

HUMOROUS.

MORTAR FOR MASON. "I can't finish plastering your house until I get more sand," said a plasterer to a groceryman the other day.

"How much sand will you require?" asked the groceryman.

"About three bushels will do, I guess."

"Here, John," said the groceryman "roll out another barrel of that brown sugar and send it up to my new house. I want to keep the plasterer at work."

"That won't do," said the plasterer.

"Why, isn't that good sand?"

"Not very good; and besides, those bees in the garden will be constantly trying to suck the sweetness out of the sand after it is plastered on the walls."

"Not much, my friend. Guess you don't know my sugar. If the bees suck any sweetness out of it they will do some of the damnest hardest sucking you ever saw!"

She Left Him Watching.

"Are you rapt in pleasant dreams, listening to the robin's vesper song, or awaiting the mellow rhythm of the curfew bell?"

"I am not."

"Then you are looking for some one?"

"I am," she said, as she opened and closed her ivory fan.

"I see," replied the other; "I suppose you are greatly interested in him?"

"Yes, I am, if you must know."

"Is he handsome?"

"No, he is not. He is red-headed, bowlegged, freckled and has but one eye."

"Then he is wealthy?"

"No," she replied, "he is poor."

"Then why do you want such a creature?"

"Because I am hungry."

"Ah, I see—hungry. Is he going to bring you caramels?"

"No."

"Ice cream?"

"No; but if you must know, I am looking for our fisherman. He promised to have the clams here by this time, and if he doesn't hurry it will be too late to have clam soup for dinner. I dote on clams; and while I close my eyes in reverie will you kindly watch and let me know if you see a canvass backed clam wagon etched against the purple ringlets of the gloaming?"

And she left him watching.

Words of Wisdom.

Entertain no thought that will blush in words.

A cheerful countenance is the index of a good disposition.

Memory is the granary of the mind and of experience.

Avoid as a serpent him who writes impudently, yet speaks politely.

Keep thy heart, and then it will be easy for thee to keep thy tongue.

Laziness grows on people. It begins in cobwebs, and ends in iron chains.

There is no malady or sickness more severe than to be discontented with one's lot.

The most important lesson of morality is this: Never do any injury to any one.

There is no kind of conscious obedience that is not an advance or lawlessness.

Anger may glance into the breast of a wise man, but it rests only in the bosom of a fool.

If we had no defects we should not take so much pleasure in discovering those of others.

A king ought not to fall from the throne except with the throne itself; under its lofty ruins he alone finds an honored death and an honored tomb.

Good sense and good nature are never separated, though the ignorant world has thought otherwise. Good nature, by which I mean beneficence and candor, is the product of right reason.

AN EXTRAORDINARY OFFER.

To All Wanting Employment.

We want Live, Energetic and Capable Agents in every county in the United States and Canada, to sell a patent article of great merit, on the 10th of the month. An article having a large sale, and a high reputation for its quality, having no competition, and on which the agent is protected in the exclusive sale by a deed given for each and every county he may secure from us. With all these advantages to our agents, and the fact that it is an article that can be sold to every house in the country, it might not be necessary to make an "EXTRAORDINARY OFFER" to secure good agents at once, but we have concluded to make one, to show, not only our confidence in the merits of our invention, but in its salubility by any agent that will handle it with energy. Our agents now at work are making from \$50 to \$500 a month clear, and this fact makes it safe for us to make our offer to all who are out of employment. Any agent who will give our business a thirty days' trial and fail to clear at least \$100 in this time, ABOVE ALL EXPENSES can return all goods unsold to us and we will refund the money paid for them. Any agent or General Agent who would like ten or more counties and work them through sub-agents for thirty days, and fail to clear at least \$50 ABOVE ALL EXPENSES, can return all unsold and get their money back. No other employer of agents ever dared to make such offers, nor would we if we did not know that we have agents now making more than double the amount we guaranteed, and but two sales a day would give a profit of over \$100 a month, and that one of our agents took eight or ten days. Our full and descriptive circulars explain our offer fully, and these we wish to send to every one out of employment who will send us three one-cent stamps for postage. Send at once and secure the agency in time for the season, and go to work on the terms named in our extraordinary offer. We would like to have the address of all the agents, sewing machine, solicitors and carpenters in the country, and ask any reader of this paper who reads this offer, to send us at once the name and address of each they know. Address at once, or you will lose the best chance ever offered to those out of employment to make money.

DOWN'S ELIXIR.

Vegetable Balsamic ELIXIR. For the cure of Consumption, Coughs, Colds, Catarrh, Croup, Asthma, Fluorisy, Hoarseness, Influenza, Spitting Blood, Bronchitis, and all diseases of the Throat, Chest, and Lungs. In all cases where the Elixir is used its efficacy is at once manifested, convincing the most incredulous that CONSUMPTION is not incurable, if properly attended to. At its commencement it is but a slight irritation of the membrane which covers the Lungs, then an inflammation, when the cough is rather dry, local fever, and the pulse more frequent, the cheeks flushed and chills more common. This Elixir in curing the above complaints, operates so as to remove all morbid irritations and inflammation from the lungs to the surface, and finally expels them from the system. It facilitates expectoration. It heats the ulcerated surfaces and relieves the cough and makes the breathing easy. It supports the strength and at the same time reduces the fever. It is free from strong opiate and strychnine, which are of so drying a nature as to be a great danger of destroying the patient; whereas this medicine never dries or stops the cough, but, by removing the cause, consequently when the cough is cured the patient is well. Send address for pamphlet giving full directions, free. Price 35 cts., 50 cts., and \$1.00 per bottle. SOLD EVERYWHERE. HENRY, JOHNSON & LARD, Props., Burlington, Vt.

DR. JOHN BULL'S Smith's Tonic Syrup

FOR THE CURE OF FEVER and AGUE Or CHILLS and FEVER, AND ALL MALARIAL DISEASES. The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southern country to bear his testimony to the truth of the assertion that in no case whatever will it fail to cure if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long-standing cases. Usually this medicine will not require any aid to keep the bowels in good order. Should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic a single dose of BULL'S VEGETABLE PAIN EXPELLER will be sufficient. BULL'S SARSAPARILLA is the old and reliable remedy for impurities of the blood and Scrofulous affections—the King of Blood Purifiers. DR. JOHN BULL'S VEGETABLE WORM DESTROYER is prepared in the form of early drops, attractive to the sight and pleasant to the taste. DR.
