Bellefonte, Pa., Feb 1.	P. GRAY MEEK, Chairma

Our grave republican Senators are getting very tired of Mahone, but they will get more tired yet before they will be able to elect Gorham Secretary and Riddleberger Sergeant-at-arms.

Senator Don Cameron makes out a strictly first class character bill for Virginia's mongrel Senator, Mahone. Don gives the people of Pennsylvania a big dose when he asks them to swallow the following, or even to believe that Don himself is candid in what he says. At the rate and style he has been making speeches in the senate recently he ought soon to look around for somebody to endorse his own integrity. Here is what he says of

Was not the Senator from Virginia (Mahone) ostracised by the Democratic side of the Chamber? Dare any one deny his courage? Dare any one refer to his past record? Dare any one honorable Senators? Was he not the peer of announce that no Democrat would even pair would act according to his convictions; because he had the hardihood to assert his right in the light of performing legitimate work.

No. 8 also connects with Eric Mail east for Harrisburg, Baltimore, Washington, Philadelphia and New York.

We move to amend Don's speech by striking out all after the word "why" and insert as follows: "Because he l.as made a dirty and corrupt bargain with me and other republican senators, selling himself and his vote in consideration of the election of the famous Riddleberger as Sergeant-at-Arms, and of controlding the federal appointments in Virginia."

### LET IT PASS.

There is a bill now before the legislature, which if it becomes a law will effectually put a quietus to the small boy's toy-pistol. The bill entitled "an act to prohibit the sale to minors of deadly weapons, gun powder and explosive substances in cities of this commonwealth." It makes the viola tion of the law a misdemeanor, punishable by a fine not exceeding \$300 and imprisonment not exceeding one year.

The New York Tribune says that threefourths of the time of the president is occupied in hearing applications for office, and that the cabinet officers employ at least one half of their business hours in the same way. One of the arguments against the democrats last fall was that their accession to power would be attended by a wild rush for office. Upon this argument heavy assessments were made upon the office-holders and paid all the more rapidly. But it appears from the con fessions of leading republican newspapers that with a republican succession there h s been as wild a scramble for office as if a democratic president had veen elected.

#### Boss Kelly Victorious.

NEW YORK, April 18 .- The annual election for sachems of Tammany Society, held to-night at the wigwam. proved the most exciting held in many years. The Kelly faction from the outset have been confident of success and the other party, headed by Judge McAdam, were just as confident that victory would be theirs. The polls were opened at 7.30. Three tickets were in the field. The polls closed at 10 o'clock. The election resulted in the success of the Kelley ticket, which was elected by a majority of 50. The total number of votes cast was 711.

Without desire to wound the susceptibilities of the Senators at Wash ington, it is only speaking the truth to tell them that only about one American citizen in five thousand is reading their able speeches. The public is attending to its business, and its only thought about the wrangle in the Sen ate is one of weariness. It is impossible to get up any political agitation at this time. The people have had all the politics they want for the present Even the dying throes of Bossism excite little interest outside the newspapers and the limited circle of working politicians .- New York Tribune.

The man who cast the first vote for Garfield at Chicago, Mr. William A. M. Greer, of Hazleton, in this State, receives his reward in an appointment as Third Assistant Postmaster General.

THE next Republican state convention will be held at Harrisburg, Sept.

The number of emigrants now ar riving is large enough to excite comment. Last year the total number was 327,371, but the number for the first three months of this year exceeded that for the corresponding period of last year by ten thousand. If this rate of increase is maintained throughout it will bring the total immigration of the year well up to half a million. The largest proportion of the arrivals are Germans and they are apparently well supplied with money. They are mostly destined for the West, although the Southwest is getting a larger proportion than in former years, and the Middle States are absorbing

### WASHINGTON LETTER.

Washington, D. C., April 23, '81. There are a number of sensations in in Washington affairs just now. It is said, and this is nost important, that President Garfield has energetically expressed his desire for the transaction of executive business, and that Republican Senators have agreed to hold a caucus next week to consider the subject. It will be urged by some Republican Senators that to proceed to speak of him as a man not fit to associate with such business is not to back down from their present position and by others to do so would exactly that I think the to dissent from the political opinions of the the place of discussions and votes on Niagara Falls via Canandaigua. other side; because he had dared to say that he the Mahone treaty. the Republicans insist on returning to the dry subject of electing a Secretary and Sergeant-at-Arms.

The Star sensation-and it is the greatest for some years, is caused by changes, and rumored changes in Post Office Department officials. Speaking with some personal knowledge of Gen. Brady, just driven out of the department, and some acquaintence with the methods of transacting business in the Department, I have no hesitation in saying that nine tenths of the stories of fraud are false. Neither the Post-Office Department nor any other has been properly conducted for many years, if ever, and irregularities are perpetually sanctioned in all of them that would drive any bustness man in the world to ruin. In the business wavs of his office I doubt not Gen. Brady found much that was reprehensible, tolerated it while he was there, and left it there. He is not a reformer. I believe he did the best he could for the country and for the branch of service over which he pres'ded with the defective system he found in operation. I do not believe he made a dishonored dollar in the four or five years of his service.

All the departments must now reorganize. They should do so I have no doubt, at least once in every four

It is a much discussed question among thinking men how much dam. age to the Republican party an exposure of inefficiency and irregularity in most of the departments will cause. The best opinion is, that it will do more to riffle the party than all the quarrels that are going on between

The Speach of Sanator Frya on Wednesday last, caused almost a sensation also. It was thought by some to have been delivered after a full consultation between Secretary Blaine and Senator Frye, eyen if the President had not sanctioned it. But this seems not to have been the case. Senator Frye is not the servant, or mouth piece of any individual. The bitter speech he delivered was his own. He may have believed he was representing the people of Maine, though in that he was most certainly mistaken, but he did not, and did not intend, to represent those in authority.

THE GREAT

Bee Hive

STORES.

Having given the Gents' Department ample time to explain its good qualities, we will now turn our attention to the Ladies' Department, to which we are paying our utmost attention to have the most complete in Centre county. We do like to include Philadelphia, but in most

departments they cannot beat us. Our Mr. Bauland has just returned from the East, having purchased the largest and finest stock of Dry Goods, for cash, ever brought to Bellefonte, which we will sell for cash at such low prices as to a stonish the public.

As the amount of goods purchased for this Spring is so immense, it will be impossible this time to mention many specialities. We expect most of our goods will be here this week, and will try to have them ready for sale during this week.

We will have the largest, finest and cheapest stock of Dress Goods ever shown. We wish to inform you of a few borgains that will not be sold again for the money. These prices defy competition: I case of Cotton Beiges or Wash Poplins at 8 cts. per yard, which one of the Philadelphia houses is making such a fuss about, and their price is 10 cts 1 case of Atlantic Cashmeres at 12 cts. per yard, a big bargain in Philadelphia at 121, but are cheap at 15 cents per yard. 1 lot cf allwool Cashmeres, black and colored. yard wide, at 40 cents per yard, cheap at 50 cts. per yard, and a great many other bargains too numerous to mention.

Our stock of Silks is complete. A full line of Plain and Fancy Silks from 50 cts per yard and upwards Ladies, you can afford to waste a full day to look at our stock of Lawns, Madras-Ginghams, and choice Cambrics. We have about a 1 case of Madras-Ginghams at 13 cents per yard, which are selling in Philadelphia at 15 cts. per yard.

In Domestics we have everything that is manufactured, and as we buy these goods direct from the mills, we will sell them at jobber's prices. Call and examine for yourselves.

To Housekeepers we are a blessing as we are selling such goods for so little money that the expense of fitting up a house is a trifle. Just think, Linen Damask at 20 cts. per yard; all Linen Napkins at 65 cts. a doz; Towels 5 cts. each, and everything else in proportion.

Shoes, shoes, shoes, at such low prices that we will not mention any this time. Now about Carpets, which is a very important thing to every one, we just have the prettiest stock ever shown, all new styles and all new prices. They are so cheap that we expect to have our stock sold in 30 days.

All the latest novelties in Gloves, Hosiery, Ribbons, Ties and Fancy Goods. We added this Spring a new Department to our already immense stock which will please the Ladies. A full line of Muslin Underwear, especially manufactured for us, made in the best

can make them at home. Our Notion and Small wear Departments are always complete. Samples sent free on application, and

workmanship, for less money than you

special attention paid to mail orders. Ite's our aim to supply the public with all their wants in our line, and any article not on hand, no matter how small a quantity is wanted, or how small the purchase is, we will procure at for them.

An early call is solicited. Respectfully,
