

LOCAL DEPARTMENT.

The boys are casting hungry looks at the ripening cherries.

Come to Millheim on the Fourth and have a good time.

Landlord Frain is already fixing up for the "Glorious Fourth."

The hay season is at hand and the crop is a most excellent one.

Miss Marian Cotner, of Milroy, is visiting at Post Master Muserssers.

Prof. W. G. Morrison, of Port Matilda was in town these last few days.

A big pile of shingles in front of the M. E. Church indicates that repairs are in contemplation.

Mr. Adam Heckman and lady, of Nittany Valley, visited at Mr. Jacob Sankey's over Sunday.

Dr. John F. Harter and family have returned from their visit to Altoona, in good health and spirits.

DON'T FORGET TO VISIT THE LADIES' ICE CREAM FESTIVAL WHEN YOU COME TO MILLHEIM ON THE FOURTH.

The grain is fast ripening for the harvest and the clatter of the reaper will soon make the principal music in the valley.

An Evangelical camp meeting will be held in Gephart's woods north of Millheim, beginning Thursday, August 23rd.

Landlord Frain's new gong makes a fearful noise—enough to call the whole town to dinner. But that is just what it's for.

An interesting letter from our friend John C. Motz, Esq., written from Council Bluffs, Iowa, came too late for insertion this week.

A neat and substantial iron fence is being built around the Lutheran church. John Royer makes it and Yoney Harter bosses the job.

CLERK WANTED.—A clerk of some experience wanted immediately. Apply to H. H. TOMLINSON.

The prospects are good for an excellent crop of fruit especially apples. This is good news for the people as most of them are out of "Latecrop" this long time.

ANNOUNCEMENT.—We are authorized to announce that Dr. J. R. Smith, of Ferguson township is a candidate for the office of Associate Judge subject to the rules of the party.

We call attention to the professional card of Mr. H. B. Hering, of Penn Hall, in another column. Horace is one of our rising young men, and a very expert in surveying.

Dr. P. T. Muser, Administrator of the estate of the late John D. Foote, will sell the real property of said estate, consisting of five dwelling houses and machine shop in Millheim, August 10th next.

The grand old Fourth of July comes on Wednesday of next week. It is the printer's short summer vacation and no paper will be issued from this office. This is the old, time-honored custom.

A few coats of paint on Squire Will's residence brought it bright and fresh like new. It would have precisely the same effect on about twenty other weather beaten houses in town. Just try it.

Mr. Mark Halfpenny, who lately started a foundry at Millmont for the manufacture of engines and other machinery, is said to have enough orders ahead to keep his establishment busy for some months to come.

We regret that Dr. Smith of Pine Grove Mills did not find us at home when he called to see us last week. The doctor is a candidate for Associate Judge and is well spoken of as a proper man for the place.

ACCIDENT.—On Monday Jerome Hooyer, one of the workmen on S. K. Sankey & Co's saw mill was pretty badly hurt about the right ear by a slab that tilted and hit him. The wound is not considered dangerous.

R. F. VONADA, of Coburn, has the agency for the sale of first class iron, and galvanized water pipes. Parties furnished with any desired size pipe either plain iron or galvanized, at the most reasonable terms.

The man who never patronizes a barber shop except when he wants his hair cut, generally attends to that duty on Saturday afternoon, and while the barber carves his long locks a dozen weary customers sit around and think mean things.—Ez.

A new postal schedule for Millheim, Coburn, and the Woodward, Lock Haven and Howard routes is to go into effect July 1st, but no one seems to know exactly how and what it will be. Hope it may prove satisfactory to all concerned.

On Monday Sheriff Dunkle was in town bobbing around with words and papers, seeing this man, that man and the other man, on little business matters. 'Tis a way sheriffs have, but Thomas is a real good clever fellow in spite of his ugly papers.

FIRST-CLASS ICE CREAM on the 4th of July at the festival on Penn Street!

A little daughter of Mr. Dennis Lose while crossing the street on Sunday evening last, was run over by a spring wagon. She was awfully scared but fortunately not seriously hurt.

The JOURNAL office is prepared to do all kinds of job work as good as the best and as cheap as the cheapest.

Next week however we ask to be excused from doing anything in that line. It is our established rule which we do not violate for friend or foe.

Mr. Isaac Behm, one of our few remaining aged fathers, residing at Pine Creek, made us a call last week. He is now in his eighty-first year and was in feeble health for some time but is now much better again. It is over a year since he last visited Millheim.

CLOSING OUT AT COST.—Dry Goods, Boots & Shoes, Hats, Carpets, Notions, Hardware, Canned Fruit, Stone Crockery, Lubricating Oil, and a large variety of general merchandise, all at closing out prices. Come and get big bargains. Produce taken in exchange.

We are requested to announce as one of the attracting features of the Fourth of July celebration in Millheim, GLASS BALL SHOOTING, to take place between 9 & 10 o'clock, A. M., and 3 & 4 o'clock, P. M., in front of the First National Hotel, under the management of S. K. Sober, one of the best marksmen in the State.

J. A. LIMBERT will carry express and freight goods from Coburn to any point along the route at the following rates: All packages weighing less than 100 pounds, to Millheim, 10 cts., to Aaronburg, 15 cts., to Woodward, 25 cts. For packages weighing over 100 pounds a proportionate charge will be made.

STRAYED OR STOLEN, from the residence of the subscriber in Aaronburg, on the 31st of May last, a dark red cow, with a little white along the belly and from rump to tail, medium size, heavy set and short legged, and heavy with calf at the time. Any information that leads to the recovery of the cow will be liberally rewarded by CHARLES C. BELL.

FATAL OCCASION.—On Friday at a barn raising for Wm. Shrack, on Sugar Valley mountain, a man named Joseph Radabach met his death by a sad accident. A piece of timber had been raised up pretty high, but the men in some way lost control of it and it fell back for them, striking Radabach so severely on the head that his skull was crushed and causing other severe injuries. He died on Saturday morning in great suffering, leaving a wife and large family of children.

On Friday last constables Kline and Huber arrested a young man named Turner, at the residence of Mr. James McClintic in Gregg township, upon a telegram received from the city marshal of Chicago. The telegram said "arrest and search him for \$3000 in money and watches. The fellow was taken by surprise and easily caught. Of course he could not give bail and was lodged in the county jail. He had been in this section before.

We direct attention to the mammoth advertisement of Bunnell & Aikens' Music Store, Bellefonte, Pa. Their establishment is a full-grown concern and they keep everything in the line of musical instruments—from the grand Chickering Piano and Estey Organ down to the boy's Jew's Harp, as well as a full line of sewing machines. They are active and enterprising business men who understand their line of trade thoroughly. Bunnell & Aikens' is a good place to go.

The Evangelical Church at Woodward has recently undergone a thorough repairing, neatly papered and painted inside and outside, and is now ready for re-opening, to which important occasion we would cordially invite our friends and the public in general on Saturday evening and Sunday morning July 1st, at 10 o'clock. The Rev. Geo. W. Curria will officiate, and a rich feast of good things may be expected. BENJ. HENOST, Preacher in charge.

HELP NEEDED.—Our contractor, Mr. H. K. Luse, has commenced work on the new JOURNAL building. To the town this means an important improvement, but to us it means work and expense. All who ever did any building know just how that is. It is money every day, money all the time from beginning to end. Yet we expect to get along smoothly enough if our patrons come to our help as they should. We don't mean that they should leave their own work and come to haul our lumber, build our walls or carry our "murt"—that would be asking too much. But we have quite a respectable amount outstanding, all in small sums, and it would come ever so handy if we had a majority of those little accounts in our pocket, just now.

Friends, we do not often dun you for money—about twice a year on an average—and would prefer if even that were unnecessary. But some people are so slow and thoughtless about paying the printer that a gentle reminder is sometimes unavoidable. So please bethink yourself whether you owe us anything, either on subscription or job work, and if so you would place us under many obligations by calling at our headquarters one of these days. You understand exactly what we mean. 26

CARD.—The subscriber would hereby return his hearty thanks to his neighbors and friends for the sympathy and kindness manifested and the help extended during the recent severe sickness of his wife, who is now convalescing. Especially would he express his profound gratitude and obligations to his faithful family physician, Dr. Geo. L. Lee. JOHN S. HOY.

Brush Valley, June 25th, 1883.

The subscriber respectfully informs the public that he has obtained the SOLE AGENCY of the popular PERRY SPRING TOOTH HARROW for the county of Centre. This harrow is pronounced the best in the market and no farmer should be without one. I have sold eighty-two of these harrows since March 22nd and will receive another carload in a few days, which I will sell at the most reasonable prices.

Address ABS. HARTER, Millheim, Pa.

THE GLORIOUS FOURTH will be celebrated in Millheim in a style worthy of the grand, historic day. The prominent features of the festivities will be two Montgolfier Balloon Ascensions at 1 o'clock, P. M., and at nine o'clock, P. M., after which a grand display of fire works, such as never before witnessed here, will take place. The First National hotel will be profusely decorated with evergreen, and flags, and brilliantly illuminated in the evening with Chinese lights. A handsome double arch will be erected over the street. Address by Rev. Benj. Hengst. Invitations have been extended the Millheim Lodge No. 955, I. O. O. F., to the surviving comrades of the 40th Regt. P. V., to members of the G. A. R., and to the Millheim and Brush Valley Cornet Bands. All these societies and lodges are expected to be present and form in a grand parade to take place after the afternoon balloon ascension. The people of this part of Centre county are most cordially invited to come and join in a Grand Celebration of the Glorious Old Fourth.

Miscellaneous. Sunbury wants the musical jubilee next year. The next state fair will be held in Philadelphia. Another of the Dukes Jurors has recently been clubbed. Oscar Foust, Esq., of Watsontown, has been appointed United States Consul to Venezuela, South America. Archbishop Wood, of the Catholic church, died at his home in Philadelphia on Wednesday the 20th instant. Thirty murders are to be tried at the present term of the county court at Llano, Texas. State troops are guarding the court officers. On the Truesdell farm, in Elgin, Erie county, an apple tree which was planted on the day of Perry's battle on Lake Erie, in the September, 1812, is now ten feet in circumference. It bears fruit every year. No danger of starving this year. Kansas farmers still hold over 5,000,000 bushels of old wheat, and Illinois has about 8,000,000 gallons of old rye on hand. Singular, isn't it, how differently different states measure their grain? The 4th of July will be one grand hurrah in Sunbury. The committee have raised enough funds to have an old time celebration, and have set their invitations to a dozen fire companies to participate. The boat race promises to be one grand success, and the town will be packed with people as never before perhaps. Falling Two Thousand Feet. FAYETTE, Mo., June 20.—E. L. Stewart, the aeronaut, made an ascension here on Monday in an old hot-air balloon, which burst when it had attained the height of two thousand feet. The balloon and aeronaut came down with a rush and both plunged into the Boune Femme creek and at once disappeared. Stewart's body was recovered. An exchange makes this practical suggestion for business men: "In all towns where a newspaper is published, every business man ought to advertise in it, even if it is nothing more than a card stating his name and the kind of business he is engaged in. It helps sustain a paper, and lets the people out at a distance know that the town is full of business men. The paper finds its way into thousands of places where handbills cannot reach. A card in a paper is a traveling sign-board, and can be seen by every reader. Think of these things and let your light shine."
