

The Millheim Journal.

THURSDAY, SEPT. 29, '81.

DEININGER & BUMILLER,
Editors and Proprietors.

Local Department.

—Four houses were burglarized last Thursday night in Sunbury.

—Our farmers are doing seedling now. We haven't taken the census yet to ascertain how many have asked God's blessing on their labors.

—Marble door steps of the best Sutherland Falls marble, made at the Millheim Marble Works at a moderate price.

—The subscriptions to the fund for the benefit of President Garfield's family have reached the sum of \$26,000.

—A splendid, strong 2 horse spring wagon for sale. None better in the valley. Price moderate. Inquire at the Journal office.

—Buckingham's Dye for whiskers is an elegant, safe and reliable article, cheap and convenient for use; will not rub off. Try it!

—The farm of Jonathan Phillips, deceased, near Millheim, is now offered at private sale by the executors. Read the advertisement.

—The Journal gives as full an account of the President's funeral ceremonies as its limited space permits. It is very difficult for a weekly paper to select what to publish from the vast amount of news given by the daily papers. We try to give the substance, that which is most interesting to the average reader.

—Memorial services on the death of President Garfield were also held in the M. E. Church, Rev. J. Benson Akers officiating. Several select portions of scripture were read and an impressive sermon delivered from the expressive and beautiful words of Jeremiah, 48:17—"How is the strong staff broken, and the beautiful rod."

—The masons are at work on the foundation walls of the Lutheran church. The subscription books are still open and you still have an opportunity to subscribe.

WANTED.—About 3500 first class 1½ inch yellow pine flooring in the rough. Need not be fully dry. Inquire at the Journal office.

—The Star Literary Society of Spring Mills will hold an entertainment at that place on Friday, Sept. 30th, 1881. The public is respectfully invited to attend.

—A valuable mare was stolen from Mr. Thomas Scholl in Haines township the other Wednesday night. A reward of fifty dollars is offered for the recovery of the animal.

P. S. The mare was recovered.

—WANTED, at the Journal office, on subscription or other accounts, 10 bushels of potatoes, 25 bushels of corn, several gallons of good apple butter. If you have any of these articles to spare and owe us, bring them along.

—Where can you get first-class shoes at a reasonable price? Where else than at Stam's store! He has the largest, finest and cheapest stock in town. Follow our advice and call at his place.

—J. A. LIMBERT, the new mail contractor, has procured a fine new wagon and is prepared to carry express packages and other goods from Coburn to Woodward and all intermediate points at reasonable charges.

—Millheim Lodge No. 955, I. O. O. F., held its regular semi-annual election last Saturday evening. The following is the result: Noble Grand—B. F. Stover; Vice Grand—W. L. Bright; Assistant Secretary—Jonathan Dinges.

—The fall season has already opened at the grand millinery, notion store of B. Harris, Lewisburg. You can not find a better place in the state for ladies' hats or in fact anything else that enters into the line of a full-sized notion store. Patronize Harris.

—We recently heard somebody remark that somebody else said that several other persons thought that an axe factory at Coburn would be a good thing for the neighborhood to have. We think so too, but are not able to build one, nor even we even trace the rumor to any satisfactory source.

—The rumor that there is a serious case of small pox in town is entirely without foundation. The other week one of our young men returned home after an absence of some time and soon after became a little sick, and the attending physician did for a few days think his case would develop into small pox. The doctor's fears however were groundless and the young man is up and about again.

—CORNER STONE LAYING.—The corner stone for the new Evangelical Lutheran Church at Millheim will be laid, D. V., on Sunday October 16th, proximo. Divine services begin on Saturday evening previous. Several visiting ministers will be present. The usual collections will be taken up. The Christian public is cordially invited to attend.

—Dear Christian reader, do you wish to see a pleased woman, namely that particular woman whom above all others it is your privilege and duty to please? Then do as we did. Go to Alexander & Co's Implement Store, Bellefonte, and buy her a Walker Washer. Why, our wife, just after using the institution a single time, is ready to recommend it very highly to all the ladies in Christendom, without regard to their politics or church relation. She calls Col. Shortidge blessed, "a gentleman and a scholar" for having persuaded us to buy the machine. That's what she does.

News Miscellany.

The Harrisburg Independent makes the following practical suggestions concerning our public roads, which if passed into a law would be of greater public benefit to the people generally than any law we have had for years:

"We want a new road law compelling supervisors to macadamize a certain number of miles every year. If such a law had been passed twenty years ago, to day we would have elegant roads in every section of the country, and it would have been done at a great saving to the tax payers of the country. There is another thing that should be done, and that is to plant trees on both sides of the roads. In the summer months driving over our roads is killing on the horses, and anything that pleases the people who travel over the roads. There is a quantity of dust, but no shade. It is nothing but the broiling hot sun and dust."

A HOG WANTED.—Wanted for the Sunbury Fair, which will be held at Sunbury on the 4th, 5th and 6th of October, 1881, a hog, either of the Sunfish or Cayote stock. The hog must be thin, skin elastic and strong, and have a good set of running gears. The snout should be longish, well developed, thin and turned up a little at the "snoot," and it ought to be long enough to reach the third potato row through any fence. He should be able to trot or run at the rate of 240 when pushed by the boys. The hog is to be bought for the Sunbury Fair, will be shaved, well greased and put on the track for the boys to catch, and for the amusement of the crowd.

This general programme, as outlined, will be so enlivened for each day's entertainment by vocal and instrumental music and military displays, either of general parades and reviews or competitive drills, so as to assure attractiveness and novelty therein. The national fair at Washington will embrace besides the usual exhibits of horses, cattle, sheep, swine and poultry, trotting and pacing races, competitive military exercises, and bicycle and chariot races; and, as the competition is open to the world, it is anticipated that it will really be one of the grandest displays of the season.
