

LOCAL DEPARTMENT.

H. H. Tomlinson is off to New York. Seventy-two soldiers are buried in the Lewisburg Cemetery.

Col. Slifer, of Lewisburg, is down with a severe spell of sickness.

Barber Springer had a spell of sickness but we are glad to see him out again.

It is said that the potato bugs are just as voracious, unprincipled and mean as ever.

R. F. Vonada called on Monday bright and early. He reports business lively at Coburn.

Mr. Wm. Miller's condition is not improving. At the time of going to press he is very sick.

Senator Reyburn, of Philadelphia, bought a horse from Gabriel Stein, in Buffalo Valley, for \$500.

Dr. J. F. Harter & lady left for Altoona yesterday, where they expect to put in a few weeks visiting.

The June meeting of the Millheim Building & Loan Association takes place next Monday evening.

D. W. Zigler is putting a new front into his saddle shop which helps the looks of things very much.

Commencement exercises begin at New Berlin to-morrow and will continue until Wednesday evening the 13th.

Uncle Billy Crozer, of Millburg, is here again visiting friends. He makes his headquarters with Dr. Gutelius.

M. S. Fiedler bought the farm of George Harter, deceased, for the gross sum of \$12,000. It is one of the best farms in Penn township.

The Brush Valley Cornet Band paid Millheim a visit on Saturday and discoursed some excellent music. Come again, boys—come often.

Mr. B. F. Kister, of the Milton Economist, made us a short call on Tuesday. He reports matters brisk at Milton and the Economist flourishing.

A very large number of people were in town on Saturday. We did not see as many "rigs" here this long time. The beautiful weather helped to do it.

On Saturday J. W. Snook, H. M. Swartz and Wm. H. Smith bought the old Swartz farm adjoining town. It is big enough to give each a good sized slice.

The Lutheran Ladies' Mite Society have concluded to hold an ice cream festival on the afternoon and evening of July 4th. Posters giving particulars will be circulated in a few days.

Mr. J. W. Stover, executor of the late Philip Stover, deceased, will sell the personal effects of decedent at the residence of J. W. Snook, Millheim, on Saturday June 10th at 2 o'clock, P. M.

We learn through a private source that Mr. John Zeigler, residing near Jacksonville, and for many years a citizen of Haines township, departed this life on Tuesday. He was in failing health for some time.

R. F. Vonada, of Coburn, has the agency for the sale of first class iron and galvanized water pipes. Parties furnished with any desired size pipe, either plain iron or galvanized, at the most reasonable terms.

Elias Luse deserves a monument after his death, and we hope it will be a good one. He went to works of his own accord and at his own expense and made a good substantial gate at the cemetery entrance. Bravo.

The Millheim Marble works have just received a lot of fine monuments and headstones. Some of the later designs are very beautiful and yet moderate in price. The proprietors labor to serve their patrons with the best work and at the lowest prices.

We learn that memorial day was properly celebrated both at Ebersburg and Madisonburg, but as to the details of the solemn festivities we have not been informed, excepting that Rev. A. K. Zimmerman and Rev. W. M. Landis delivered very appropriate addresses.

On Monday Mrs. T. R. Stam left for West Union, Iowa, where her husband is engaged in business. She was accompanied by her mother, Mrs. D. A. Musser. Of course Mrs. Stam expects to stay, while Mrs. Musser will also visit other parts in the west before her return.

J. A. Limbert will carry express and freight goods from Coburn to any point along the route at the following rates: All packages weighing less than 100 pounds, to Millheim, 10 cts., to Aaronsburg, 15 cts., to Woodward, 25 cts. For packages weighing over 100 pounds a proportionate charge will be made.

Millburg had a bad fire scare the other Friday, and the Telegraph thinks just made a close escape from a general conflagration. Brother Schoch reads the council a well-deserved lecture for allowing blacksmith shops to be built in alleys close by stables and sheds, for it was from the sparks of such a shop that the fire originated.

CLOSING OUT AT COST.—Dry Goods, Boots & Shoes, Hats, Carpets, Notions, Hardware, Canned Fruit, Stone Crocker, Lubricating Oil, and a large variety of general merchandise, all at closing out prices. Come and get big bargains. Produce taken in exchange. J. W. STAM

The other day John S. Fisher brought a very fine Tinker carriage to town. It is a beauty in style and make and rides very easy. Persons in need of any thing in that line, whether carriage, buggy, sulky or spring wagon, will do well to call at Mr. Fisher's establishment, one mile west of Ebersburg, and examine his work.

The Logansville correspondent of the Clinton Democrat of last week says:

Prof. James Bright, of Baltimore, arrived at this place on Sunday to spend a few days with his mother, Mrs. L. Conser, before departing for Europe.

Prof. Bright, is a native Aaronsburg boy, a son of Samuel Bright, deceased, and brother to Dr. John W. Bright, of Ebersburg.

NOTICE TO FARMERS.—We wish to inform the farmers of Penn's and adjoining valleys that we are prepared to repair all kinds of farm machinery, such as Reapers, Mowers, &c., on short notice. Having competent workmen in our employ we feel confident of giving entire satisfaction to those who will entrust their work to us.

S. K. SANKEY & CO., Foot's old stand, MILLHEIM, PA.

A number of our citizens had their houses and business places beautifully decorated with flags on memorial day, but landlord Frain, of the National Hotel, took the premium in that line. The entire front of the National was richly and tastefully decked with flags and festoons of evergreen, and in the evening it was beautifully illuminated with a profusion of Chinese lanterns. Crowds of people lined the street to admire the truly fine sight.

On Monday Abs. Harter, G. W. Harter and A. R. Alexander and wife left on a tour to Virginia. Their business is to "spy out the land." Abs expects to make his expenses by auctioneering sales, Read thinks of teaching singing while on the juvenile darkies down there, Mrs. Reed is to do the cooking and dish washing for her share, and Wash—well he is so little and will likely slip through at half price. Good luck to the party.

ADVICE TO MOTHERS. Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of Mrs. Winslow's Sorely Suffering Child's Teething Tablets. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhea, regulates the stomach and bowels, cures wind colic, softens the stools, reduces inflammation, and gives tone and energy to the whole system. Mrs. Winslow's Sorely Suffering Child's Teething Tablets are pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle.

On Tuesday and Wednesday evenings Dr. W. O. Perkins took charge of the final rehearsals of the Meyer Philharmonic Society at Aaronsburg, for the great Jubilee at Selinsgrove, next week. The large audiences very much admired the Doctor's successful and unexcelled manner of conducting a class of singers. He complimented the society as being the best drilled and prepared class he has yet found on his tour of inspection. This of course is mainly due to the hard and faithful work of their able conductor, Prof. Wm. T. Meyer under whose instructions our singers could not help but learn the many difficult choruses well and acquit themselves creditably.

NO CANDIDATE.—As will be seen by the card below Major Fisher declines being the candidate for Associate Judge, much to the regret of his many friends here:

Penn Hall, June 2, 1883. Editors Journal:—

My name having been suggested in a communication to your paper of last week for the office of Associate Judge, I desire to say to my friends that they have my heartfelt thanks for their good wishes, but that my business engagements are such that I could not accept the position in justice to myself, even if voluntarily tendered by my fellow citizens.

Very Respectfully, J. B. FISHER.

St. Elmo Hotel, Nos. 317 & 319 ARCH ST., PHILADELPHIA.

RATES REDUCED TO \$2.00 PER DAY.

The traveling public will still find at this hotel the same liberal provision for their comfort. It is located in the immediate center of business and places of amusement and the different Rail-Road depots, as well as all parts of the city, are easily accessible by Street Cars constantly passing the doors. It offers special inducements to those visiting the city for business or pleasure.

Your patronage respectfully solicited. Jos. M. Feger, Proprietor.

Millheim had a very creditable impromptu decoration on Memorial day. It was all gotten up on the day without previous notice or arrangement of any kind. At seven o'clock in the evening a large number of people, headed by the Cornet Band proceeded to the cemetery. The Land played one of its beautiful plaintive marches, during which the graves of the two departed soldiers—Solomon Ritter and Charles H. Held—were profusely strewn with flowers. Able and impressive addresses were delivered by Rev. J. G. W. Herald and Rev. B. Hongst. The speeches were full of love for the cause for which our patriot dead fought and suffered, full of tender sympathies for the surviving families of the departed soldiers, and full of instruction to the young of the present day, who enjoy the full measure of liberty for which others have bled and died.

The addresses were of a high order, and when the people dispersed they took with them some solemn thoughts and impressions.

THE GREAT MUSICAL JUBILEE AT SELINSGROVE.—All the arrangements for the grand Musical Jubilee to be held at Selinsgrove, June 12th, 13th, 14th, & 15th, are now completed. A Chorus of six hundred voices has been organized, with fair prospects of swelling the number to eight hundred, under the eminent leadership of Dr. W. O. Perkins of New York.—The following special Artists have been engaged: Prof. Walter Emerson, the Prince of Cornetists, will be present on Tuesday and Wednesday, day and evening. Prof. Distin of Philadelphia, formerly of London, England, will be in attendance on Thursday and will astonish the audience with his Cornet with seven Altos, playing the four parts at one and the same time. Helen E. H. Carter, Mrs. Knowles, and Mrs. Fenderson, leading Soprano and Alto Artists, present all week. Mrs. Sheppard of Boston, and Prof. W. T. Meyer, will preside over two Kaube Concert Grand Pianos.

Wednesday has been selected as Band Day, and already 22 Bands have notified the Committee of their intention to be present.

SPRING MILL ITEMS.

Decoration Day was a success here. The Veteran Club assisted by the Sunday Schools decorated in Georges Valley in the early morning, at Spring Mills in the forenoon and at Union in the afternoon. Prof. Kise spoke at Georges Valley, Prof. Wolfe at Spring Mills and Rev. B. Hongst at Union. All the addresses were of a high order.

The quarterly meeting on Sunday was interesting, and we trust not without profit. Presiding Elder McGarrath preached one of his able and characteristic sermons on Sunday morning. The children's meeting in the afternoon was a grand success. Addresses were delivered by Jacob Solt of Centre Hall, R. B. Hartman, of Millheim, and Rev. McGarrath, who all spoke of the good work accomplished by the Sunday School.

Summer came here on Monday. Jas. McClintic is going to build a new house here this summer.

What are the people going to do about celebrating the Glorious Fourth? It is about time to stir.

MISCELLANEOUS.

Ninety-three thousand acres of land were planted with timber in Kansas last year.

Memorialday seems to have been very generally observed throughout the entire country.

A lawful ton of coal, as decided by the United States Circuit Court, at Philadelphia, should weigh 2,240 pounds.

Gov. Curtin delivered his celebrated lecture on Russia at Tyrone on Monday evening last for the benefit of the Friendship Hook and Ladder Company of that place.

Mr. Gabriel Huntington of White Deer Twp., Union county, aged, 87 years, took his first ride on the cars on Tuesday of last week, when he boarded the train at Lewisburg for Millmont. He seems to be a jolly old lark and is, apparently, healthy.

The collection of United States revenue for the Ninth district, the main office of which is at Lancaster, for the month of May, was the largest ever known, amounting to \$175,921.77, of which \$152,318.69 was for cigars alone. This amount of tax represents the manufacture of over 50,000,000 cigars.

The miners' strike around Belleville, Illinois, continued in riot and bloodshed last week. The miners' wives and daughters to the number of about three hundred kept possession of the mines and prevented work to go on. Governor Hamilton ordered three companies of militia to the scene of the troubles.

At Renicke, a small station on the Louisville and Nashville R. R., the train stopped and Deputy Sheriff Anthony addressed the strikers from the platform of a car, and while so doing was shot at several times by the rioters who occupied a hill near by. Col. Barkley then ordered the soldiers to fire into the mob which they did with deadly effect. One man was killed and several severely wounded. The rioters dispersed and twenty-six of them were arrested and held over. The military has left but twenty deputy sheriffs are now on guard.

Murdered Near Jersey Shore.

WILLIAMSPORT, May 27.—Samuel Cook, colored, living near Jersey Shore, was brought here this evening and lodged in jail, a Coroner's jury having pronounced him guilty of murdering Samuel Hauker on Friday last. Hauker was in Cook's employ. The dead man had apparently committed suicide by hanging, but the inquest revealed other reasons.

Driving Prisoners Crazy by Cruelty.

DENVER, May 28.—The penitentiary investigating committee created by the last Legislature has filed its report. The system of punishment is shown to be extremely cruel, in some cases resulting in insanity. The hose bath has been the favorite method of punishment. Victims are tied to a post and a stream of cold water from a half-inch nozzle at fifty pounds' pressure thrown in their faces for half an hour at a time, with only short intermissions to prevent their becoming insensible.

One of the Novelties of Texas Life.

Tuesday morning a man evidently a stranger in this part of the country, entered a saloon on Main street, threw down an American dollar and called for a drink. The bar-keeper waited on him and handed back a Mexican dollar. The man looked first at the dollar then at the bar-keeper, then in a tone of surprise he asked: "Is this all right stranger?" The bar-keeper answered in the affirmative. The man gazed around in point-blank astonishment. "Is that the way you do business in this country?" he asked. Again he was answered in the affirmative. "Stranger," said the man, "I'm going to stay here. I've been hunting for this town, for these many years. This is the first place I ever saw where a man could swap dollars and get a drink to boot. I'm going to send for my family and all my brothers."
