DEMOCRATIC STATE TICKET. FOR AUDITOR GENERAL. COL. ROBERT TAGGART, OF WARREN COUNTY.

FOR STATE TREASURER. HON JOSEPH POWELL, OF BRADFORD COUNTY.

DEMOCRATIC COUNTY TICKET

FOR DISTRICT ATTORNEY, W. C. Heinle, OF BELLEFONTE. FOR ASSOCIATE JUDGE, Dr. J. R. Smith, OF FERGUSON TOWNSHIP FOR COUNTY SURVEYOR, Ellis L. Orvis, OF BELLEFONTE.

DEMOCRATS, TO THE POLLS!

The election takes place next Tuesday and every Democrat should well consider its great importance. The state officers to be elected are Auditor General and State Treasurer, the county officers Associate Judge, District Attorney and County Surveyor. The candidates placed in nomination by the Democracy both of state and county for these several positions are all men eminently fit and they deserve the united support of the party. Better and purer men than Capt. Taggart, for Auditor General and Hon. Joseph Powell, for State Treasurer, were never placed before the people for their suffrages, while Dr. Smith, for Associate Judge, W. C. Heinle, for District Attorney and Ellis L. Orvis, for County Sarveyor, are all worthy men and possess qualifications of a high order for the respective offices for which they are candidates.

But it is not for mere personal reasons that the election is important far more than usual. The question is not only who shall enjoy the benefits of office. Great principles of government, great questions that involve the welfare of the state and nation will be passed upon by the voters of this great commonwealth next Tuesday.

First as to the disposition of the surplus funds in the state treasury. The Humes law, a democratic measure, provides that the public monies shall be nivested in United States or state securities, so that the interest may acerue to the benefit of the people. But

Secondly as to the unconstitutional and revolutionary course of the Republicans in the state senate. The refusal of these men to apportion the state into congressional, senatorial and legislative districts, as they 'are bound and sworn to do, has already cost the state nearly half a million dollars and the end is not yet. If the Democrats had but a single majority in the senate this vast sum would have been saved to the people. Democrats, repudiate these bosses who daily violate the constitution and their oaths of office and trample your sacred rights into the dust

with impunity. And lastly, the election next Tuesday is but the skirmish to the great impending battle of 1884. If Pennsylvania but follows the noble example of Ohio, the Presidential election of next year will be virtually decided in advance, in favor of the Democratic candidates, this year.

To the polls, then, Democrats ! Let neither work nor business keep you away. Come early and vote early, and see to it that your neighbor comes too. Give the whole day to the good of the country. A grand, glorious victory is just ahead if you but do your duty. The good work begun a year ago must ed. be completed.

TO THE POLLS, DEMOCRATS! ONE AND ALL.

ATTORNEY GENERAL CASSIDAY has taken legal steps to bring . the commissioners of the sinking fund into court and compel them to obey the Humes law in relation to the investment of state monies. The people will strongly endorse the action of our able and fearless Attorney General.

Ohio politicians of the republican persuasion are coming down tike a flood upon President Arthur, since their recent defeat. They want office, place, position, spoils, these modest Ohio statesmen, and poor Arthur is expected to take care of them all.

THE democratic victory in Ohio was greater than at first appeared. Hoadley's plurality over Foraker is 12,529, and he has a majority over all other candidates of 1,383. This is the first time in thirty years that the democrats have had a clear majority of the whole vote of the state.

A Cordial Reception Everywhere.

"There sit the next auditor general and next state treasurer talking to Senator Hall," said a gentleman to a PA-TRIOT reporter in the Bolton house lobby yesterday. He pointed to Captain Taggart and Mr. Powell as he spoke. and added : "You have no idea of the cordial reception those gentlemen meet with everywhere over the state. I have tested the general sentiment, and ind it is with them very strong. Captain Taggart and Mr. Powell were at Lewistown last evening .- Patriot, Oct. 24th ult.

CAMERON STILL THE ISSUE.

Why the Republicans of the Legislature Refuse Democratic Apportionments.

From Lieut. Goy. Black's Speech at York, Oct.

22nd ult. It is said by the Republican leaders that Mr. Cameron is not in this contest, that the boss has been banished and his slaves emancipated. But whose order is it that paralyzes the Constitution of this free Commonwealth? By whose mandate and in whose interest do thirty Senators refuse to apportion the State and decline even to confer with the nearer representatives of the people? The truth is Mr. Cameron is himself the main issue involved in this struggle at Harrisburg, and if you sustain his Senatorial body guard by your ballots you will insure his return to the United States Senate, the sole object of their contumacy. The boss banished? Banished when his personal interests are placed above the right of nearly five millions

feres with the old management of the Treasury is treated with mere-contempt in flagrant violation of the statute, great treasury balances still lie at usury for the benefit of the pampered favorites of the ring! Ah, no! The boss will go only when the Federalist-Repablican party has gone; when you have wrested the State Treasury from his grasp; when next fall you drive his majority from the State Senate; when you elect a Democratic President, who, like Thomas Jefferson, the first Democratic President, will concur in the abolition of the needless internal rev-

of people to just representation! Ban-

ished when even the law which inter-

pointed by the boss, maintain the ADVICE TO MOTHERS. Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of Mrs. Winslow's Soothing

A MOTHER'S LOVE.

A Practical Illustration of its Power.

A Mothers Love! What a potent thing it is! It will melt the heart of the most hardened criminal when no other influence would be effectual None but a mother knows its full meaning, but every one can appreciate it if they will. It is known, though, that it means sleepless nights, care, inconvenience, and if necessary, want. hardships and death. But the subject has been too eloquently treated by the sweetest poets and the ablest writers to furnish an essay for these columns. Too many practical illustrations occur in every day life for it to be dwelt upon, so that it is unnecessary to speak of the subject further in order to make the reader understand the full meaning of what is to follow.

Mrs. Henry Schnalen, of Ashland, Ky., writes that her daughter has been cured of deafness which resulted from chronic catarrh. She tells how she had lost all hope of her daughter (her ideal) being cured, and how overjoyed she is at the result. After trying many remedies she says Peruna brought a cure and that the daughter's hearing is restored. She concludes by speaking in the most flattering terms of Peruna, and then describes in the most lovely manner the happiness it has brought her, and reviews the distress she experienced while her daughter was afflict-
