

LOCAL DEPARTMENT.

—Mr. John Miller, our expert butcher at the meat market tells us that he has killed and sold six heaves and one calf since he started up his business in town. We wish him all the success that has attended him in the past and more to it.

—Things sold remarkably well at Jacob Dutweiler's sale on Wednesday of last week. His six horses brought between \$900 and a \$1000, one selling at \$240. The whole sale amounted to over \$2000. He expects to leave this part of the country in a few weeks to go to Jewel City, Kansas.

—H. H. Weiser, one of our elder citizens, expects to move to Dakota week after next. He will make sale of his personal property on Saturday, April 5th, inst. He made up his mind rather late to go West but we wish him abundant success in his future home.

—Mr. J. Willis Musser has bought out the stage route from Woodward to Millheim, but also goes to Coburn every morning. He carries express and other goods from all points along the line at very moderate charges, and continues the call and poultry business.

—Mr. Samuel Weiser, Jr., who had been running Tomlinson's grocery department will enter the service of Musser & Smith, our hardware men. They have bought H. H. Weiser's tinning machinery, to be used in connection with their hardware store. Mr. Weiser will conduct that part of the business.

—We notice in the *Reporter* that Mr. H. W. Kreamer, of Centre Mills, will go into the mercantile business with Mr. Simon Harper of Centre Hall. They have rented J. O. Deininger's new store room at that place. Mr. Kreamer had at first intended to move into the brick house on Penn Street, as stated in one of our former issues.

—Thomas R. Zeigler administrator of the estate of the late Isaac Zeigler, deceased, of Rebersburg, gives notice in another column and also by posters, that he will sell the valuable real property of said estate, consisting of twenty-three and a half acres, situated near Rebersburg.

—Mr. John Kerstetter, Jr., still makes a business of doing special jobs at carpentry. John is really an expert at the business and has large experience, both in making out plans, specifications and drawings, as well as a practical workman. People who entrust their work into his hands can safely rely on having it done in best style at the lowest prices.

—Our esteemed friend, County superintendent Prof. D. M. Wolf, of Penn Hall, booked in on the *JOURNAL* on Monday and a right pleasant chat we had with him. His time had been very much taken up by the local institutes which were held in different sections of the county during the past winter. We hope he will soon call a gain and make his stay longer.

—The following article clipped from the *Sunday Times* gives the particulars of an accident which happened to the oldest daughter of Prof. J. S. Fecher, well known to some of our readers:
A Young Lady's Narrow Escape.
SELINGROVE, March 22.—Katie Fecher who lives with her father on Water street, made a narrow escape from being killed this morning. She was carrying a loaded gun from the kitchen to an apartment up stairs and her dress became entangled with the hammer of the gun, which went off. The charge passed through her dress skirt and lodged in the partition. The young lady, through fright, fell in a faint and remained unconscious for some time.

—McDonald's improved Liver Pills are the most reliable and satisfactory Liver Pills made. Many Doctors buy them by the thousand for use in their daily practice. No higher mark of confidence could be quoted. We do not know any proprietary medicine that stands so high in the estimation of the medical profession as McDonald's improved Liver Pills. Dissatisfied buyers can have their money refunded. Sold by J. Eisenhuth, Millheim, Pa.

—The exhibition of the Rebersburg Grammar school last Friday evening was a splendid treat and was well attended by the people of that town and vicinity. The programme was composed of Dialogues, Speeches and Songs which were all rendered in a praiseworthy manner. "Ole Nickardemus" sung by Edwin J. Bard, of Kremerville, deserves special mention. His clear and melodious voice and his agreeable and pleasant disposition make friends for him wherever he meets with company. The entertainment can be counted as one of the best Rebersburg has had for some time.

A \$20 Bible Prize.
The publishers of *Rutledge's Monthly* offer twelve valuable rewards in their *Monthly* for April, among which is the following:
We will give \$20.00 to the person telling us how many words there are in the Epistle of Jude, as recorded in the New Testament Scriptures (not the New Revision,) by April 10th, 1884. Should two or more correct answers be received, the REWARD will be divided. The money will be forwarded to the winner April 15th, 1884. Persons trying for the reward must send 20 cents in silver (no postage stamp taken) with their answer, for which they will receive the *May Monthly*, in which the name and address of the winner of the reward and the correct answer will be published, and in which several more valuable rewards will be offered. Address: RUTLEDGE PUBLISHING COMPANY, Easton, Pa.

—We notice in the *Patriot* that Rev. G. P. R. Sarvis will be the minister of the M. E. Penn's Valley charge.

—A letter from G. W. Holloway, of Barabank, Ohio, came too late for this week's *JOURNAL* will appear next week.

—Messrs. Jonathan and A. J. Harter, of Millheim, will go into the harness business, having ordered a large and fine stock the other day. They expect to offer them at public sales at different times and places. Their first sale will come off on Saturday, April 12th, 1884, at Rebersburg, to which they respectfully invite everybody to come and give them a share of their patronage. They are live business men, fair and square dealers and expect to give satisfaction in every respect. They also keep a large stock of light and heavy, single and double harness, Checklines and Halters on hand which they will sell in town at any time.

—A paying investment.—At this season of the year when your cows fail in milk, your horses become rough in coat, your pigs refuse to thrive, the hens won't lay as many eggs as they should, you will find a package of two of McDonald's Celebrated Tonic and Blood Purifying Horse and Cattle Powders judiciously administered an investment that will pay big dividends. They are positively the best Horse and Cattle Powders made. Dissatisfied buyers can have their money refunded. What other manufacturer dare make this offer. Sold by J. Eisenhuth, Millheim, Pa.

—Mr. C. G. Bright, of Aaronsburg, the live agent for the White Sewing Machine, whose displaying advertisement appears in another column, would respectfully call the attention of our readers to the contents of said advertisement. The merits of the White Sewing Machine have been tested and endorsed by thousands of housekeepers and we advise all persons who are not already in possession of one of these excellent machines to give Mr. Bright their orders. He is prepared to prove that the "White" always gives satisfaction and that your household outfit is not complete without one. Besides he is a pleasant and obliging gentleman and easy to deal with. If you doubt it, go and give him a trial, before you bargain with other parties or for other machines.

—The Gettysburg and Harrisburg railroad is the most important short line built in Pennsylvania, within the past year. It is 31½ miles in length, and runs from Carlisle, on the Cumberland valley railroad, in a general southwesterly direction to Gettysburg. The first 10 miles of the route is over the south mountain road, (a line built from Carlisle to the Pine Grove iron furnace,) to Hunters Run; then it turns more directly South, and begins to ascend the South mountain. For about 5 miles after leaving Hunters Run, the road winds in and out of the hills composing that ridge, until the summit is reached, 1000 feet above tidewater. On the other side of the mountain the slope is more gradual, and the grade becomes less steep until Gettysburg is reached. The road is built in the most substantial manner, with stone ballast, steel rails and every thing of Pennsylvania standard. The track is double in all its parts, and a oad to be the strongest in this country. By this road, Gettysburg is but 49 miles from Harrisburg, and can be reached in two hours, thus making it accessible to the traveler, without inconveniencing him. Till now Gettysburg, "the Shrine of the Late War," has been a sealed book to those most interested. The opening of this road, on the first of April, will enable everybody to get in and out of Gettysburg, by way of Harrisburg, quickly and with comfort.

—Now that the sudden and violent changes of the weather occur every twenty-four hours, almost everyone has a troublesome cold, which, if neglected may produce results that will trouble you for the remainder of your life. Dr. Kessler's Celebrated English Cough Medicine is especially deserving praise in this class of complaints. It never fails! It never disappoints! Instructions for treatment of croup and whooping cough also accompany each bottle. Every family especially where there is children should have a bottle. Dissatisfied buyers can have their money refunded. Sold by J. Eisenhuth, Millheim, Pa.

Madisonburg Splinters.
Mr. Ellis Sauer came home with 3 splendid horses the other day. Mr. Sauer is the boss horseman in this section.

Mr. David Shafer is on the road to Illinois. Got tired of Madisonburg.

Simon Hasel killed a calf the other day, weighing 150 pounds dressed.

Mr. C. Rachau expects to move away from this place. Sorry to see him go.

Mr. L. Bierly's exhibition was an enjoyable occasion and was witnessed by a house full of people.

Bartges Bros. are getting in loads of new goods and are doing a thriving business. They expect to give their customers the best bargains they ever had.

Plenty of mud here.

AN EXTRAORDINARY OFFER.
To All Wanting Employment.
We want Live, Energetic and Capable Agents in every county in the United States and Canada, to sell a patent article of great merit, on our terms. An article having a large sale, paying over 100 per cent. profit, having no competition, and on which the agent is protected in the exclusive sale by a deed given for each and every county he may secure from us. With all these advantages, our agents for thirty days, and fail to clear at least \$250 above all expenses, can return all unsold and get their money back. No other employer of agents ever dared to make such offers, nor would we if we did not know that we have agents now making more than double the amount we guaranteed, and but two sales a day would give a profit of over \$25 a month, and that one of our agents took eighteen orders in one day. Our large descriptive circulars explain our offer fully, and these we wish to send to every one out of employment who will send us three one-cent stamps for postage. Send at once and secure the agency in time for the boom, and go to work on the terms named in our extraordinary offer. We would like to have the address of all the agents, sewing machine sellers and carpenters in the country, and ask any reader of this paper who reads this offer, to send us at once the name and address of all such they know. Address at once, or you will lose the best chance ever offered to those out of employment to make money.

A Fatal Mistake of Children.
PHILADELPHIA, March 23.—A special dispatch to the *Press* from Meadville, says: "Six children from the village of Volonia went out yesterday in search of 'sugar water.' Not finding a camp in operation the boys tapped some kind of a tree with their pocket knives and all the children sipped the juice. Soon all were taken sick and gave every symptom of being poisoned. George Custy, aged ten, is dead, and three others are considered beyond aid. The kind of tree furnishing the deadly poison is not known."
PHILADELPHIA, March 24.—I. a. M.—Another of the poisoned children named Lizzie Pinkhouse, aged six, has died. The others now seem to be out of danger. It is now said the poison was not from sap as told by the children, but from eating the plant generally called wild parsnip or cowbane.—*Patriot.*

Information is telegraphed from Washington that a dangerous counterfeit of the twenty dollar silver certificates is in existence and liable to be extensively circulated. The minute description of the new counterfeit given by the Treasury Department should enable careful men to discover it and save themselves from loss thereby. The chief danger will be to those who are hurried in their transactions and who naturally suppose that all silver certificates, Treasury notes and national bank bills are good. The business public should study the description of the

new counterfeits given by the department very carefully and not take it for granted that everything in the form of paper money bearing the apparent imprint of the United States Government is good.
