Musser last week.

-Rev. Yearick is absent attending the West Susquehanna Classis of the Reformed Church.

Linden Hall merchant, was in town a tion. W. T. Mauek & Son do the work. few days this week.

-Our grain fields look promising and with a favorable season a large crop may be expected.

-Mr. J W Henney & Samuel Shoop, from Centre Hall, were seen on our streets, last week.

-A lot of horses were taken to Coburn station on Monday by one of the New York horse dealers.

-Druggist Eisenhuth reports a rap- time. idly growing demand for McDonald's Celebrated Worm Powders.

-Our Sunday schools and churches were unusually well attended last Sunday. Certainly a good sign.

-Mrs. Susan Harter is absent this week, visiting friends at Harrisburg. Hope she will enjoy her trip.

-Preparations are being made for the erection of another house on Water street. S. G. Clark is to occupy it.

-We are glad to state that Mrs. A Walter, whose illness we mentioned in

last week's issue, is slowly convalescing. -Our young friend, Mr. E. E. Bress-

ler, who taught school at Coburn during the winter left for Ohio last Thurs.

-Mr. W. T. Mauck was off on a business trip to Williamsport last week. He returned safely, but a little traveltainted.

-Judging by the number of logs piled up at Hen. Swartz's saw mill, he will do an immense amount of sawing

-Mr. Wm. G. Ulrich will work for his brother Samuel, at Coburn this summer. They make a strong pair for farm work.

-Phil. D. Stover formerly of Laurelton orders his JOURNAL to be sent to ifflinburg, which seems to be his new Tice of residence.

-Some remarkable cures in this vivicinity of long continued and obstinate deases are atributed to McDonald's Blood Purifier.

-Mr. Sam. Winters, who is staying with his daughter, Mrs. Michael Utrich, has been unwell for some time. Old age is telling on him.

-Miss Sadie Adams, oldest daughter Lewisburg came home on Saturday on a visit to her parents.

-The council proceedings appearing pression on his hearers. in another column give our citizens the pleasant promise of several long-wished-for improvements.

-Miss Katie Dinges had her barn repaired this week. The roof of the building had been crushed in by the weight of the snow some time ago.

-Lewis Frain, a son of landlord Frain, suffers from the effects of a splinter, which entered his left eye some time ago, while splitting wood.

FISH, FISH.-Fat Family Mackere at \$2.50 a quarter Barrel.

Holders of trade dollars who refused structions for treatment of croup and to give way to the panic last year will whooping cough also accompany each have reason to congratulate themselves on their steadiness if the bill for its retirement and recoinage becomes a law. Th is bill, which has passed the House and is awaiting the action of the Seaate, is a substitue for nine other bills on the same subject. It provides that until June 1, 1886, trade dollars shall be received at their face value in payment for dues to the United States, and shall not again be paid out. Holders of trade dollars, on the presentation of the coin to any treasurer, will receive in exchange, dollar for dollar, standard sil-

ver dollars of the United States. The dime novel and the toy pistol are twine evils by which youths are instructed in crime and furnished with means in practicing how to handle deadly weapons. The instruments of evil are peculiarly American in production and consumption. The European dynamiter and anarchist never had the schooling afforded by the dime nevel. He is educated where the wrongs of generations stimulated him to attempt the righting of himself. The dime novel and the toy pistol are not weapons to vindicate wrong, but to gratify mischief, and mischief with the American

A Scranton, Pa., dispatch of the 14th says: W. S. Madden, a medical mountebank who treated in this city about six months ago, was arrested to-day upon complaint of Sadie McClenahan, of Lewistown. She first met Madden at Lewistown, where her mother lives. When Madden arrived in this city he sent a number of letters to Miss McClenahan, requesting her to come here and marry him. She reached Scranton February 20. Madden then told her that he had not yet secured a divorce from his wite, who was living at Altoona. Miss Mc-Clenahan requested to be allowed to go home, but Madden chained her to a bed in a room connected with his office. She escaped to-day and made her way to the Susquehanna House, where she told her story. Madden was arrested upon 14 charges of assault and battery, and was ordered to give bail in \$800. He was unable to do so and went to the county jail.

Small-Pox in Shenandoah.

SHENANDOAH, April 17 .- Sheanandoah was greatly excited this morning over the news that small-pox had broken out in Coal street in a family named Grant. A red flag was displayed. Later the Town Council received news of another case in a family of a widow, named Brennau, who lives but a few doors from the Grants. There are four cases in all. One death occured in the Grant family this afternoon.

ASHLAND, Pa., April 17.-Small-pox has apparently secured a firm hold in this county. There are at present 19 cases in this place and three cases were obligations to him by a complimentary these articles into cash at once, I offer the eastern corner of the U. B church sible the means of acquiring some know-developed in Shenandoah to-day. At them for sale at very low prices. AN EXTRAORDINARY OFFER.

To All Wanting Employment. We want Live, Energetic an Capable Agents in every county in the United States and Canada, to sell a patent article of great merit, on its Merits. An article having a large sale, paying over 100 per cent. profit, having no competition, and on which the agent is protected in the exclusive sale by a deed given for each and every county he may secure from us. With all these advantages to our agents, and the fact and every county he may secure from us. With all these advantages to our agents, and the fact that it is an article that can be sold to every houseowner, it might not be necessary to make an "EXTRAORDINARY OFFER" to secure good agents at once, but we have concluded to make it to show, not only our confidence in the merits of our invention, but in its salability by any agents now at work are making from \$150 to \$600 a month clear, and this fact makes it safe forus to make our offer to all who are out of employment. Any agent that will give our busiployment. Any agent that will give our business a thirty days' trial and fail to clear at least \$100 in this time, APOVE ALL EXPENSES can return all goods unsold to us and we will refund the money paid for them- Any agent or Gen-eral Agent who would like ten or more counties nd work them through sub-agents for ninety days, and fall to clear at least \$750 ABOVE ALL EXPENSES, can return all ansold and get their money back. No other employer of agents ever dured to make such offers, nor would we if we did not know that we have agents now making more that double the amount we guarranteed, and but two sales a day wouldgive a profit of over \$125 a month, and t hat one of our agents took eight-en orders inone day. Our large de scriptive circulars explain our offer fully, and these we wish to send to every one out of employment who will send us three one-ceut stamps for postage. Send at once and secure the agency in time for the boom, and go to work on the terms named in our extraordingry offer. on the terms named in our extraordinary offer. We would like to have the address of all the a-gents, sewing machine solicitors and carpen ers in the country, and ask any reader of this paper who reads this offer to send us at once the name and address of all such they know. Address at once, or you will loose the best chance ever offered to those out of employment to make
