In a letter from Geo. K. Weber, of Dempeystown, Venango Co., Pa., one of the readers of the JOURNAL he says that a few weeks ago he noticed an item in this paper about the two-pound potatoes, but that he has a potato in his store at present which weighs three pounds and five ounces, which was grown by Mr. Robert Reed of that place. That puts Venango ahead of Centre, at least in the potato question.

OCTOBER is a good month for merchants to examine their stock of Dr. Kessler's Celebrated English Cough Medicine and include a winter's supply in their next order. The people have found out by experience that it can be relied on in all cases of croup, whooping cough, colds, and lung troubles of any nature, and will have it. A good article draws trade while worthless articles drive it away. It should be a source of satisfaction to a dealer as well, to know he is giving good honest value for money received. Money refunded to dissatisfied purchasers. JOHNSTON, HOLLOWAY & CO., Philadelphia Agents. Sold by J. Eisenhuth, Millheim, Pa.

Last week's Clinton Democrat gives the following account of an accident which befel Mr. Shadle, who is known to many of our readers as the former mail carrier between Millheim and Sugar Valley: Mr. Shadle, the mail carrier between here and Sugar Valley, while coming over this morning had the misfortune of meeting with a serious mishap. When at the "watering trough" his horse and wagon went over the bank, a distance of about thirty feet—landing among the rocks and bushes. The animal's back was broken and it had to be shot. The vehicle was also badly used up and Mr. Shadle himself did not escape without some injury. He had to foot it to town with his mail. Mrs. M. Q. White, who was in the vehicle when the accident happened, sustained several bruises.

Mr. A. J. Harter informs us that their sales of harness recently had in Snyder county, were favored with remarkable success and their customers have since complimented them on the superior leather which is used in their goods. They will make public sale of first-class harness on Saturday, October 11th, in their store on Main street. The public is invited to attend this sale and get bargains.

MR. EDITOR:—Just praise is a debt we owe, flattery only a gift. Statesmen are complimented with public banquets, warriors with costly swords, clergymen with service of plate, and editors with a-a-great many things. And now I propose to do a just thing, nay a proper thing by making mention of one meritorious name. Mr. Wm. S. Musser, the proprietor of the Millheim Hotel, with an eye strictly to the welfare of his own business, yet never forgets that he is a gentleman and that those who place themselves under his care for the time being are always entitled to gentlemanly treatment. Both old and young are always ready to sound with praise the name of the urbane proprietor. JOHN H. SELL, Philadelphia, Sept. 23rd, 1884.

Mrs. Mary C. Edgar, wife of Rev. J. W. Edgar, died at her residence in Lincoln Co., Kansas, on the 10th of September, of typhoid fever. The deceased was the daughter of Henry and Fanny Brown, and was born in Hamburg, Clinton county, Pa., Jan. 5, 1839. She lived with her parents a number of years at Wolf's Store, in Brush valley, and in the spring of 1879 moved with her parents to Aaronsburg. Nov. 30, 1879 she married her now deeply bereaved husband, J. W. Edgar. In Dec. 1879 she was converted under the labor of Rev. W. H. Stover. She joined the Evangelical Association of which she remained a faithful member until Sept. '83, when she joined the M.E. church of which she remained faithful till death, and her soul was conveyed by the heavenly conveyer to the mansion prepared for her. She leaves a husband, father, brothers and a large circle of friends to mourn her loss, but we mourn not as those who have no hope. Funeral services conducted by Rev. J. W. Manners, pastor, and Rev. W. B. Moody. *

Mr. John Kerstetter, Jr., still makes a business of doing special jobs at carpentry. John is really an expert at the business and has large experience, both in making out plans, specifications and drawings, as well as a practical workman. People who entrust their work into his hands can safely rely on having it done in best style at the lowest prices.

REV. WHITE'S CHURCH DEDICATED.—The new church at Sigleville, Mifflin Co., Pa., erected by a portion of Rev. J. W. White's congregation, was dedicated to the worship of the Lord, free of debt, on Sabbath, September 21. The day was pleasant and the attendance large. After crowding all the pews and aisles, at the morning service, many people could not obtain admission for want of room. Eight hundred dollars were subscribed, and six hundred of this amount paid in cash, to liquidate the indebtedness remaining on the church. Rev. Mr. Smith, of the Evangelical church, preached in the morning and Rev. J. J. Pearce, of the M. E. church, in the afternoon. At the close of the afternoon service the congregation rose and sang the doxology and dedicatory hymn, and the Rev. Mr. White offered the dedicatory prayer. The people went home rejoicing that they have a place of worship free of debt. The building is a very neat and substantial Gothic structure. The title of the property is made to the people of the congregation or a majority of the same without regard to their present or future name or ecclesiastical connection. The people feel profoundly that while it may be law, it is not justice, that a small minority of a congregation should possess all its property—a minority which perhaps paid little or nothing to secure the property—simply because they choose to submit to ecclesiastical control and supervision.—Bellefonte Daily News.

DRUGGISTS all report a rapid and steadily increasing demand for McDonald's Celebrated Worm Powders. There is no secret or trick about their popularity. It is solely because people have become convinced through trial or hearing their neighbors say that they are the best and easiest to take vermifuge ever produced. Nasty, sickening, old-fashioned worm syrups won't sell. People demand McDonald's Celebrated Worm Powders, and won't have anything else, hence their sales are greater than all the other vermifuges combined. Dissatisfied purchasers can have their money refunded. JOHNSTON HOLLOWAY & CO., Philadelphia Agents. Sold by J. Eisenhuth, Millheim, Pa. Madisonburg Scraps.

During the storm on Sunday night, the stove pipe which was extended through the roof by means of a collar was blown down and when the cook unconscious of this fact, started fire in the stove the next morning, a large hole was burned in the roof. No more serious damage was done. SHIN BONE.

Dinges, Trumpfeller & Co., went east last Saturday and expect to buy a heavy stock of fall and winter goods. They are wide-awake business men and will make trade boom. Read what they have to say in another column reserved for their new advertisement.

One of the best evidences that the American people of this generation live better than their fathers did is found in the steady and rapid growth of the trade in tropical fruits. It is not many years since the great majority of the people scarcely knew what a banana was, and considered oranges and lemons as luxuries to be afforded only the sick or on great occasions. Now, not only these, but other tropical fruits, are bought and eaten almost as generally and freely as apples, and the consumption of melons, peaches, pears, plums and berries is on the same universal and extensive scale.

EMINENT PHYSICIANS connected with the principal hospitals throughout the United States report very gratifying and satisfactory results from the use of McDonald's Great Blood Purifier in all cases of vitiated blood, enfeebled condition, enfeebled digestive power, malassimilation of food, &c. But few diseases can withstand its remarkable purifying, tonic, and reconstructive power. Money refunded to dissatisfied purchasers. JOHNSTON, HOLLOWAY & CO., Philadelphia Agents. Sold by J. Eisenhuth, Millheim, Pa.
