

Local Department.

Please bring that wood. Daniel Noll, residing near Lewisburg, is the acknowledged weather prophet of Union county.

Our friend barber Springer is confined to bed by pneumonia. Hope he may soon be out again.

Our old friend Samuel Otto left us the other day for Burbank, Ohio, where he expects to spend the winter.

Logansville has a flourishing Literary Society—just what every town of that size and even smaller ones should have.

Money sold for 20 1/2 per cent. premium for permanent loan at the meeting of the B. & L. Association on Monday evening.

The Union County Teacher's institute meets at Millheim next Monday. Prof. Kurzenkabe will run the musical department.

D. A. Musser & J. P. Gephart have retired from the lumber business in the mountains. The extensive operations near Paddy's Tunnel are now operated by Whitmer, Walls & Co.

We heard the Rev. E. J. Wolf, D. D., of the Theological Seminary at Gettysburg, deliver a most excellent sermon in the Lutheran church, Lewisburg, last Sunday evening.

Inventors and Patentees should send for instructions, reasonable terms, references, &c., to Edison Brothers, Solicitors of Patents, Washington, D. C. who furnish the same without charge.

Mr. J. A. Lambert our accommodating mail carrier on the Coburn-Woodward route heretofore informs his many friends and patrons along the line that he will carry packages of almost all kinds and sizes at very reasonable rates.

Our friend W. H. B. Eisenhuth sent us a copy of the Jamestown (Dakota) Morning Alert. Judging from the general appearance of the paper we infer that the new western town with a historic name is a live, enterprising place—a second Millheim, probably, in the far West.

Wm. Miller's new smithy near D. A. Musser's foundry, is now complete and ready for business. Mr. Miller is one of the best and most skillful blacksmiths in this section, especially in agricultural implements and machinery.

Our staunch old democratic friend, Mr. George Shafer, of Madisonburg, made glad our poor heart the other day by bringing us two new subscribers with the cash for advance payments. At that rate he is welcome to come every day.

The first month of the winter term of the Grammar School closed Dec. 11, with an enrollment of males 15, females 23, total 38; and a total cent attendance of 81. The following pupils were present every day since admission: G. W. Harter, F. E. Gutelius, Chas. H. Held, John Kupp, J. C. Deininger, Frankie Deininger, Mary M. Lose, Mable Musser, and Ella Conter.

The school was visited and encouraged by Prof. D. M. Wolf, Rev. S. G. W. Herold; Directors Dr. D. H. Miagle, Messrs. A. Walter, S. D. Musser, Jacob Gephart, and several others. Patrons and friends of education are cordially invited to visit us. Patrons are respectfully urged to cooperate with the teacher in securing greater regularity of attendance.

TEACHER. St. Elmo Hotel, Nos. 317 & 319 ARCH ST., PHILADELPHIA.

RATES REDUCED TO \$2.00 PER DAY. The traveling public will still find at this Hotel the same liberal provision for their comfort. It is located in the immediate centres of business and places of amusement and the different Rail-Road depots, as well as all parts of the city, are easily accessible by Street Cars constantly passing the doors. It offers special inducements to those visiting the city for business or pleasure.

Your patronage respectfully solicited. Jos. M. Feger, Proprietor.

Prof. Kurzenkabe's convention is in full and successful operation. He now has a class of 65, which is on the increase and will probably reach 100 by the close of the convention. Here as elsewhere the Professor's well-known reputation always insures him the fullest success. He is assisted by his wife and his twin sons, who are all accomplished musicians.

The concert on Friday and Saturday evenings will be rare musical treats, consisting of selections from celebrated operas, accompanied and interspersed by orchestral music, and we hear that they will be largely patronized, not only by our own town and vicinity but also from more distant parts.

Mr. J. F. Everett, of the big Bee Hive store, Lock Haven, has just returned from the eastern cities with a large stock of dry goods, notions, and general merchandise for the holiday trade. The Bee Hive is one of the largest and all together the best store in this part of the state. One may travel a long distance before meeting another such excellent combination of complete assortment of all lines of staple and fancy dry goods and notions, low prices and clever, obliging salesmen. This together with a liberal and systematic policy of advertising is what makes the Bee Hive so widely known and deservedly popular.

REPORT OF NORTH STREET SCHOOL for month ending Nov. 28th, 1882 (This report could not be inserted last week.)

Number in attendance during month, males 31, females 23, total 60. Average attendance, males 26, females 24, total 50.

Per cent. of attendance, males 57, females 88, total 83.

The progress of the pupils has been fair thus far, while their deportment is better than at first. Parents should more generally require their children to stay at home in the evenings to prepare their lessons.

The school was visited by some of the directors as well as some citizens. There is much room for improvement throughout.

B. F. Edmunds, Teacher. DEDICATION.

December 31st, instant, Deo Volente, the chapel of the St. John's Evangelical Lutheran Church at Millheim, Pa., will be dedicated to the worship of Almighty God, with appropriate ceremonies. Rev. W. E. Fisher, of Centre Hall, will preach the dedicatory sermon in the morning at ten o'clock. Rev. S. Henry, of Millheim, will preach on Saturday evening previous, also on Sabbath morning.

JOHN TOMLINSON, Pastor. The Rockford Stockings, Rockford Stockings, Stockings, The Rockford Mittens, Rockford Mittens, Mittens.

Are the best, the best, the best. In the World, the World, the World.

No don't call us a gentleman and say "Stobber is geduldich" because we say so and have them to sell. Just try one pair of both or either and you will be convinced that the half has not been told.

It is not necessary to pick our words in mentioning the Philadelphia Times, the prospect of which journal appears in another column. The Times has got to be a sort of necessity with people of this community and it ought to be with many more. It has many imitators all over the land, but there is really nothing like The Times from Maine to California. We have persuaded ourselves at times that the reason the people like it so much is that it is constantly giving its readers juicy bites from the sunny side of the journalistic peach.

Another one of our older and well-known citizen has been called away from our midst by the cold hand of death. Mr. Levi Stover, of Aaronsburg, departed this life on Saturday evening the 9th inst. His life-work is done and he has gone to the better land, as we fondly hope and firmly believe. Mr. Stover was an industrious mechanic, a faithful, honest m. v. a peaceable, quiet citizen and a worthy member of the Lutheran church. After life's labor, joys and sorrows, may he rest in peace.

SPRING MILLS ITEMS. I. J. Grenoble is the boss grain dealer in town. W. F. Rearick is also looming up in the same line.

The new road is complete and speaks well for the contractors, Messrs. McCool & Grenoble.

The ice crop is a good one and people are busy gathering it in.

Mr. C. C. Cummings was here and we know somebody was glad to see him. Come again, Mr. C.

Quite a number of our people expect to go to Millheim on Christmas to refresh their weary bodies on your Lutheran waffles, chickens and oysters. Sam Patch has cause to know that your ladies will do, up "waffla" brown.

SAM PATCH. MARRIED.

On the 20th ult., at the residence of Isaac Raymon, by M. L. Rishel, Esq., Mr. Franklin Raymon to Miss Mary R. Smith, both of Gregg town, Pa.

On the 5th ult., by Rev. W. H. Groh, Mr. Jonathan Musser, of Haines township to Mrs. Marrieth Gillman, of Harris township.

DIED. On the 17th ult., at Boalsburg, Miss Minnie G. Condo, aged 13 years, 7 months and 15 days.

On the 21st ult., at Shingletown, Miss Mary E. Kuhn, aged 18 years and 22 days.

On the 25th ult., in Hartley township, Union county, Mr. Thomas McCurdy, aged 80 years, 3 months and 11 days.

On the 9th inst., at Aaronsburg, Mr. Levi Stover, aged 57 years, 6 months and 13 days.

THE ENTERTAINMENT by the Ladies of the Lutheran congregation here promises to be a big thing, judging from the extensive preparations that are being made and the information daily received of the number of people who expect to come and patronize it. We are authorized to state that a good dinner or supper, consisting of coffee (1) chicken (1!) and waffles (1!) will be served at 25 cents. Oysters, ice cream, candies and other delicacies at regular prices as elsewhere. No dead heads whatever. The members of the congregation as well as the cooks and waiters will all pay for what they eat. Measures are being made to preserve the strictest order and decorum. Proceeds for the purchase of a bell for the new church.

Read D. H. Lenker's advertisement in another column. Mr. Lenker is known as a most excellent mechanic as well as a fair and square man to deal with. If you need furniture of any kind you can do as well right at home as you can by going away. It is good policy to patronize home industry, if you can do as well as elsewhere, and that you surely can in this case.

News Miscellany. Diphtheria in its worst form prevails in many towns throughout the State, and in Philadelphia the increase of the disease is startling. Measures are being taken to prevent its spread and among other precautions, public funerals of those who die from its effect are forbidden.

President Arthur Warned of a Storm. WASHINGTON, Dec. 1.—The President has received a communication from Professor E. Stone Wiggins, LL. D., astronomer of the Canadian Finance Department under date of November 27, 1882, of which the following is a copy: "May it please your Excellency: On the 23d of September last I announced through the Canadian press that a great storm would occur in March next; that it would first be felt in the Northern Pacific; would appear in the Gulf of Mexico on the night of the 9th and being reflected by the Rocky mountains would cross this meridian from the west at noon of Sunday, March 11, 1883. No vessel, whatever her dimensions, will be safe out of harbor, and none of small tonnage can hope to survive the tidal wave and fury of this tempest. As the wind will blow from the southeast the planetary force will be sufficient to submerge the lowlands of the American coast, especially those bordering on the Gulf of Mexico and washed by the Gulf Stream, while the air currents for several hundred miles along the east side of the Rocky Mountain range, owing to the great atmospheric pressure in those regions, will spread universal destruction. The New England States will also suffer severely from the winds and floods. No point outside of harbor in the whole area of the Atlantic, especially north of the equator, will be a place of safety; for this will be pre eminent the greatest storm that has visited this continent since the days of our illustrious first President. In view of this event, therefore, I take the great liberty of representing to your Excellency the advisability of ordering all United States ships into safe harbors not later than the 5th of March, till this storm be passed."

PATENTS. Send a rough sketch or a model of your invention to GEORGE E. LEMON, Washington, D. C., and a Preliminary Examination will be made without charge, of all United States patents of the same class of inventions and you will be advised whether or not a patent can be obtained.

If you are advised that your invention is patentable, send \$20, to pay Government fee of \$15 and \$5 for drawings required by the Government. This is payable when application is made. When allowed, the attorney's fee (\$25) and the final Government fee (\$20) is payable. An attorney whose fee depends on his success in obtaining a Patent will not advise you that your invention is patentable, unless it really is, so far as his best judgment can determine; hence, you can rely on the advice given after a preliminary examination is held. GEORGE E. LEMON, and the REGISTRATION OF LABELS, TRADE MARKS, and RESISTERS SPECIALLY. CAUTIONS prepared and filed. Applications in review of REJECTED, ABANDONED, or FORGOTTEN CASES made. If you have undertaken to secure your own patent and failed, a skillful handling of the case may lead to success. Send me a written request addressed to the Commissioner of Patents that he recognize GEORGE E. LEMON, of Washington, D. C., as your attorney in the case, giving the title of the invention and about the date of your application. An examination and report will cost you nothing. Remember, this office has been in successful operation since 1865, and reference can be given to actual clients in a most every county in the U. S. Pamphlet relating to Patents free upon request.
