

LOCAL DEPARTMENT.

—In the coming election it will be of some importance to be in possession of your tax receipts. The JOURNAL store has the handiest and latest tax receipt book for sale. Come and get one.

—Prof. Wm. T. Meyer and family, return to their home at Shamokin, Pa., to-day, after having pleasantly spent several weeks among relatives and friends at Aaronsburg, their native town.

—C. A. Sturgis, of Lewisburg, visited our burg in the beginning of the week. He and his little daughter Bessie, and a gentleman friend, called at the JOURNAL office, and witnessed the process of printing.

—Samuel Gramley and J. B. Crawford, executors of the estate of John Bierly, late of Miles township, deceased, will make public sale of the real estate of decedent on Saturday, October 4th, next. See Bills.

—To-day is the last day on which you can register and delinquent demerits would better attend to this duty at once, if they wish to vote on the 4th of November. October 4th is the last day to pay taxes.

—Mr. Byron Houtz, of Coburn station, barely escaped from a serious accident in being thrown from one of the cars while the train was in motion. He received a heavy bump on the head and landed but a few feet from the rail.

—The changed and attractive advertisement of Bunnell & Aikens, of Bellefonte, the popular dealers of musical instruments appears in this week's issue. Reserve your orders for them—no better firm to deal with in the state.

—Mr. Wm. Kurtz and brother Charles, sons of editor Kurtz, of Centre Hall, looked in on the JOURNAL on Tuesday. They take much interest in printing offices and the craft, doubles because they intend to spend their future in the newspaper business.

—Mr. John Kerstetter, Jr., still makes a business of doing special jobs at carpentry. John is really an expert at the business and has large experience, both in making out plans, specifications and drawings, as well as a practical workman. People who entrust their work into his hands can safely rely on having it done in best style at the lowest prices.

—The Union picnic of the Millheim Sunday Schools will be held in Alexander's grove, south of town, on Saturday, September 6th. The managing committee have worked hard to make this a day of genuine pleasure and good-feeling and hereby extend a hearty invitation to the public to attend.

—Miss Winnie, daughter of B. F. Reighard, of Light Street, Columbia Co., Pa., and a cousin to Mrs. B. F. Kister, of this place, is at present the guest of that lady. She is an accomplished seamstress, and expects to follow her trade in town provided she can get the patronage of the public.

—A large circle of relatives and friends gathered at the residence of Mrs. Sarah Harter, on Wednesday evening of last week and gave an enjoyable party in honor of the 64th anniversary of her birthday. The lady was agreeably surprised and deeply affected by the kindness of her friends.

—The Granger's great picnic at William's Grove Park, which had begun on Monday, Aug. 25th, was ended on Friday, the 29th, on which day General Butler closed the festivities by a fifty-minute speech which was delivered to a crowd of about 10,000 people. The attendance throughout is reported to have been very large.

—John Rockey, of Cedarville, Ill., Geo. W. Swartz, of Lewistown, Pa., Millard Mechtley, of Beaver Springs, Pa., and Judge Frank of Rebersburg, were some of our callers last week, and enlisted as subscribers for another year for the JOURNAL, making their orders more forcible by cash remittances. Thanks, gentlemen—call again.

FOOT MASHED.—Thursday morning while endeavoring to jump on a moving freight train at Clinton avenue, Charles Spangler, of Rebersburg, made a mistake, and falling with one of his feet on the rail, had it severely mashed. Dr. Watson, the company's physician, gave the wounded man necessary attention. —Clinton Democrat, Aug. 28th.

—Many of our people hardly have any idea of the amount of meat consumed in this community during the past six months. The following interesting figures we obtained from John Miller, the manager of the Millheim meat market: Killed and sold from Feb. 28 to Aug. 28, 65 beaves and 16 calves, weighing 29,069 pounds.

LADIES' MEDICAL ADVISER.—A complete Medical Work for Women, handsomely bound in cloth and illustrated; postpaid for 10 two-cent stamps. Tells how to prevent and cure all diseases of the sex, by a treatment at home. Worth its weight in Gold to every lady suffering from any of these diseases. Over 10,000 sold already. Address NUNDA PUBLISHING CO., Nunda, N. Y. 28-3m.

—Subscriptions are taken just now for the purpose of procuring street lamps for this borough. This is another step in favor of bringing our town up to the modern standard and we urge our citizens to support the movement by liberal contributions. The accommodation of street lights on dark fall and winter evenings cannot be valued too much.

—During the heavy thunderstorm, which occurred on Saturday afternoon, the old cherry tree in front of Squire Eisenhuth's residence on Main street, was blown down. Several other trees in town met the same fate. Some of the shutters off the old Ev. church were torn and carried across the creek by the powerful blast. A heavy rain continued to fall for about fifteen minutes.

—An incorrect statement occurred in an item among the locals of last week's JOURNAL, which we hasten to recall. It was to the effect, that the "Centre Democrat", published at Bellefonte, had changed proprietors. The information was had from a private source and proved wrong. Last week's "Centre Democrat" came to us with the names of the old publishers, Shugert and Orvis, at its head and no intimation of a change appears in its columns.

—ANY HOUSEKEEPER who sends at once the names of five married ladies, at same address, and 12 two-cent stamps for postage, will receive free for one entire year, a handsome, entertaining and instructive Domestic Journal, devoted to Fashions, Fancy Work, Decorating, Shopping, Cooking, and Household matters. Best Paper published for Ladies. Every Housekeeper wants it. Regular price \$1.00. Must send now! Address DOMESTIC JOURNAL, 38-3m Nunda, N. Y.

—Mrs. Zeigler's bakery advertisement appears in another column. Mrs. Zeigler, who is a daughter of Mr. Jacob Wolf, of Brushvalley, has been residing at Millheim, for many years, but has only been in the bakery business for the last year. In that time she succeeded in building up a large trade, based upon the merits of her work, and also on her large and well-known family connections. She possesses a thorough knowledge of the wants of her many customers and constantly increases her custom by keeping on hand the best articles. She contemplates adding several improvements to her bakery and will be pleased to accommodate the public in every possible way. Do not fail to give her a call.

—The tall church edifice on Penn street is growing. On last Thursday the carpenters erected the steep principal timbers for the Gothic roof, which is to adorn the building. A crowd of people watched the somewhat dangerous and risky proceedings with upturned faces and anxious eyes. But everything went on smoothly and without the slightest accident. The brick layers expect to have all the stone work completed by the end of this week, and the roof will be ready for the sheeting and slate by next week.

Millard Mechtley and his force of men will go to Aaronsburg next week to lay the brick of the new Reformed church there.

—For habitual constipation, biliousness, sick headache, torpidity of the liver, congestion of the kidneys, malaria and all complications arising from a degenerated condition of the bowels, liver or kidneys, McDonald's Improved Liver Pills can be depended upon for certain and permanent relief; as a dinner pill, gentle cathartic and safe aperient, they are without an equal. Many eminent physicians use them in their daily practice. Money refunded to dissatisfied purchasers.

—Rev. John Tomlinson's valedictory sermon at Aaronsburg on Sunday evening, was a recapitulation of his labors during the past 10 years on this charge, and was attentively listened to by a crowded house. His text was taken from the twentieth chapter of the Acts, comprising the 18, 19, 20, 21, and the 25, 26 and 27th verses. He divided his subjects into four parts, namely self-vindication, self commendation, and the matter and manner of his preaching while pastor of his church. His remarks were marked by the strict confinement to the bare truth and by the sincerity of expression so characteristic of his preaching. He closed his impressive address by bidding the Aaronsburg people and congregation an affectionate farewell.

On Monday morning he and his family departed for Abbottstown, York Co., Pa., his new field of labor. Our best wishes and sincere regrets accompany them.

—The editor and wife are indebted to Miss Elmira Stover, of Penns Creek, for a large and beautiful bouquet, which she presented to us. The bouquet is a collection of 150 varieties of flowers, very tastefully arranged and dealing out a splendid aroma. We hereby gratefully acknowledge this token of the lady's friendship the remembrance of which will remain fresh long after the fragrance of the flowers has ceased to fill our office.

MULTUM IN PARVO.—McDonald's Great Blood Purifier or Sarsaparilla Alternative is the most highly concentrated, most harmonizing and skillfully combined of all the blood medicine offered the public. Many certificates from well-known and worthy persons could be furnished to substantiate the virtues claimed for this great medicine, but the manufacturer prefers simply to say any purchaser feeling the benefit derived from the use of a bottle not equivalent to the seventy-five cents invested in the purchase can have their money returned.

—G. W. Harter's horse run off yesterday afternoon and made pieces of the harness before it could be captured.

—It is everybody's advantage that D. S. Kauffman, of the firm of D.S. Kauffman & Co., went to Philadelphia and New York, accompanied by his father, to buy in an immense fall stock of general merchandise. They buy for cash, get heavy discounts and give their customers the benefit. We will with this stock be able to supply our customers with anything they may call for, from a pin to a hoghead of molasses and will positively sell at the lowest prices, guaranteeing at the same time that our goods will be what we represent them to be. We kindly invite the public to come and see this large and complete stock. No trouble to show goods. Come all. Respectfully,
D. S. KAUFFMAN & CO.

—Mr. D. O. Liggett and wife, of Wooster, Wayne Co., Ohio, one of the foremost merchants of that place, have been visiting Mr. John Liggett at Beech Creek, Clinton Co., Pa., and both these gentlemen accompanied by their lady were the guests of ex-sheriff Musser at this place several days last week. They along with Mrs. J. W. Toner and Mrs. N. N. Nogle took a trip to the Penn's Valley caves and were delighted with the novel sights and beautiful landscape. The hospitality of our people made a very favorable impression on the Ohio visitors.

—We understand that the programme for next Saturday's Union picnic is as follows: At nine o'clock, a. m., the several schools will assemble in the Penn street school house yard, where they will form in procession and be conducted to the grove, by the Millheim band. At ten o'clock the exercises, consisting of several addresses, interspersed by music, will be opened. Baskets containing the eatables should be brought to the schoolyard, from where they will be conveyed by wagon to the grounds. A full turnout of the people is expected and a pleasant time anticipated.

JAS. R. IRWIN, druggist, Curwsville, Pa., writes: "J. A. McDonald, Dear Sir:—Send us 1 gross of your Worm Powders, they give good satisfaction to our trade. Professionally, I always recommend them, as I consider they embody to the utmost the principal and most desirable points in vermifuge—smallness of dose, easiness to take, compactness and elegance, while our steadily increasing sales attest their value as a worm destroyer and the satisfaction they give our trade."

Dissatisfied purchasers can have their money refunded.

Musser, in the Borough of Millheim (the usual place of holding elections for said township) on Saturday, September 20th, 1884, between the hours of one and seven o'clock P. M., for the purpose of determining upon the expediency of changing the place of holding the general, special and township election for said Township of Penn from the public house of W. S. Musser, in the Borough of Millheim, to the public house or tavern of Joseph Kleckner, at Coburn, in the Township of Penn.

Teams are busy hauling lumber from the saw mill here, which denotes a brisk lumber trade.

ANON.

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of Mrs. Winslow's SORROWING STRIP FOR CHILDREN TEething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhoea, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. Mrs. Winslow's SORROWING STRIP FOR CHILDREN TEething is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle.

IN TIME OF PEACE PREPARE FOR PEACE.—Changes of climate, diet and water, oftentimes atmospheric changes alone, will subject some member of the family to cholera morbus, dysentery, &c., when the wail of misery in the "wee sma' hours of the night" announce the fact, and you are sent from your comfortable bed across lots of down back alleys for a doctor, 'twould be a good time to reflect that had you only secured a bottle of Curtis' Carmelite Cordial in time, you could with a few drops have headed off the attack, saved a doctor's bill, and secured a peaceful night's rest. Dissatisfied purchasers can have their money refunded.
