

Local Department.

A good town property at private sale. Inquire at this office.

This year the deer season commenced Oct. 2nd and closes January 1st.

The Building & Loan Association meets next Monday evening. Get your stamps ready the while.

Mr. Levi R. Zellers, who has been absent from here for several years, is in town visiting.

Charley Sturgis, from Lewisburg, was here again last week, chatty, lively as ever and full of business.

Dr. Stam's house is under paint and presents a novel but pleasing appearance. Something new again.

Prof. Wolf requests us to state that there will be a special examination of teachers at Bellefonte, Saturday Oct. 7th beginning at 9 A. M., sharp.

Jeremiah Haines, executor, will sell the estate of Geo. Weight, deceased, about five miles east of Rebersburg, on Saturday, Oct. 7th, next.

Weather prophets are already busy predicting a severe winter. They base their predictions on a variety of signs both usual and unusual.

A fine line of Family and Presentation Bibles, Photograph and Auto-graph Albums, fine Stationery, &c, just received at the Journal Store.

Mrs. Philip B. Stover, of Pleasant Valley, Lincoln county, Kansas, arrived here on Saturday evening. She is on a visit to her aged and sick father Mr. John Hess, and other relatives and friends.

If any of our former patrons have a barrel or two of good, fresh cider to spare we would be ever so much obliged to have it. Nor are we overly particular as to the price—so we can pay it in JOURNALs. Now just please don't all speak at once.

The prolonged strikes throughout the country are about over and everywhere laborers are returning to work. The total loss to workmen in wages alone amount to at least \$10,000,000, but it is hoped they gained considerable wisdom even if dearly-bought.

Mr. Peter Keen, formerly from this place but now residing in Michigan, spent a few days among his old friends here this week. Peter looks well and reports that all the other Michiganers from this section are well and flourishing.

The dedication of the Reformed church at Bellefonte was to take place on the 3rd instant, but had to be postponed on account of some mistake made in the pews by the manufacturers. The synod will however convene on the 11th as announced.

Inventors and Patenteses should send for instructions, reasonable terms, references, &c., to Edson Brothers, Solicitors of Patents, Washington, D. C. who furnish the same without charge. Edson Brothers is a well known and successful firm of large experience, having been established in 1865.

Our friend Geo. W. Holloway, of Barbark, Ohio, writes us that they have Garfield corn out there fifteen feet high, and wants to know whether we can beat that in old Penn's Valley. Guess not, old chum, our farmers all planted Pattison corn this year and it grows prodigiously. It will mature on election day and we will give you the full size then.

Our young friend W. H. B. Eisenhuth writes to his father from Jamestown, Dakota, under date of Sept. 28th Pierce Musser and company were here to-day. They seem to be very much taken with Dakota, particularly with our vegetables. I think they will decide in favor of Dakota. Pierce will be back in two weeks and remain some days.

Two of Lewisburg's legal lights, J. Thompson Baker and D. W. Cox, Esqrs., favored Millheim with their presence on last Friday. They were trying a suit at law before Squire Eisenhuth, in which Thomas Depo was plaintiff and J. R. Seiler, defendant. The amount claimed is something over \$200, based upon work done in peeling and shipping bark at Fowler station. Plaintiff recovered judgement for \$205.56 and costs.

On Thursday evening our band boys for the first time appeared in public in their new uniforms. They marched in excellent order and most approved style through the town and discoursed \$8.00 worth of most excellent music. The uniforms are of dark blue cloth with just enough of yellow trimmings to make them appear chaste and neat. The band is now fully equipped for business. With a fine wagon, nice uniforms and a high grade of musical performance they may with confidence appear anywhere, and we suggest to chairman Hensel that he engage them in time for Gov. Pattison's inauguration.

Doll & Mingle have now the full set of boots and shoes for men, women and children, in Centre county. We know whereof we affirm when we say that they keep the very best in their line and sell as low as the lowest. They are good and reliable men to deal with and their customers are always pleased.

Bill Pennicofe killed an arattlesnake on Sand mountain, twelve feet long, sixteen inches around and it had thirty five rattles. That's what the Lewisburg Chronicle's, the only straight forward Republican paper in Union county, says. Bill may go head, but we will give no more snake stories this season. Our readers are getting tired of such prodigious "snakes" as the Republican papers have seen or heard of. Enough.

Before you buy your stock of winter clothing—the time to do so is soon at hand—make up your mind to call at Lewia's Philadelphia Branch, Bellefonte. If you can not suit yourself there it is not likely that you can be suited anywhere. Lewia is determined to lead and does lead all dealers in clothing in this part of the state. He strictly adheres to the "one price system" for all.

Again is one of our old and well known citizens called home to the eternal world by the cold hand of death. On Friday evening, just as the shades of night had fallen upon the earth, Mr. John Keen departed this life, in the 72nd year of his age. Mr. Keen was born near Millheim, and excepting a few years' residence in Aaronsburg, had spent his entire life here and on his farm a few miles west of town, where for many years he was one of the most industrious and successful farmers of the valley. In the spring of 1872 Mr. Keen in connection with John C. Motz and Elias Kremer established the banking house of John C. Motz & Co., which a few years ago was enlarged and merged into the Millheim Banking Company. He continued a member of this house to the day of his death.

On Monday the remains were interred in the Reformed Cemetery at Aaronsburg, upon which occasion the Revs. J. Tomlinson and Z. A. Yearick delivered suitable discourses to a large concourse of mourning relatives, neighbors and friends. He leaves surviving a sorrowing widow, one son and seven grand-children. His only daughter, Mrs. Geo. M. Swartz preceded him to eternity fourteen years ago.

A reptile was caught in the Quidapilla creek, Lebanon county, near Anville, the other day, of curious character. The head is shaped like that of a catfish, the tail like that of an eel and the body resembles an alligator. It was nineteen inches long, had four legs, and, except at the tail, was without fins. Its food was fish and crabs.

Statistics go to show that Pennsylvania has one whiskey saloon to every two hundred and sixty-three inhabitants. Excepting the prohibitory States, South Carolina holds the place of honor, having only one saloon to every nine hundred inhabitants. The Southern States present by far the best showing by the said to their credit.

That New York city is a "sorely-taxed" community the figures show for themselves. The present tax requirement is said to be about \$27,700,000 or nearly \$20 a year for every man, woman and child in the city; so that a father of a family of six children is obliged to pay \$160 per annum to support out of a miserable stipend of \$500 a year.

Twenty Persons Burned to Death. NEW ORLEANS, September 30.—The steamer Robert E. Lee was destroyed by fire thirty-five miles below Vicksburg early this morning. So far as can be learned twenty-one persons were lost.

The Oldest Man in the Country. A correspondent visited, the other day, near College Mound, Macon county, Mo., Mr. Robert Gibson, perhaps the oldest man in the United States. Mr. Gibson is now 116 years old, has had twelve children, ten of whom are now living, and his grandchildren, great-grandchildren and great-great-grandchildren number about 200. He is getting deaf and his eyesight is growing dim, but on Sunday previous to the visit (July 25) he rode in a spring wagon, eight miles to church. He was excused from service in the war of 1812 by reason of his being too old for military duty.

A Tragedy in a Church. NEW YORK, September 27.—A special to an evening paper dated Hampton Crossroads, Va., says that at the session of the Baptist Association yesterday Jerry Cox and Lewis Bryson quarrelled in the church, pulled revolvers and opened fire. Bryson was mortally wounded and while falling shot and killed Cox. Both died in a few minutes. One woman was shot through her bonnet and a bullet grazed the minister.

News Miscellany. Fight With a Sheriff's Posse. ATLANTA, Ga., September 27.—A dispatch from Leary's says that in the fight between Lucius Edmonds, alias John Spicy, colored, and a sheriff's posse, Spicy was killed. Spicy, in resisting, shot one of the posse and accidentally shot, and perhaps fatally, his own wife.

Charles Parrish, of the Lehigh and Wilkesbarre Company, employs 10,000 hands and his pay roll amounts to \$3,000,000 per annum. The aggregate shipments of his nine colliers last year reached 1,894,642, tons.

Sunbury cattle are troubled with the Texas fly. A few days after the insect are first noticed upon the animal they completely cover her; she grows thin, her milk decreases, and blood poison ensues.

Bellefonte has had four candidates for Governor: Andrew Gregg, 1823; James Irwin, 1847; A. G. Curtin, 1869; James A. Beaver, 1882. Of these Curtin was the only one elected and he was elected the second time.

The steeple of the Clearfield M. E. Church was struck by lightning during the severe rain and thunder storm that passed over that place early Monday morning, a week ago. The fluid passed inside the building, but did very little damage.

A project is on foot for the erection of a large flouring mill either at Milton or at Lewisburg. The report is that a company has been organized with Hon. Cyrus Hoffa at the head of it. The mill is to be provided with the roller process, and have a capacity of 150 barrels per day.

Rev. Mr. W. H. Diven preached his farewell sermon in the Salona church last Sunday. He was a pastor of that church for twelve years and for seven years he was President of the Clinton County Sunday School Association. His departure from the county is very much regretted by his many friends.

Mrs. Barbara Lebo died at Lenhartsville, Berks county, lately at the age of ninety-nine years, one month and five days. This old lady was put down as the oldest, but it is now learned that Mrs. Shaffer, near the above place, was ninety-nine years old on the 10th of April last.
