A CONGRESSMAN DEAD.

Death of Hon. M. P. O'Connor, of South Carolina.

CHARLESTON, S. C., April 26 .- Hon, M. P. O'Connor, omgressman from the Charleston district, died this morning of tumor in the stomach.

[Mr. M. P. O'Connor, of Charleston, above dispatch, was born at Beaufort, South Carolina, September 29, 1831 He was educated and graduated at Saint John's College, Fordham, New York, and was by profession a lawyer. He served as a member of the state legislature of South Carolina for seven vears from 18:8 to 1865, having been four times re elected, and was elected to the Forty-sixth congress as a democrat, receiving 20,568 votes against 3,'82 votes for E. W. M. Mackey,

The Speaker called a set of scoundrels, who for years have | welfe "the dicator from Union," corrupted the elective franchies not and Wolfe rejoined by calling the only of the fair c'ty of Philadelphia but of the state of Pennsylvania as well. The day of large republican majorities in Phila elphia is past for a while.

A Judge on Speculative Life Insurance.

At the opening of the Dauphin county court theother Monday, Judge Pearson in charging the grand jury referred in very severe terms to the practice which has obtained of late among a certain class of mutual life insurance companies, of placing large sums of money on the lives of aged and infirm persons, and retailing the policies by agents for the purposes of speculation. He characterized this practice by agents as one of the worst species of gambling. He said that the practice was clearly in violation of the law and he world have no hesitation in convicting such an agent on the ground of conspiracy. If the legislature did not pass a law to stop this speculation, it was the duty of the ccurts to enforce the laws already in existence which pertained to

WASHINGTON LETTER.

Washington D. C., April 30th '81. It is said, and is true I doubt not, that the Republican caucus Committee of seven has decided that executive sessions of the Senate shall be held next week. Their report will be presented to another caucus on Monday next, and adopted. There will be in it an argument as to the necessity for acting on the Chinese treaties, a denunciation of the course Democratic Senators have taken, and arguments as to affairs generally. But the result will be the same. The Republicans vield to the Democrats and consent to go on with the business for which a Republican President summoned the

In all future time it will be a subject for satire, that a Republican Senate-what was claimed to be a Republican Senate at least-fong t for two months against the consideration of business sent to it by a Republican President. There was not and is not any quest ion between the President and Republican Senators that should or could have brought about this absurd state of affairs. The Republican Senators, now in consenting to proceed to business, simply do what they ought to have done seven weeks agothey agree to consider executive business. - Every Democratic Senator has voted for that at every session of the 6t Senate since the 4th of arch.

The surrender of the Republicans will be based ostensibly on the necessity for the ratification of certain treaties. But the result will be the same. The Republicans will simply get out of the indefensible position they placed themselves in, when they undertook to elect officers at a special session. As soon as the legitimate business of the session is over, which will probably be in two weeks, the Senate will adjourn. Gorham and Riddleberger will disappear from immediate consideration. Senator Mahone's real and solid troubles will commence with the consideration of executive business, unless the Repub lican leaders will wisely defer the consideracion of the case of Robertson, nominated as collector for the Port of New York. If that case comes before the Senate. Mahone must vote with Conkling who made him a Republican, S. C., whose death is announced in the or with Garfield who has offices to

Orange Judd, of the American Agriculturist, is strongly urged for the office of Commissioner of Agriculture. Because he is eminently fit for the place we can hardly hope that a Republican President will appoint him. Party service weigh much heavier than honesty and fitness, as things are

Buying off the Liquor Men.

From the Bloomsburg Columbian.

We are informed that during the coming year no liquor will be sold in Mr. C. R. Woodin, who has made arof Mifflin, is now in the 20th district, rangements with the keepers of saincluding the counties of Union, Sny- loons and hotels, by which, for a peconiary compensation, they agree to abstain from the sale of intoxicants. This is a novel method of settling the disputed question of "liquor or no liquor," but it is one that will not become general. There are few men who possess such wealth and suc'r standing in the community as to be able to control and suppress a most profitable Jusiness. It is probably the only case on record, and Mr. Woodin should receive all due credit for removing temptation from the hundreds of men in his employ. To benefit his workmen was, we understand, the reason why he voluntarily assumed such a burden of expense.

Having given the Gents' Department ample time to explain its good qualities, we will now turn our attention to the Ladies' Department, to which we are paying our atmost attention to have the most complete in Centre county. We do not like to include Philadelphia, but in most departments they cannot beat us.

Our Mr. Bauland has just returned from the East, having purchased the largest and finest stock of Dry Goods, for cash, ever brought to Bellefonte, which we will sell for eash at such low prices as to stonish the public.

As the amount of goods purchased for this Spring is so immense, it will be impossible this time to mention many specialities. We expect most of our goods will be here this week, and will try to have them ready for sale during this week.

We will have the largest, finest and cheapest stock of Dress Goods ever shown. We wish to inform you of a few bergains that will not be sold again for the money. These prices defy competition: I case of Cotton Beiges or Wash Poplins at 8 cis. per yard, which one of the Philadelphia houses is making such a fuss about, and their price is 10 cts 1 case of Atlantic Cashmeres at 12 cts. per yard, a big bargain in Philadelphia at 121, but a e cheap at 15 cents per yard. 1 lot of allwool Cashmeres, black and colored. yard wide, at 40 cents per yard, cheap at 50 cts. per yard, and a great many other bargains too numerous to mention.

Our stock of Silks is complete. A full line of Plain and Fancy Silks from 50 cts per yard and upwards Ladies, you can afford to waste a full day to look at our stock of Lawns, Madras-Ginghams, and choice Cambrics. We have about a 1 case of Madras-Ginghams at 13 cents per yard, which are selling in Philadelphia at 15 cts. per yard.

In Domestics we have everything that is manufactured, and as we buy these goods direct from the mills, we will sell them at jobber's prices. Call and examine for yourselves.

To Housekeepers we are a blessing as we are selling such goods for so little money that the expense of fitting up a house is a trifle. Just thirk, Linen Damask at 20 cts. per yard; all Linen Napkins at 65 cts. a doz; Towels 5 cts. each, and everything else in proportion.

Shoes, shoes, shoes, at such low prices that we will not mention any this time. Now about Carpets, which is a very important thing to every one, we just have the prettiest stock ever shown, all new styles and all new prices. They are so cheap that we expect to have our, stock sold in 30 days.

All the latest novelties in Gloves, Ho. siery, Ribbons, Ties and Fancy Goods.
