Is Blaine Out of the Race?

From the Pittsburg Post. There seems to be the best of authority that Mr. Blaine has taken himself out of the race for the presidential nomination. He does not pretend, nor do his intimates for him, that his ambition to be president has been quenched. The reason for not seeking the nomination grows out of his conception of the republican prospects. Mr. Blaine believes the republican party must go next year. It is under such circumstances Mr. Arthur is having matters pretty much his own way. His fences, under the care of the office holding brigade, are in prime condi-

Taggart and Powell.

From the Willi amsport Sun and Banner (dem.) Joseph Po well, of Bradford county, has a relative strength that will secure him in Northern Pennsylvania thousands of votes from the opposition ranks. He is a business man of the highest type; honorable, courteous and reliable. A democrat, whose identification with public matters in congress and as an adviser, place him among the few whose service entitle him to recognition. Although in a district that gave five thousand republican majority, Mr. Powell was elected to congress, and discharged his duties in a way that reflected the highest credit. It is such men that build up and strengthen organizations, and the more we have of that character the better. Robert Taggart, of Warren, is also one of the people. A man of character and of fair abilities.

Governor Pattison on the Ticket.

Governor Pattison was interviewed on the ticket by a Times reporter the other day.

He spoke in the highest terms of the Democratic nominees, Taggart and Powell, whom he knows personally, as being the representatives of the people in the best sense of the word. He felt ALLEGHENY ST., BELLEFONTE, PA. certain of the success of the ticket, and declared that the result in Pennsylvaeach day of examination.
