-From last week's Bellefonte Watch

We are sorry to state that Mrs. Haag of Pleasant Gap, wife of Mr. Gotlieb Haag, had the misfortune to break one of the small bones of one or her ankles on Sunday evening last and also to put the ankle out of joint. This accident was caused by stepping on a rolling stone after dark, and was a painful one indeed. The good lady will no doubt be laid up with it for several weeks, and she has our sincere sympathy. Mr. Haag was in town on Monday looking for a housekeeper.

-The turnpike bridges, both at the eastern and southern end of town are in a bad condition and need repairing. The plank are drawn to a round shape by the sun and spring up a foot at each end whenever a vehicle passes over them. It is almost impossible for pedestrians to cross while a team is on the bridge. We think the turnpike companies should construct their bridges more substantially, especially at places where travel is as frequent.

-We received a copy of the Centennial Number of the North American, published daily at Philadelphia and now reduced to the price of one cent. It celebrated its 100th anniversary last Saturday, when it issued a twelve-page paper, over-flowing with reading matter. The North American is now one of the seven penny papers published daily in the Quaker City, and is a live Republican organ,

-Mr. H. H. Weber, of Rebersburg, the teacher of the select school at that place, was one of our callers this week. He informed us that his school will close to-morrow and that he expects to return to Warren county, where he accepted the principalship of five public schools. Mr. Weber is a gentieman of learning and has during the period of his teaching at Rebersburg, which is his native town, won the confidence and esteem of that community.

MULTUM IN PARVO.-McDonald's Great Blood Purifier or Sarsaparillian Alterative is the most highly concentrated, most harmonizing and skillfully combined of all the blood medicine offered the public. -At a meeting of citizens held in Penn street school house last Tuesday evening for the purpose of making arrangements to purchase the town clock, which is to be placed on the steeple of the new Ev. church, the following committee was appointed W. R. Henney, W. S. Maize, P. H. Musser, J. Spigelmyer, J. R. Bair. This committee was instructed to at once proceed with the purchase of the clock, which is to cost about \$350. In a couple months we can expect to hear the hourly announcement of the time all over town.

-The presence of Rev. Wm. Engle. of Pillow, Pa., was a pleasing feature of the Harvest Thanksgiving Services in the Rebersburg Reformed church. The weight of years does not seem to burden the ex-pastor of the Rebersburg charge. He still overflows with good humor and received a hearty welcome from his old friends.

Rebersburg Reformed charge contributed this year over one hundred and forty dollars at its Harvest Thanksgiving festivals. During late years the charge has made rapid advancement in | Clinton county. the cultivation of liberality.

Convinced. Mr. U. G. King, foreman of the Lectonia Democrat, Lectonia, Ohio, writes: "DR. S. B. HARTMAN, Columbus, Ohio, Gentlemen: Some time since, I had occasion to doubt the genuineness of most of the articles that appear in different papers in regard to your wonderful PERUNA, and my curiosity was so great that I determined to write to one of the many people that claimed to have been cured by this medicine, and accordingly wrote to Mrs. J. W. Reynolds, of New Lisbon, this county, and received the following reply.' "I received your letter this evening, and in reply would say that PERUNA, I believe, saved my life, and I can not recommend it too highly; for all complaints it is the best medicine in existence. It seems to help you as you swallow it. I would advise any one suffering from my complaint to take PERUNA and be convinced. Yours truly, Mrs. J. W. Reynolds." Now, that's her card, word for word, and as I am well acquainted with the lady, I do not believe she would lie. It is truly wonderful how your medicine

does do good. James L. Mooney, Prospect, Ohio, writes: "For the past ten years I have been suffering from constipation and dyspepsia, and all the evil effects that accompany them. I was treated by a number of doctors, all to no effect. I used several patent medicines, which did me no good, and about three years ago I was seized with a severe nervous trouble. and was obliged to quit farming. I thought my days would soon be over, but last winter I received one of your pam-phlets called the "Ills of Life." I at once tried your PERUNA and MANALIN. They helped me right away. I used nine bottles of PERUNA and three of MANALIN; and now I am quite well, and able to resume farming. I also had a little child which was attacked with a severe cramp in the stomach; we thought it would go into spasms. I used nothing but PERUNA. We gave it an injection of PERUNA and warm water, and gave it a teaspoonful of the medicine internally every half hour. It was relieved in one hour, and has not been bothered since. I have also used it with as good effect in case of croup and colds. I know that it is a wonderful medicine, and recommend it to all who are in poor health. The above statement I am willing to swear to."

W. M. Plants, Deep Valley, Greene county, Pa., writes: "Please send me your book on the 'Ills of Life.' I have used one bottle of PERUNA, and am greatly benefited."
