

Church & Sunday School Directory. Evangelical. Rev. B. Hengst and J. B. Fox, Preach's preaching next Sunday evening.

LOCAL DEPARTMENT.

SCHOOL SUPPLIES!

A full line at the JOURNAL STORE. Parents are invited to call at our place on Penn Street.

Beautiful sunsets. The welcome rain came yesterday. The farmers are busy husking corn.

The large store of Dinges, Trumppfeller & Co., at Coburn is filled with their new stock and they are kept very busy.

Both the Lutheran and M. E. churches at this place were crowded last Sunday evening. In the former, Rev. Asper, of Maryland, delivered his trial sermon, while in the latter the protracted meeting conducted by Rev. Sarvis was in progress.

By order of Committee. In last week's Reporter the Lutherans of Centre Hall issue a call for financial aid from their sister congregations in other towns.

McDONALD'S Improved Liver Pills secure a healthy liver regularity of the bowels, good digestion, sound sleep, clear head, and an active energetic mind.

At the Evans Saw Mill Dam, to see the bridge builders put in the new bridge for the Railroad company.

Mr. John Kerstetter, Jr., still makes a business of doing special jobs at carpentry. John is really an expert at the business and has large experience, both in making out plans, specifications and drawings, as well as a practical workman.

FOR SALE.—The undersigned has for sale a good stock of full-bred Chester White pigs, various sizes, at his premises at Aaronsburg, Pa.

Republican Blaine papers are painting their columns red over an imaginary large majority in Ohio. Go ahead. After the 4th of November you will have cause to wear mourning.

The Martha Washington Supper at Aaronsburg last week was quite a success, considering the unfavorable weather prevailing part of the time.

The fact that Mrs. Weaver was to the city and personally selected her stock of winter millinery is a sufficient guarantee that her shop will be headquarters for hats and bonnets this season.

If any of our subscribers have any apples to spare let them bring several bushels to this office on account. From fifteen to twenty bushels of potatoes are wanted on subscription. Please bring them in.

Two acrobats and a comic singer gave a street performance in town on Saturday afternoon, and of course had a goodly number of spectators. They were the fragments of a busted circus and were on their way East.

Adam Weaver, executor of the estate of Adam Weaver, late of Haines township, deceased, will make sale of the real estate and personal property of decedent, on Saturday, Nov. 1st, 1884. See notice on second page.

Mr. and Mrs. Jonathan Harter returned on Saturday from their two week's trip through Ohio. They are highly pleased with the Buckeye state, but were surprised at the audacity of the republicans at their late election.

D. I. Brown, our tinner and stove dealer on Main street, has some fine coal stoves on exhibition which will sell at very reasonable prices.

The large store of Dinges, Trumppfeller & Co., at Coburn is filled with their new stock and they are kept very busy.

On Monday morning, Mr. A. O. Deininger, who was home on a visit to his family over Sunday, took his two porkers, aged 14 months and 3 days, to D. A. Musser's mill to have them weighed. They tipped the beam at 880 pounds.

Both the Lutheran and M. E. churches at this place were crowded last Sunday evening. In the former, Rev. Asper, of Maryland, delivered his trial sermon, while in the latter the protracted meeting conducted by Rev. Sarvis was in progress.

T. D. Stover, Haines township, gives notice in another column that he has taken out letters of administration for the estate of Jacob W. Stover, dec'd. He will make sale of the personal property of decedent on Saturday Oct. 25th. See bills.

A democratic meeting will be held in the town hall of Millheim, Saturday evening. Hon. J. H. Orris, J. A. Woodward and L. Rhone are billed as the speakers. Turn out, Democrats, and bring your Republican friends along. It may do them some good.

NOTICE.—Persons knowing themselves indebted to the town clock fund are notified that their subscriptions are due and are requested to remit their amounts at an early day. Money will be received by P. H. Musser and W. S. Malze.

In last week's Reporter the Lutherans of Centre Hall issue a call for financial aid from their sister congregations in other towns. Those good people surely had many misfortunes with their church edifices, and their appeal for help should be heeded and liberally responded to.

THREE OLD STANDBYES.—George Confer, John Sanders and Sebastian Musser, three aged citizens of Penn township, expect to vote the Democratic ticket the 53th time at the coming election. Their unwavering faith in Democracy will surely be rewarded this time by a glorious victory of Cleveland and Hendricks.

McDONALD'S Improved Liver Pills secure a healthy liver regularity of the bowels, good digestion, sound sleep, clear head, and an active energetic mind. No constipation, no biliousness, no jaundices, no sick headache, or torpidity of liver or kidney possible, when occasional doses of these pills are used. All druggists keep them. Money refunded to dissatisfied purchasers.

On Sunday last quite a crowd gathered at the Evans Saw Mill Dam, to see the bridge builders put in the new bridge for the Railroad company.

Mr. Willis Elyans and J. S. Meyer have returned home from their trip to Jefferson and Indiana counties, where they had gone to purchase colts. They brought along some very fine animals for their own use.

Maj. Fisher is back from the city, whither he had gone to purchase a stock of fall and winter goods. Our farmers are busy husking corn and report a splendid crop. Mr. J. B. Heckman expects 2000 bushels from a 17 acre field which is indeed a very good yield. But it just takes Mr. Heckman to raise such crops. JACK PLANE.

—Mr. David Ulrich is moving to his father's residence on Penn street, this week.

—Our friends of the Evangelical Association have for the present suspended operations on their new church.

MILLINERY.—Mrs. E. Brumgard hereby respectfully announces that she has opened her large stock of goods, which go to make up the most attractive and latest styles of Hats, Bonnets and other kinds of headwear for ladies. She invites the public to call on her and guarantees satisfaction in work and prices.

The United Brethren Church at this place, which has lately been renovated and refitted will be reopened to the worship of God on Sunday, October 26th, 1884. The services will be conducted by Rev. M. P. Doyle, of Lebanon, Pa., who will preach in the forenoon and evening of said day. Our friends of all denominations are cordially invited to be with us on this occasion. COMMITTEE.

EMINENT PHYSICIANS connected with the principal physicians throughout the United States report very gratifying and satisfactory results from the use of McDonald's Great Blood Purifier in all cases of vitiated blood, emaciated condition, enfeebled digestive power, malassimilation of food, &c. But few diseases can withstand its remarkable purifying, tonic, and reconstructive power. Money refunded to dissatisfied purchasers. JOHNSTON, HOLLOWAY & CO., Philadelphia Agents. Sold by J. Eisenhuth, Millheim, Pa.

On Saturday, Oct. 25th, 1884, at two o'clock, p. m., the valuable farm in Penn township, of Daniel Kreamer, deceased, will be offered at public sale by the executor of the estate, Jas. P. Coburn. The farm contains about two hundred and thirty acres, with two dwelling houses, large bank barn, small tenant house, wagon shed carriage house, corn cribs and other out-buildings thereon erected. This is one of the best and most desirable farms in the valley and purchasers will secure a very pleasant home.

Coburn Briefs.

Our Cleveland meeting on Saturday evening was well attended. Three good speeches by Rhone, Woodward and Spangler. Hurrah!

The Sunday school at this place is progressing finely. There was a large attendance on Sunday.

Rev. Hengst treated his hearers to one of his fine sermons last Sunday.

The new blacksmith is kept busy day and night.

Our merchants are happy over their large trade last Saturday.

A bright new girl baby made its appearance at W. H. Kreamer's last week and one of our widowers has promised to come once a week to nurse it or the maid.

Bright & Ulrich shipped the best carload of cows last week that ever left this station.

Coburn organizes a brass band this week with sixteen members.

OCTOBER is a good month for merchants to examine their stock of Dr. Kessler's Celebrated English Cough Medicine and include a winter's supply in their next order. The people have found out by experience that it can be relied on in all cases of croup, whooping cough, colds, and lung troubles of any nature, and will have it. A good article draws trade while worthless articles drive it away. It should be a source of satisfaction to a dealer as well, to know he is giving good honest value for money received. Money refunded to dissatisfied purchasers. JOHNSTON, HOLLOWAY & CO., Philadelphia Agents. Sold by J. Eisenhuth, Millheim, Pa. Penn Hall Shavings.

Plain Jack imposed some what upon JACK PLANE'S Shavings. But all right, Jack, we will return the compliment sometimes: we know of your whereabouts.

Mr. John Weichric, a Millinburger, is here doing some trimming for F. Meyer & Son.

Mr. John Condo has returned home from his trip to Philadelphia and speaks well of the Electrical exhibition.

The boys are about to raise a Cleveland and Hendricks banner and will imprint upon it "Curtin and Victory." We want it understood that we will not go back on the old war horse. [That is speaking to the point and shows your head is level, Jack.—Ed.] James Condo and Lute Musser were in the horse trading business one day last week. Wonder who got the best of the bargain. On Sunday last quite a crowd gathered at the Evans Saw Mill Dam, to see the bridge builders put in the new bridge for the Railroad company.

On Monday afternoon, Mr. H. Cook from Howard, was in town and rented D. A. Musser's lot, corner of Penn and Mill streets for the purpose of erecting a skating rink building, 40 by 100 feet in dimensions. John Royer has the contract for the construction of the building and work will begin at once.

PETERSON'S MAGAZINE for November is on our table—ahead, as usual, of all others. How the publisher can afford to keep improving it, as he does, is a standing wonder. With this number appears the Prospectus for next year. It promises even better things, and "Peterson" always keeps his promises. There will be over 1,200 printed pages, 14 steel-engravings, 12 double-sized colored steel fashion-plates, 800 to 900 wood-cuts, six copy-right novelets, one hundred smaller stories, etc., etc. In short, the magazine will continue to be, as heretofore, the cheapest and best for ladies. The terms are only TWO DOLLARS a year. To clubs it is cheaper still, viz: four copies for six dollars and a half, with an extra copy to the person getting up the club. Or five copies for eight dollars, with both an extra copy and the "Pearl of Price," a beautifully illustrated volume, or a large steel- engraving, "The Lion in Love." Everybody should take this magazine. Now is the time to subscribe. Address CHARLES J. PETERSON, 306 Chestnut Street, Philadelphia, Pa. Specimens are sent gratis, if written for, to get up clubs with.

DRUGGISTS all report a rapid and steadily increasing demand for McDonald's Celebrated Worm Powders. There is no secret or trick about their popularity. It is solely because people have become convinced through trial or hearing their neighbors say that they are the best and easiest to take vermifuge ever produced. Nasty, sickening, old-fashioned worm syrups won't sell. People demand McDonald's Celebrated Worm Powders, and won't have anything else, hence their sales are greater than all the other vermifuges combined. Dissatisfied purchasers can have their money refunded. JOHNSTON HOLLOWAY & CO., Philadelphia Agents. Sold by J. Eisenhuth, Millheim, Pa.

Chronic Catarrh.

C. W. Mellier, of 466 South Fourth street, St. Louis, is twenty years of age and has been a sufferer from chronic catarrh, which had become quite offensive. When he came to Dr. Hartman, two months ago, he was told it would take six months to cure him. But he has progressed beyond all expectations, and nearly all signs of the disease have disappeared. Before being treated he could not breathe out of the nose, and now he has perfect control of the nasal organ. PERUNA did the business.

James Dunn, of 1370 Gay street, St. Louis, has suffered from catarrh since 1870. The gentleman told the reporter the following straightforward story of his case. "I took the disease in Memphis. It commenced in my head and extended to my throat, and a bad cough followed. I went to a number of physicians, and they told me my trouble was liver disease, and one said it was palpitation of the heart that caused the cough. For the last year I have been practically worthless. I could not ascend a flight of stairs without suffering from shortness of breath and fast beating of the heart, and my appetite was very defective. After eating I often coughed so hard that I would throw up everything in my stomach. I could not walk any distance without panting. Five weeks ago I went under the care of Dr. Hartman, and now my cough has disappeared and I feel like a new man." PERUNA was his treatment.

Next came George Sauerbaum, residing at 1929 Carr street, St. Louis, who is an old patient of Dr. Hartman. He stated that he had suffered most intensely from chronic catarrh of the head and lungs, but is now almost cured, his lungs being entirely well and his head greatly improved. The gratitude of this gentleman was almost boundless, and he expressed it to the reporter in the strongest terms, saying "PERUNA will cure any disease."

I. P. Dukehart, of Cumberland, Md., superintendent B. & O. R. Co.'s Hotels (conductor on the Baltimore & Ohio Railroad for twenty-eight years, and previously a druggist), writes: "DR. S. B. HARTMAN & Co., Columbus, O. I have used but one bottle of PERUNA between myself and son. He had diphtheritic sore throat, and is now well. As for myself, it has entirely relieved the dullness in my head, which has been of long standing—the result of chronic malaria. I never took anything in my life that gave me such great satisfaction. My wife is now taking it also."
