## A VICTORY OF THE PEO-PLE.

As the municipal election in Philadelphia on Tuesday the 5th inst., the solid people of the city achieved a deeisive victory over the corrupt political bosses of both parties. The fair metropolis of Pennsylvania, after a long and hard struggle, has at last succeeded in shaking off a wicked ring rule that has for years held her down in the mire of political putrefaction with an iron grip. Economy and a pure ballot are once more victorious and the honest people of Philadelphia rejoice and breath freer. The Times delivers itself over the glorious result in the following gushing style:

besigged upon release, went up last night from fifteen thousand throats when at half-past twelve o'clock the Times office that King and Hunter and the cause of Reform had been victorious in Philadelphia. The air was year. For half an hour there was contersection of the streets before the building was massed with men. The multitude branched off for nearly a square in all directions. Above the closepacked heads there was an almost constant undulation of waving hats. Rarely has such a scene been witnessed in Philadelphia. For long hours times lessening, sometimes growing larger, watching intently the anouncements that were made and showing all along the direction of its sympathies. the supreme moment when they knew the die was cast. Then, with one accord and the jubilant swell of such a victorious pecple, the great political Te Deum of freedom from bosses and the reign of rings in a city government went up, reverberating as far as the Union Republican Club, whose members were leaving the gloomy hall disgusted, drawing their coats around their diamond pins and pulling their hats down over disappointed faces.
