> AN EXTRAORDINARY OFFER. To All Wanting Employment.

We want Live, Energetie an Capable Agents in every county in the United States and Can-ada, to sell a patent article of great merit, on ITS MERITS. An article having a large sale, paying over 100 per cent. profit, having no competition, and on which the agent is protect-ed in the exclusive sale by a deed given for each and every county he may secure from us. With all these advantages to our agents, and the fact that it is an article that can be sold to every houseowner, it might not be necessary to make an "EXTRAORDINARY OFFER" to secure good a-gents at once, but we have concluded to make it to show, not only our confidence in the merits of our invention, but in its salability by any a-gents now at work are making from \$50 to \$00 CINCINNATI, March 29,-At ten o'clock to-night, while the streets were full of excited men and the crowd in the vicinity of the court house was surgents now at work are making from \$150 to \$500 a month clear, and this fact makes it safe for-us to make our offer to all who are out of em-ployment. No other employer of agents ever dured to make such offers, nor would we if we did not know that we have agents now making more that double the amount we guarranteed, and but two sales a day wouldgive a profit of over \$125 a month, and that one of our agents took eighteen orders in one day. They burst with terrific force. An attack was made upon the treasury office in the court bouse. The doors were battered down and an enstamps for postage.
