VOX POPULI

A GREAT BATTLE AND A GLORIOUS VICTORY!

A BIG DEMOCRATIC WAVE SWEEPS OVER THE COUNTRY.

Pattison Governor!

Boss Rule Doomed!

The Whole Democratic State and County Tickets Elected by Large Majorities.

NEW YORK AND MASSACHUSETTS ELECT DEMOCRATIC GOVERNORS!

The Democracy Carry Thirty-Three States.

A DEMOCRATIC CONGRESS.

Large Majority for Pattison. Returns from Philadelphia so far are scattering and indicate republican gains, but are not sufficient to overcome the rest of the state nor to prevent a large majority for Mr. Pattison.

PHILADELPHIA, November 7.—

Latest returns indicate a majority of 10,000 for Beaver in the city at 40,000 for Pattison outside of the city, making his majority in the state 30,000.

NEW YORK.

Returns indicate that Cleveland will come down to Harlem river with from 20,000 to 25,000 majority. Kings county will give Cleveland 25,000 majority. Spriggs, democrat is elected to congress in the Onondaga district. Cleveland's majority in the city will be 75,000.

Scattering returns from various parts of the state show uniform and heavy gains for the democrats, apparently making Cleveland's majority almost fabulous. Howard Carroll seems to be running ahead but is probably swamped with the rest of the ticket.

MASSACHUSETTS.

PHILADELPHIA, Nov. 7.—The Massachusetts republicans concede Butler's election, but claim the legislature and the balance of the State ticket. The democrats claim three congressmen, a gain of two.

CONNECTICUT.

PHILADELPHIA, Nov. 7.—Connecticut has elected a democratic governor and has gained two congressmen.

NEW HAMPSHIRE.

PORTSMOUTH, N. H., Nov. 7.—Private advices indicate the election of Edgerly Dean for Governor.

LATEST.

The democratic state ticket in this state is elected by enormous pluralities, which range from 36,000 to 42,000. The lower house of the legislature is also democratic, while the republican majority in the senate has been reduced. Thirteen of the twenty-eight congressmen are democratic.

New York swells her majority to the enormous figure of 175,000. Indiana, Michigan, California, Nevada, Colorado, Kansas Connecticut New Jersey and Massachusetts have all gone democratic. The result is far beyond the highest hope.
