Curtin for a printed copy of his able address, delivered in the house of Representatives, on Feb. 1st inst., in the case of Fitz-John Porter. -Splendid live stock and good farming implements will be sold at public sale by G. W. Harter on his premises near Millheim on Thursday, March 13th 1884. See Bills. -Washington's Birthday to-morrow—next holiday will be Easter, and it ought to be a green one according to the old adage "White Christmas—Green Easter." -Our friend, W. J. Springer, is busy as a beaver repairing and remodeling Tomlinson's former branch store into an oyster saloon and barber shop combined. Next?

-Mr. Thom. Kister of Milton was in town a few days and gave the JOURNAL an inspecting call. Repeat your pleasant visits, brother "Typo."

-Mrs. A. J. Harter left on Monday for her home at Hartleton. She expects to attend the dedication services of Ray's church, at Buffalo X Roads, Union county, next Sunday.

-H. W. Kreamer's sale of personal property comes off, Tuesday March 11th. He has a splendid assortment of farming implements and most excellent live stock. Henry's sale should be a good one.

-Mr. David Ruhl, of Hartleton, Union county, was up last week visiting his sister Mrs. A. J. Harter and looking up local agents for a new washing machine, for which he has the sole agency in Centre and Union counties.

-If you need anything in the line of School or Blank Books, Bibles, Sunday School Cards, Paper and Envelopes, bear in mind that the Journal Store on Penn street is the place to buy those things. Give us a call.

-The public sale of the personal property of Dr. Hillbush, late of Rebersburg, deceased, will take place on the 11th of March. Doctors and Druggists will find it to their interest to attend this sale.

-The local elections which took place in town on Tuesday were well attended and had different effects on the different candidates, some of them displaying wry faces. Well, if all were elected there wouldn't be much spice in it.

-Mr. J. Willis Musser has bought out the stage route from Woodward to Millheim, but also goes to Coburn every morning. He carries express and other goods from all points along the line at very moderate charges, and continues the calf and poultry business.

-Mr. E. W. Mauck showed us some very fine samples of wall paper. Edward has a large line of samples on hand and at the lowest prices. Parties who contemplate having work of this kind done will do well to call on him and examine his stock.

-On Friday March 21st, H. A. Minnie's executor's sale of the personal property of George Bollinger's estate at Aaronsburg will take place. A very large lot of partly finished material for chairmaking will be sold, beside a lot of household goods.

-Gov. Curtin has introduced a bill into the House providing that any person who was disabled during the late war and who was furnished with an artificial limb by the war department, since 1870, shall be entitled to receive a new limb every three years thereafter.—Watchman.

-H. H. Tomlinson engaged the services of L. Frank, of Rebersburg, as clerk in his general store. Mr. Frank is a very pleasant and efficient salesman and with a corps of such clerks as the two Frank men in the big store and a wiser man in the grocery he can't help but sell his goods as fast as he can get them from the city.

-On Saturday we had a pleasant call from Mr. D. I. Fiedler and Mr. Samuel Zeigler, both of Miles township. They informed us of their removal to Carthage, Jasper Co., Missouri on Tuesday last and ordered the JOURNAL to be sent to them. Wish you a pleasant journey, gentlemen, and good luck in the western land.

-Our neighbor, Mr. F. D. Luse is agent for the Miller organ and has already received several instruments from the manufacturers. We have on his request tried some of his organs and can heartily recommend them to purchasers as a first-class instrument in tone as well as finish.

-We call the attention of farmers and stock raisers to the Climax Gate, for which Mr. Wm. Stover and Mr. John Kerstetter, Jr., of this place are the agents. For handiness, durability and cheapness it excels anything we ever saw in the gate line. If you are in need of a new gate call on those gentlemen.

-Sudden Death.—On Wednesday evening of last week Mr. Levi Reeder of George's Valley was missed in his family and search was at once made for him. He was found lying near a straw stack in his barn yard with life extinct. A physician was called who pronounced it a case of heart disease and apoplexy. Such is life—verily there is but a step between us and the grave, therefore "be ye ready!"

-There will be a meeting of the teachers of Centre county, in the public school house in Bellefonte, on Saturday, March 1st at 10.30, A. M., for the purpose of organizing a teacher's association for mutual benefit. An organization of this kind is highly recommendable and teachers ought to avail themselves of this opportunity to meet their colleagues occasionally to spend a few entertaining and instructive hours in the exchange of new ideas and advisory opinions. The educational interests deserve all the attention that can possibly be given them and the teachers are the persons that should always take hold of anything that may further the matter of education.

-The weather for the last week was mild and rainy, until yesterday, when it blew up cold and stormy with several snow squalls. The rugged roads are frozen which makes traveling very unpleasant.

-James C. Smith, administrator of John Smith, deceased, will make sale of the valuable personal property of the decedent, Thursday, February 28th. The list embraces a large amount and variety of household goods, grain, lumber, provision, &c. In fact it will be a chance to buy almost anything.

-Look out for Wm. Mauck & Son's new mammoth sign. They are bound to let the people know that they do business on the first and second floor and that their stock in the furniture and wall paper line is the complete ever display and offered for sale in this vicinity. Give them a call, you can easily find them after that sign is up.

-A splendid chandelier for the audience chamber valued at \$117 was donated to the St. John's Ev. Luth. Church at this place, by Mrs. Margaret Stover. She has the sincere and heartfelt thanks of that congregation as well as their prayers for the richest blessings of the Lord as a reward for her kind and generous gift.

-Do not forget to attend the entertainment of the Literary Society to-morrow evening, it promises to be a splendid treat. The proceeds are to be used for the purchase of library books for the U. B. Sunday School and the public ought to by all means patronize an enterprise of this kind.

-Mr. Jacob Dutwiler, whose large farm is located along the turnpike about 1 mile south of Millheim, will make sale of his live stock, farming implements and household goods on Wednesday, March 19th, 1884. He expects to move to Jewel county, Kansas, soon after the sale.

John is really an expert at the business and has large experience, both in making out plans, specifications and drawings, as well as a practical workman. People who entrust their work into his hands can safely rely on having it done in best style at the lowest prices.

TURNPIKE ELECTION.—Take notice, that an election will be held by the stockholders of the Bellefonte, Aaronsburg and Youngman's town Turnpike Company, on TUESDAY MARCH 11th, 1884, at Hosterman's Hotel in Woodward, Centre Co., between the hours of 10 A. TAKE NOTICE.—Mr. H. K. Luse hereby respectfully informs the public that he has a large lot of seed potatoes known as the "White Elephant Potato" for sale at his residence at Millheim. We are in possession of a basket full of these potatoes and can give them a warm recommendation as the best yielding potato in the market. If you are in need of any seed potatoes do not fail to call on him.

GRAND LITERARY ENTERTAINMENT.—The Millheim Literary Society will hold an entertainment in the Town Hall, Millheim, on Friday Evening February 22. Kreamer and Mr. W. T. Auman. The Millheim Cornet Band will be present and discourse some of their best music. Come one, come all. Admission 10 cents, children 5 cents. COMMITTEE.

-On Monday evening a number of our citizens met in the Grammar school room for the purpose of organizing a Young Men's Christian Association. The meeting was opened with devotional exercises conducted by Rev. B. Hengst, after which the constitution of Y. M. C. A. was read and adopted. An organization was then effected by the election of the following officers for the term of six months: President—Rev. J. G. W. Herald; Vice President—A. J. Harter; Secretary—D. L. Zerby; Treasurer—D. A. Messer.

-There was a fair attendance and all present were well pleased with the good feeling which prevailed throughout the evening and felt encouraged at the prospect of making this a beneficial and successful organization. The association starts with a membership of twelve and a promising outlook of a speedy increase in numbers. On Sunday, Feb. 24th, Y. M. C. A. services will be held in said school room and will consist in Bible readings. All young men are cordially invited to be present and are requested to bring Bibles with them.

-On the 12 inst. Rev. Newton J. Miller of the Rebersburg Charge purchased the bay mare at the Erlhart sale. Last Saturday evening Mr. Jasper Brumgart waited upon pastor Miller and presented him a purse of fifty dollars, the contribution of members being on different parts of the charge. The purpose of the money was specified as being contributed towards the payment of the horse. The gratitude of Rev. Miller was expressed partly in his thanks and remains to be expressed in the renewed activity and zeal which this kindness of the members has evoked.

Echoes from Coburn.

On account of the inclement weather and the high waters no echoes could be heard for the last two weeks. P. H. Stover is absent on business. Samuel Ard, our new constable is off to Harrisburg.

Mr. R. F. Sechler, of Millinburg, an experienced salesman will be employed in Dinges, Vonada & Co's store. -Mr. Grenninger's cellar is filled with water.

On Saturday morning the train going east found the depot closed, and moved on with a puzzled crew of trainmen. The agent had overslept himself, having been away the night before.

Work on a new building was commenced this week and the carpenters are making splendid headway with it. Mr. Gillbert, of Bellefonte, agent for the Singer Sewing machine came very near losing his life last Thursday. The creek was swollen and covered, the road and Mr. G. not being acquainted with the road drove into the strong current of the water, where his buggy capsized and threw him into the cold stream. He struggled a full hour before he succeeded in getting himself and the horse out. In an almost unconscious condition he worked himself to Mr. Ard's house where he received the necessary assistance. The next morning the water had receded about 3feet and then a party of men rescued the buggy, but the cushion, part of the harness, and gum coat and valise had been carried away by the swift water. His loss amounts to about \$20.00. SCRIBE.

The Community was startled on Wednesday evening by the sudden death of one of its citizens. Mr. Levi Reeder, who was attending to feeding his pigs and not coming to the house for some time the family became uneasy and went to look for him. They found him dead near the straw stacks. It is supposed he had gone for straw to bed the stock. Truly in the midst of life we are in death.

Last but by no means least was the wedding of Mr. Jas. B. Crawford to Miss Mary A. Miller. The bride and brides maid were dressed in silk. Groom and groomsmen in black broad cloth.
