THE FOURTH OF JULY AT MILLHEIM.—The Fourth was observed in a general and moderate way in this borough. The citizens were treated to a midnight serenade the night before, consisting of choice selections, which were wafted on the balmy air by our band, and explosions of fire crackers and other missiles, which was kept up for about an hour. The several church bells of Aaronsburg could be distinctly heard for a long time. Early in the morning of the fourth the little boy was on hand to inaugurate the day by firing crackers. Several residences and business places were handsomely decorated with evergreens and flags. About 9 o'clock in the forenoon the Brush Valley band, accompanied by their teacher, Prof. J. H. Feehrer put in their appearance and rendered some fine music. After dinner both bands united and marched through the streets in dress parade, which presented a very imposing sight. Everybody enjoyed their excellent performance, both of drill and music. The usual Fourth of July thunder shower came off at about four o'clock and in a short time emptied the streets of pedestrians and vehicles. Owing to the busy day making season the country folks were thinly represented during the day and town was comparatively quiet. In the evening the sky was clear again and the glass ball shooting of Mr. S. K. Sobers was witnessed by a good many people. Mr. S. made an exceedingly good record and exhibited considerable skill of marksmanship. About that time people from the surrounding country came in to see the balloon ascension and display of fireworks in front of the First National Hotel, which lasted for several hours and formed the most pleasant feature of the day. With a few trifling exceptions the order and conduct were very good and the general feeling was one of good will and pleasure.

—It WENT AROUND AMONG THE NEIGHBORS. Mr. Levi Stahl, merchant and postmaster at Fostoria, Pa., writes:
Mr. J. A. McDonald, Reedsville Pa.
Dear Sir:—Some time ago I had a severe attack of chronic diarrhoea. Could obtain no relief. A friend gave me a part of a bottle of your Curtis' Camelite Cordial, and a few doses entirely cured me. The balance of the bottle went around among the neighbors. Since that I have written to New York and Philadelphia for the medicine but could not procure it. I traced up the bottle we had and found it was purchased of Mr. Jacob Cowan, merchant in Altoona, and from him obtained your address. Please forward me one dozen bottles by express at once, as I do not wish to be without it in my family and wish to sell it in my store.
Single bottle Curtis' Camelite Cordial guaranteed to cure any case cholera, dysentery, diarrhoea, cramps, pains, and all irritation of the bowels incident to change of climate, diet or water.

—Considerable fault was found with Slogger Sullivan the other day for getting drunk and not being able to fill his appointment of sparring with Mitchell. A \$14,000 house was ready to witness the combat, but they went away disappointed and Sullivan and Mitchell divided and pocketed the spoils. Served them right. People who patronize exhibitions of that kind, help to promote brutality as well as general mischief and devilry.

—Tuesday's Harrisburg Patriot has the following concerning the fire company which had been attending the great celebration at Bellefonte on the 4th:
The Paxton Steam Fire Engine Company was the first to arrive home Saturday afternoon from Bellefonte. Because of the close connection to be made at Tyrone on the Pennsylvania railroad, the Paxton boys were obliged to leave Bellefonte at 7.20 on Saturday morning, arriving here early in the afternoon, and the entire company were lavish in praising the citizens of Bellefonte for their uniform courtesy and hospitality. The boys were quartered at the Garman house on Thursday night and on the day following were banqueted at the fair grounds, which was followed by music and dancing. Mr. J. M. Lyne, one of the Paxton members, was honored by the appointment of aid to the chief marshal. The Hummelstown band which accompanied the No. 6 gave entire satisfaction.
