Assembly of April 18th 1874, and the several supplements thereto.

Sec. 2nd. The Secretary and Treasurer shall have charge of all books and papers of the Association, the selling of lots and granting of permits for burial to such as have no lots and collect and receive such price or sum as may be fixed upon by the Association.

Sec. 3rd. The sale of the lots shall be \$10.00, of half lots \$7.50 and for single graves \$2 for adults and \$1 for persons under the age of 15 years. No person shall be buried upon said cemetery who neither owns a lot or has paid a contribution towards the same; but this shall not prevent relatives or friends from complying with these requirements.

Sec. 4th. Each person or persons owning a lot or having one buried upon the cemetery shall be required to keep the same in a proper condition and remove all stones or rubbish accumulating on such lot or place of burial and in case of neglect or refusal after a reasonable notice given, the same shall be removed by the directors and the expense for the same charged to the person so neglecting or refusing.

Sec. 5th. The salary of the Secretary and Treasurer shall be fixed by the board of directors, and no other officers shall receive any pay or compensation whatever for their services. All bills and claims against the Association must be passed by the board of directors before an order shall be drawn for the payment of the same.

News Miscellany.

THREATENED TO HAVE HIS MARRIAGE UNDONE.—According to the Journal, a gallant young man and a dainty young lady from the country recently stepped into an alderman's office in Lock Haven and were married. The groom handed the alderman \$3.50 for his service, and was told to come on Monday for the certificate, and the alderman said: "Now give me a dollar and a-half more and I'll get you up a fine certificate." To all of which the young man roared out: "See yer! What d'ye take me fur? I've paid you more than your fee now, and I've a durned good notion to bring the girl back and have you undo it and get the money back again."

-An infant child of Franklin Kantner, of Berka county, was left in charge of a little girl, who after putting the baby to sleep went out, on her return it was discovered that a large rat had gnawed the child's face so that it will be impossible for it to recover.

A man in Berks county recently sold some hay that had been in his barn since its erection—fifty-four years ago.

Cleveland capitalists have sunk a shaft at a cost of \$3,000, at Indiantown Gap, Lebanon Co., this state; and the vein of silver that has been struck is pronounced one of the richest yet discovered in the country.

Lebanon will soon have two very beautiful churches within its boundaries. The Episcopal church lately built which cost \$200,000, of which \$150,000 was paid by the Coleman heirs, and St. Mary's Roman Catholic, which is very nearly completed.

PENNSYLVANIA STATE COLLEGE admits both sexes. Endowment half a million. Tuition free. Courses of study, Classical, Scientific, and Agricultural. A thorough Preparatory Department. Expenses \$3 to \$5 per week. For catalogue, address JOSEPH SHORTLIDGE, A. M., Pres. State College, Pa.

Hon. Hester Clymer, while out riding recently with his wife, mother-in-law and sister-in-law, near Reading, met with an accident in the overturning of his carriage and the party was thrown out. Mr. Clymer fell on his right shoulder and received a fracture of the right arm near the shoulder, and a number of bruises about the body. His mother-in-law, Mrs. Baron Von Schrader, and her daughter were somewhat bruised by their fall.

JUDGE LYNCH.

His Work on a Young Man who Eloped.

ATLANTA, Ga., August 19.—A young man named Waldron having been arrested at Sunny Side, Georgia, by the sheriff of Spalding county, a posse overpowered the sheriff, took the prisoner and cut his head off. Waldron ran away about two weeks ago and came to Atlanta, bringing with him a young girl twelve years old, his wife's sister.

COL. JAMES YOUNG.—On his large farm near Middleton, cut 300 acres of wheat, pronounced the finest harvested this season.

APPLES are selling at fifteen cents per bushel in Beaver and Washington counties.

HORRIBLE HYENAS.

They Mangle their Trainer During a Street Parade.

RICHMOND, Va., August 18.—Yesterday, while Coups's grand circus was parading in Winchester, the keeper of the cage of hyenas was pounced upon and torn to pieces by the infuriated and treacherous animals. The keeper, who was in the cage at the time, had his back slightly turned toward the hyenas, and was looking at the cheering multitude. The spectators fell back aghast when they saw the whole den of hyenas suddenly pounce upon the man, and throwing him to the floor of the cage, begin to mangle him with their teeth and claws. The keeper, whose name was Drayton, made a desperate attempt to save his life, and despite his critical position assumed his usual cool tone; of command; but the beasts, maddened by the taste of blood, did not heed him. The people who witnessed his brave struggle for life were powerless to help him, as they feared that by opening the door of the cage the hyenas would pounce upon them. At length some of the showmen succeeded in rescuing Drayton, but he was so badly wounded that his life is despaired of.

A BRUTAL MURDER.

A man Driven Into the Water and Stoned Until He Sank.

PITTSBURG, August 17. Another cold-blooded murder has been added to the long list of criminal tragedies in Allegheny county. Yesterday a well-dressed workman, who was traveling along the Fort Wayne Road in search of employment, plucked a bunch of grapes from a cluster overhanging a fence in Mrs. Rhoder's property, about seven miles below the city. The woman saw him and set her dog on the fellow, who had started to run towards the river. Then she secured the aid of a gang of track laborers on the Fort Wayne Road. John Holland, the boss; Morris Merriman, Baltz, Martin Luster and other laborers reached the shore as the man was swimming back, he having sought the water to escape the dog. He pleaded for mercy, but the railroad laborers sent numerous volleys of stones after him and to escape he struck for the opposite shore. He became exhausted, swam back till he could touch bottom, then tried to remove his shoes. A terrible fusillade of stones was kept up and to escape the missiles the poor fellow again struck out, still encumbered with one shoe. He swam put a little distance when he sank. A citizen who witnessed the murder rushed to his rescue in a skiff, but the man sank, never to rise alive, before the skiff reached him. Coroner Hope has been grappling all day for the body, but without success. These facts will be renewed to-morrow and if the body of the unknown man is found the whole gang of brutal laborers will be jailed.
