The Work of Reform.

No legislature has assembled since the adoption of the new constitution which has accomplished as much in the same space of time as the body now in session.

For the first time since the constitution of 1873 became the fundamental law of the state has any effort been made by the legislature to enforce by appropriate legislation the provisions of that instrument on the subject of discrimination in charges of carrying companies.

While the legislature is entitled to great credit for this work, and for the origination of some of it, to the suggestions of Governor Pattison's inaugural address and special message much of it is certainly due.

Miscellaneous.

Rev. A. S. Keyser, of Pottsville, was recently tried by a committee of ministers on the charge of breach of promise, found guilty and disposed of from his office.

The Ohio style of Treating Bribers.

COLUMBUS, March 12.—The motion for a new trial in the case of J. D. Watson, convicted of offering bribes to Representative Bloch, was overruled to-day and the accused was sentenced to the penitentiary for one year.

NASHVILLE, March 15.—The bill to settle the State debt at fifty cents on the dollar, with three per cent. interest, as it came from the House of representatives, to-day passed the Senate and awaits the Governor's signature.
