—McDonald's improved Liver Pills are the most reliable and satisfactory Liver Pills made. Many Doctors buy them by the thousand for use in their daily practice. No higher mark of confidence could be quoted. We do not know any proprietary medicine that stands so high in the estimation of the medical profession as McDonald's improved Liver Pills. Dissatisfied buyers can have their money refunded. Sold by J. Eisenhuth, Millheim, Pa.

—An exchange very truly says: To make a newspaper interesting it is necessary that the editor should be made acquainted with the news. Many people who know of items worth publishing, quietly keep them to themselves, and find fault with the paper because no mention was made of them. People whose friends die give the paper no mention of the fact, and then feel hurt because an obituary does not appear. People who get married feel slighted if the announcement is not made in the marriage column. We cannot publish news or items of any kind of which we have no knowledge, and the only way we can get them is to have those interested hand them in. All we ask is that the facts be given; we will put them in proper shape.

IT TELLS ITS OWN STORY.—Lancaster, N. H., Dec. 3, 79. By the way I will say that I think Downs' Elixer the best cough remedy that I can find at our Druggists. We always use it.

THE COUNCIL'S ACTS.—At a meeting of our town council held on Monday evening the following action was taken:

—According to the ordinances of Millheim Borough profanity and disturbances of the peace on streets and public places are forbidden under penalty, and as these ordinances have lately been much violated, particularly by improper conduct of our youth, especially in the evenings, therefore Resolved that our citizens and young folks are hereby called upon to obey said ordinances and that the High Constable is hereby directed to enforce them strictly and impartially and to bring the offenders to justice.

By the council, ADOLPH MILLER, President.

JACOB EISENHUTH, Secretary.

Approved: R. B. HARTMAN, Chief Burgess.

—A paying investment.—At this season of the year when your cows fall in milk, your horses become rough in coat, your pigs refuse to thrive, the hens won't lay as many eggs as they should, you will find a package or two of McDonald's Celebrated Tonic and Blood Purifying Horse and Cattle Powders judiciously administered an investment that will pay big dividends. They are positively the best Horse and Cattle Powders made. Dissatisfied buyers can have their money refunded. What other manufacturer dare make this offer. Sold by J. Eisenhuth, Millheim, Pa.

—Within the past few days rumors are afloat in certain quarters that are not only groundless but really mischievous. Anything calculated to impair the standing of substantial business men will work injury, not only to individuals but to the community as well. And when rumors of this kind are circulated against such a solid and substantial institution as the Millheim Banking Company, there may be much mischief done, whether intended or not. The Company is strong, both individually and collectively, its officers are well and favorably known these many years and have and deserve the continued confidence of our citizens and business men. There is not the slightest cause for alarm, and we think there will be none.

—The piles of ground and foundation stones, stacks of lumber and shingles noticeable in different parts of our borough, especially on the new street, called Water street, indicate that the building season will be a busy one for Millheim. The frame work of several houses will be raised during next week.

—Rev. H. A. Benfer and his charming young wife, whose marriage we announced in another column of this week's JOURNAL, returned from their short wedding trip yesterday and were made the recipients of a splendid lot of donations by their many friends and acquaintances last evening. —Now that the sudden and violent changes of the weather occur every twenty four hours, almost everyone has a troublesome cold, which, if neglected may produce results that will trouble you for the remainder of your life. Instructions for treatment of croup and whooping cough also accompany each bottle. Every family especially where there is children should have a bottle. Dissatisfied buyers can have their money refunded. Sold by J. Eisenhuth, Millheim, Pa.

—PETERSON'S MAGAZINE for April is of sterling merit, even more so than usual. It opens with a charming steel engraving, "The Little Gleaner." Then comes a double-sized, colored, steel fashion-plate; four patterns for Dyables, embroidered, printed in colors; and quite half a hundred wood engravings of fashions, designs for work-table, etc. etc. The stories, as usual, are the best of their kind. They lead off with "The Utterly Utter Boston Browns," illustrated, that is full of racy wit. "Peterson," in short, gets better and better. The price is still only two dollars a year. To clubs it is astonishingly low, viz: four copies for six dollars and a half, with an extra copy to the person getting up the club. Or five copies for eight dollars, with both an extra copy and "Tired Out," a splendid steel engraving, or "The Golden Gift," illustrated, for getting up the club. Specimens are sent, gratis, to persons getting up clubs. It is not too late to subscribe for 1884. Address CHAS. J. PETERSON, 306 Chestnut St., Philadelphia, Pa.

Miscellaneous.

CHURCH PROPERTY NOT TAXABLE.—The Supreme Court has just decided that church properties are not liable to taxes for municipal improvements. The city of Erie, in constructing a sewer in front of the First Universalist church, assessed the ground for the number of feet fronting on the street where the sewer was laid. The church claimed exemption under the law freeing taxation, grounds and buildings dedicated to public worship, but the city claimed that the assessment was not taxation. The court sustained the church and the decision has been reaffirmed by the higher tribunal.

About two months ago, William Hamor, living at Highspire, Pa., was bitten on the thumb by a Spitz dog. He had the wound cauterized at once. Last Saturday evening he began to feel sick, and grew constantly worse. He was attacked by terrible spasms, and was bound to the floor to prevent personal injury. During his delirium he kept crying that he would die during the night. As evening came on his condition became worse and worse. When the sufferer felt the approach of the terrible spasms he requested to be locked in a room alone, and when they had passed he would knock on the door for his friends to enter. In his conscientious moments he told his friends that he was going to die, and in one of these lucid intervals he bade his wife goodbye. About 9 o'clock Tuesday night his awful sufferings ended in death. Deceased was aged about thirty years.

KILLED IN A COAL MINE.

One Hundred and Fifty-Five Dead.

Pocahontas, Va., March 13. A terrible gas explosion occurred at 1 o'clock this morning in the Laurel Caeck Mine, operated by the Southwest Improvement Company, at this place. The Laurel Creek Mine is the only one

in this section and has been operated for about two years. It consists of a tunnel, running three-quarters of a mile into the mountain side and a railroad runs the entire length of the mine. There are latent galleries at intervals. The mines have been worked by relief every six hours.

One hundred and fifty-five men were at work there, and such was the force of the explosion that every one was killed and the fanning machine and engine were blown three hundred feet away from the entrance. A train of cars drawn by a small engine was near the entrance, moving in the mine at the time. Four cars and the engine were blown out, and a car axle was propelled by the force of the explosion into the side of a small frame house, several hundred feet distant, occupied by two miners, William Maloney and Jake Sexton. Both were asleep, having left the mine about 6 o'clock. The flying plank awoke them. Their escape was wonderful, the iron wheels of the car falling by the side of their bunks. They struck a light and, so far as can be learned, were the first to realize the situation and give the alarm.

Of those at work in or about the mine not one was left to tell the story. The people of the little hamlet, whose population numbers about five hundred, were asleep when the explosion took place. But the whole place was quickly roused and the scene that followed beggars description.

The few living beings who saw a puff of smoke shoot from the mine and the sudden upheaval of the engine and cars rushed into the town with loud cries for help. Men, women and children were roused and as they took in the intelligence there was a wild rush for the scene of the disaster. Despite the cold night, women as well as men rushed off scantily clad. Experienced miners upon reaching the scene were satisfied that no man in the mines was alive. The horror of the situation has been intensified by the discovery that the mines are on fire.

DIED.

On the 5th inst., in Haines township, Estella Elizabeth, daughter of J. Newton and Emma Straub, aged 1 year, 10 months and 1 day.

On the 9th inst., at his residence in Aaronsburg, after a protracted illness, Mrs. Mary Mum bower, wife of Peter Mumbower, dec'd, and mother of Mrs. Dr. Musser, aged 79 years, 11 months and 9 days.

Mrs. Mumbower was born in Penn twp., Centre Co., Pa. Her father died when she was but 4 or 5 years old. Her mother whose maiden name was Kuhn, then returned with her two daughters, Mary and her sister, subsequently Mrs. John Keen of Millheim, to their former home in Bucks County, Pa. Here she resided until the subject of this obituary, entered the holy state of matrimony with Mr. Peter Mumbower. They then all returned to Penns Valley and resided near Millheim. Mr. Mumbower died in 1877. Since then to the time of her death the deceased lived in Aaronsburg, Pa. Her remains were interred in the Reformed Cemetery. The funeral took place on Wednesday, the 12th inst., at 10 o'clock. Two addresses were given on the occasion, one in German by her pastor and the other in English by J. T. Z. A. Yearick.
