WASHINGTON LETTER. From our Regular Correspondent. WASHINGTON, D. C., Dec. 2, 1884. The business of Cabinet making for Mr. Cleveland is beginning to be decidedly active...

ONE of the things commended in the annual report of the treasurer of the United States is the abolishment of the three-cent piece. We do not think anybody would be sorry if that coin would disappear from the market...

OUR congressman from this district, Hon. A. G. Curtin, of Bellefonte, left for Washington on Monday morning, ready to take his post and get down to business at its commencement...

ACCORDING to official returns received up to the present the different states in the Union gave Cleveland 457,761 and Blaine 365,092 votes. This would make Cleveland's popular majority about 90,000.

THE second session of the forty-eighth congress began on Monday, the first day of this month. First Blood for Honest Government. One of the first visible fruits of Cleveland's election to the Presidency is the willingness and promptness of the long lufed Pacific Railroad corporations to settle their large indebtedness to the government...

Brighter Prospects. All the Mills at Fall River, Massachusetts, and Works at Pittsburg Start Up.

FALL RIVER, Mass., Nov. 28.—All the mills started up this morning. There is an encouraging feeling among manufacturers, caused by the stiffening in prices of print cloths. The mills will all run here next week, and the general opinion is that it will not be necessary to stop during the winter.

PITTSBURG, Pa., Nov. 28.—The puddling and horse shoeing department of Schoenberger & Co's rolling mill, which have been closed for some time, resumed this morning. Chess, Cook & Co's mills, after being shut down several weeks, will start up on Monday.

WILKESBARRE, Nov. 28.—The order issued by the combination for a general suspension of work at the mines the first week of December has been rescinded. In this region since the notice was published orders have been pouring in upon the retail and wholesale agents and large contracts have been made. Unless the collieries are kept going it will be impossible to meet the demands.

Origin of the Roller Skate. Apropos of the roller-skating craze so prevalent all over the country now, the origin of the present pastime may prove of some interest to the public. The roller skate was invented, according to a newspaper who is supposed to know a dozen years ago by a Yankee named Plympton, who, failing to interest the people of his country in it, went to English families stopping at Martha's Vineyard, where the first rink was established in 1878 or 1879. At that time Frank E. Winslow improved the skate, and commenced to establish rinks all over the country, and they may now be found in almost every town of any size.

Woman's Province. THE DUTIES OF THE GENTLER SEX—HOW BEST FULFILLED. What a great task is assigned to woman. Its dignity cannot be elevated. It is not her province to make laws, to lead armies, nor to be at the head of great enterprises, but to her is given the power to form those by whom the laws are made, to teach the leaders of mighty armies and the governors of vast empires. She is required to guard against having the slightest taint of bodily infirmity touch the frail creature whose moral, intellectual and physical being is derived from her. She must instill correct principles, inculcate right doctrines, and breathe into the soul of her offspring those pure sentiments which in time to come will be a part of themselves, and bless generations yet unborn. Yes, to woman is given the blessed privilege of aiding the sufferer in all the various stages of his existence. She smiles serenely at the christening, and weeps at the burial, while she soothes the bereaved heart. This is her province and duty. Yet how can she fulfill her mission unless possessed of a strong and healthy body? The preparation of Dr. S. B. Hartman, and known as PERUNA, is the thing for persons suffering from a majority of the complaints incident to this climate. It is invaluable to women, and Mrs. J. W. Reynolds, of New Lisbon, Columbiana county, Ohio, is a noted example of what the medicine can do. She says she has suffered for years with indigestion of the lungs, catarrh in the head, and was troubled with a bad cough. She had tried a number of physicians, but they all failed to cure her. She was induced to try PERUNA, and immediately a marked change took place. After using one bottle her cough ceased and in a short time her other ailments were cured. She is now completely restored to health, and gives all the credit to PERUNA. Mr. J. W. Reynolds, her husband, was a confirmed invalid. He could not sleep well, neither could he work. He used PERUNA, and as a result, was completely restored to his former vigor and strength. He says he now feels like a new man. Mr. Bernhard Seubs, St. Clair, St. Clair county, Mich., says: "I have thoroughly tried your PERUNA in the various diseases to which parents and a large family of children are ever liable, and I find it in every case to be just what is needed. No family can honestly be without it." Nancy Feterman, Cookport, Indiana County, Pa., says: "Gentlemen: Your valuable PERUNA is the best medicine I ever used."
