

Local Department.

"Landslide from the New Cash Store."

We can sell you goods 20 per cent cheaper than you can buy them in Penns Valley. "Overdrawn" No air, not up to truth by oceans. In every day-life you find shipwrecks, who, if they have to fight the battler over again, would fight and conque under that excelsior Banner upon whose silken folds were printed in ineffaceable letters of gold, "that, silent, solid, omnipotent monosyllable, "Cash," the secret of our low prices. We submit our prices below, and all we ask is a comparison with old time prices.

We do not imitate in prices but lead prices to beat solid facts."

The New Cash Store, Penn Street, Millheim, Pa.

The best coal oil in town for 16 cts a gallon at the New Cash Store.

The Millheim B. & L. Association will meet next Monday evening. If you want cheap money be on hand.

Mr. P. H. Musser now has a berth in Sturgis Jewelry Store. He is going to learn the business.

Good green coffee for 14 cts. at Spigelmyer's New Cash Store on Penn Street.

Henry K. Luse and family have removed to New Berlin, the other week, where they expect to make their home for the present.

The Job work done in the Journal Office will compare well with any work done elsewhere and the prices are remarkably low. Give us a call.

The Comptroller of the Currency has declared a ninth dividend of ten per cent. for the creditors of the Lock Haven National Bank, of Lock Haven, Pa.

Cold, did you say? Why yes—the thermometer, that is the quicksilver in it, was away down to 24 degrees below nothing, on last Friday morning. You bet it was cold.

YOU BET that business is booming at the Philadelphia Branch Clothing Store in Bellefonte. Good stock and low prices do the business—"And don't you forget it."

Jacob & Elias Snook, Administrators of Levi Snook, deceased, will offer a valuable farm situated in the east end of Nittany Valley, at public sale on the premises, Jan. 27th next. See bills.

The FORKS HOTEL, one of the best hotel stands in this section of the country, situate at Coburn Station on the Lewisburg & Tyrone rail road, is for sale. For particulars apply to G. W. STOVER.

A celebrated preacher makes the recommendation of Ayer's Pills a matter of religious duty. When people are bilious and dyspeptic, what they need is the Gospel of Health. In such cases, the best creed to swallow consists of the thirty sugar-coated articles in a pill-box.

VICK'S FLORAL GUIDE.—This work is before us, and those who send 10 cents to JAMES VICK, Rochester, N. Y., for it will be disappointed. Instead of getting a cheap thing, as the price would seem to indicate, they will receive a very handsome work of 112 pages, and perhaps 500 illustrations—not cheap, but elegant illustrations, on the very best of calandered paper, and as a set off to the whole, a beautiful Colored Plate that is worth twice the price of the book.

The convention of the Centre County Teachers Institute, at Bellefonte, last week seems to have been successful and satisfactory to all concerned. Our friend J. R. Vanormer and J. L. Lynn published a very spry and readable daily during its continuance, called the Teachers' Journal, which contains a full and admirably written account of the doings of the convention as they transpired each day. This we think is a good arrangement and relieves the county papers of a considerable burden. For 25 cents teachers can have the entire five numbers of the Journal from the publishers.

VOLUME LV. This number commences the fifty-fifth year of the Journal, and its predecessor, the old Berichter. Having on similar occasions given a full history of the paper from its beginning we will not do so now, inasmuch as the present and future concern us more than the past. While we have nothing special to boast of we certainly ought not to complain—at least not of our local patronage and support. Since the Journal appears as an English paper its circulation has increased considerably, and we have reason to know that it is constantly gaining new friends. Thanking those who have recently enrolled their names on our books as subscribers, as well as others who have promptly paid their subscriptions, we labor on hopefully, doing our utmost to make the Journal an interesting and useful local paper.

NOTICE. Wishing to close all my book accounts, I have determined to sell for cash or produce only from and after March 1st, 1881. I will give my customers the full advantage of a strictly CASH SYSTEM.

SAMUEL GRENINGER. —Read of F. McLaughlin & Co's card in another column, and if you want any cards printed give them a chance.

Our band has received new music again, among which is a fine composition entitled "Home, sweet Home" with variations, and a very difficult overture from the Opera "Boisacquo." Go in boys, and work at it until you can play it in your usual perfect style.

The musical convention at Rebersburg last week was a thorough success in all respects. The class of singers was large, 102 having attended through the week, and they made remarkable progress under the efficient direction of Prof. John A. Weaver, of Pine Grove. The programme of the closing concert on Saturday evening consisted of select performances and rare musical treats, which were executed in a manner creditable to the class and their teacher. All told it was a pleasant week for Rebersburg and will leave good impressions on the minds of all participants. We are prevented by lack of space to publish the large list of the attendants.

On that cold, cold morning, last week, when mercury went down, down, until at last it made a firm stand at 24°, refusing to go one hair's breadth farther, our dear little friend, Wm. K. Alexander also went down, down, down, into the cold, cold water on Musser's dam. By some means or other, in some way or another, like "truth crushed to earth" he rose again and was rescued from a watery grave. When our reporter arrived on the ground he was already gone—to change clothing. We felt much relieved when we heard that William was all right again. But when he says that he "wasn't a bit cold" we greatly fear that he utterly ignores the story of Washington and his little hatchet.

TWO TRAINS.—The freight business on our rail road has latterly increased so much that one train could no longer handle it all within schedule time and so it frequently happened that connection at Montandon was often missed. The company therefore did a good thing by putting on another train. The new train leaves Spring Mills in the morning at 6.30, Coburn at 6.58, and arrives at Montandon at 9.30, connecting with the train for Harrisburg. Returning, leaves Montandon at 2.20, Lewisburg at 2.35, arrives at Coburn at 5.02, and at Spring Mills at 5.30. This arrangement is a great convenience for our section and people, enabling people to go to Lewisburg and return the same day. We will publish the full time table next week.

Report of North Street School, for month ending Dec. 24th, 1880.

Attendance, males—33, females—31, total—63. Per cent. of attendance, males—80, females—78, total—79. Average attendance, males—29, females—24, total—53. No. of visits, 21; by directors, 3 by citizens 1. Addresses 2.

Some parents complain of the slow progress of their children. I say let them keep their children at home in the evening and require them to prepare their lessons and they will soon see a change for the better. Let all make a new and good start with the new year, and all will be amply rewarded for their labors.

M. I. JAMISON, Teacher.

Report of Millheim Grammar School for the week ending Dec. 24th, 1880.

No. of pupils, males—25, females—21, total—46. No. attending, males—24, female—14, total—38. No. attending every day, males—9, females—4, total—13. No. tardy, males—17, females—11, total—28. Average attendance, males—17, females—10, total—27. Per cent. of attendance, males—71, females—71, total—71.

This week we have had no visitors, and the time seemed indeed long and slow in passing by. The attendance has been below the average of former weeks. The cause no doubt is many were obliged to stay at home and get ready for the holidays. Hope all will be ready to start in and attend regularly after the holiday season.

D. L. ZEBBY, Teacher.

LETTER FROM KANSAS.

Thinking that some of your readers would probably like to hear something from this part of Kansas, I take the liberty of writing a few lines for your columns.

We had a severe drouth all summer and fall. The streams are very low and some of them dried up altogether, and as a consequence the wheat crop was almost a total failure. The average yield in this part of Lincoln county is hardly two bushels per acre, which does not pay the cost of cutting and threshing. Early corn was also a failure, especially on bottom lands. On the uplands it was some better. You must not judge the state of Kansas, however, by the condition of this county. In October I was on a visit to Mr. Uriah Spangler, in Harvey county, south-east from here. They had a good crop of corn and a fair crop of wheat. In passing through Rice, Harvey and McPherson counties, and seeing the stacks of hay and straw piled up, one would not have thought that they had any drouth at all. This is the most beautiful section of country I ever saw—almost a perfect level. Newton, the county seat of Harvey county, is a beautiful town of 2500 inhabitants. Mr. Kinney, formerly of Rebersburg, keeps a restaurant here, just opposite the depot. Returning home I passed through Lyons, county seat of Rice county. It is a beautiful little town, on a branch of the Atchison, Tepeka and Santa Fe R. R.

In the western counties a great many people have left their settlements. A law was passed in their favor extending their claims 18 months longer. Some settlers in our county have also taken advantage of this law. Mr. John Sweltzer, formerly of Madisonburg, and Mr. Adam Stover of Spring Mills, have gone to Illinois. Others have returned to the east, "to his wife's folks," as our western papers put it. Mr. George Boon has also gone back to Sugar Valley.

Our schools are pretty generally opened now except some few who have no teachers yet. Our term is from 3 to 6 months. Wages range from \$15 to \$25 per month.

We had a protracted meeting (Evangelical Association) about 8 miles north-east from here. Bishop Dubs paid us a visit Nov. 11th.

My observation is that Lincoln is a very healthy county. Consumptives are very rare. More anon.

JOHN W. EDGAR.

ATTENTION!

Mr. MICHAEL LAMEY'S gunsmithshop, on Penn Street, Millheim is the place for the finest single and Double Barrel Guns, which will be sold at the lowest prices. Also a full stock of ammunition for sale.

Repairing of any kind promptly and cheaply done.

A liberal patronage is respectfully requested.

THE HOLIDAYS passed off rather quietly here. There were no public festivals in any of the churches in the neighborhood, excepting that the Evangelicals at Woodward and the Lutherans at Rebersburg, each had an entertainment for their Sunday schools. Many people made good use of the fine sleighing. Many more stayed "at home" to enjoy their turkeys, oysters, or whatever else they had. The historic "Christmas Tree" found a place in not a few families. The popular old buffer, Santa Claus, was as popular with the juvenile world as ever. Our toy, variety and fancy goods stores did a thriving business and innumerable presents were made. It was very generally a Merry Christmas and a Happy New Year, and whoever did not in one way or another enjoy himself belongs to the class of exceptions.

DEATH OF AN EDITOR.

Last Friday evening, Dec. 31st, Hon. J. C. C. Whaley, editor of the Clinton Democrat, and member of the legislature from Clinton county, died at his home in Lock Haven. Mr. Whaley was a man that was respected by all who knew him. He possessed positive convictions, was a good writer and had an irreproachable character. As editor of one of the ablest Democratic papers in the interior of the state, he was widely and favorably known, and will be much missed in the editorial ranks as a fearless supporter of the principles of the party. In his social intercourse with his fellow men he was generous, kind and genial. Nature had given him the stamp of a true gentleman. His loss will be especially felt by the people of Clinton county, who always had placed so much confidence in him.

Mr. Whaley's death will necessitate a special election for member of the legislature.

In the whole History of Medicine. No preparation has ever performed such marvellous cures, or maintained so wide a reputation, as AYER'S CATHARTIC, which is recognized as the world's remedy for all diseases of the throat and lungs. Its long continued use has made it universally known as a safe and reliable agent to employ. Against ordinary colds, which are the forerunners of more serious disorders, it acts speedily and surely, always relieving suffering, and often saving life. The protection it affords, by its timely use in throat and chest disorders, makes it an invaluable remedy to be kept always on hand in every home. No person can afford to be without it, and those who have once used it never forget their knowledge of its composition and effects, physicians use the Cathartic extensively in their practice, and clergymen recommend it as absolutely certain in all remedial cases, and will always cure where cures are possible.

News Miscellany.

Taking the country through, wheat this year is about 10 cents per bushel lower than at the same date last year; corn about 2 cents per bushel higher; yard, \$1.10 per 100 higher; pork, 2.50 per barrel higher for January delivery; for earlier delivery the price is not so high.

George Smith and Catherine Miller, convicted in Williamsport, Pa., of the murder of the latter's husband, and sentenced to be hanged on the 6th of January next, have been respited until the 3d of February. The Board of Pardons will be asked, at its next meeting, to commute their sentence.

A man living near Morganstown, Berks county, has his house exactly on the line of Berks, Lancaster and Chester counties, and he can lay his head down on his pillow in one county, kick his feet under the covers into another county, and get up early in the morning and build the fires and put on the teakettle for his wife in still another county.

Land owners who desire to get rid of their stumps, may find something to their advantage in the following recommendation from the Scientific American: "In the autumn bore a hole one or two inches in diameter, according to the girth of the stump, vertically in the centre of the latter, and about eighteen inches deep. Put into it one or two ounces of salt-petre; fill the hole with water and plug it up close. In the ensuing spring take out the plug and pour in about a half gill of kerosene oil and ignite it. The stump will smoulder away without blazing, to the very extremity of the roots, leaving nothing but ashes."

SHOT AT THE SUPPER TABLE.

STUEBENVILLE, O., December 24.—A bloody tragedy took place last night at Ryan's boarding house. Dr. Henry, a young dentist, while intoxicated was using profane language at the table in the presence of ladies. Dr. Schooley, a young physician, rebuked him. Soon a fight began, when a farmer named Buckingham, who had a grudge against Schooley, interfered. Schooley drew a revolver and shot Buckingham in the right eye. Henry then seized a shovel and crushed Schooley's skull. Buckingham and Schooley were alive at the last report, but could not long survive.

Guilty of Murder in the First Degree.

MIDDLEBURG, Pa., December 23.—The argument of counsel in the case of Commonwealth vs. Jonathan Meyer, indicted for the murder of Mrs. Gretchen Kintzler, was concluded here today at 11 o'clock, a. m. The judge's charge consumed about one hour's time, after which the case was given to the jury. The jury was out until 3.30 p. m., when a verdict of "guilty of murder in the first degree" was rendered. The court house was crowded, and the verdict seemed to be satisfactory to the crowd of people who awaited its announcement. Application was made by counsel for the prisoner for a new trial. This is the third conviction had for the murder of the old German woman, Mrs. Gretchen Kintzler—Etinger having been convicted at the September term of court, and Erb at the present term.

MARRIED.

On the 25th ult., at the residence of the bride's parents, by Rev. W. E. Wisard, Mr. Luther B. Frank, of Rebersburg and Miss Mary C. Wolf, daughter of John Wolf, of Miles township, Centre Co. Pa.

DIED.

On the 27th ult., near Booneville, Clinton Co. Pa., Katie May, daughter of Simon P. Wolf, aged 7 years, 9 months and 6 days.
