Honoring Mr. Gorman the Chair man of the Democratic National Executive Committee-Mr. Gor-

BALTIMORE, Dec. 11.-Seldom has such a representative gathering of public men been seen as that which met in the fover of the Academy of Music in this city to-night at the dinner given by the business men of the city to Senator A. P. Gorman. About two hundred subscribers and invited guests were present, among the latter being Senators T. F. Bayard, Charles W. Jones, John R. McPherson, B. F. Jonas, Wade Hampton, L. Q. C. Lamar, Geo. H. Pendleton, Groome, of Md.; Vest, of Missouri ; Camden, of West Virginia ; Governor McLand, of Maryland ; Retresentatives S. S. Cox, Geo. A. Post, Commander H. H. The arrangements for the banquet and the decorations of the hall were of most tasteful character.

The first toast on the programme was "The chairman of the national demoeratic executive committee, a leader to whose thorough and skillful organization we are happily indebted for the prilliant victory of last November."

Hon A. P. Gorman responded, saying: "I thank you cincerely, Mr. Chairman and gentlemen, for the kind manner in which the mention of my name has been received and for the tribute paid to such services as I was able to render in the November campaign. As chairman of the national democratic executive committee, I must share with many persons the credit which you give to me. ### American Pork.

The New Administration Expected to Look Over the Matter in Germany.

WASHINGTON, Dec. 12.-For some months past the subject of the admission of American pork in Germany has remained in stata quo, the inhibition imposed by the decree of March 6, 1883, still existing, and the German markets meanwhile having been effectually closed to American produce. Hitherto the contest against German discriminations has been urged alone in behalf of the American pork interests; but hostile al advisory committee, all of Missouri, measures in Germany having recently been threatened against American pe-They came to suggest the name of troleum, a powerful combination of the two interests is now being formed looking to a decisive and determined stand by the new administration and the new congress in regard to both of these es-When Senator Thomas F. The Senator is not only one of the clearest headed men now in public life, but he is a most thorough and industrious student, who vever spares a moment of time from the duties that attach to his position and the demands made upon him by a constituency that appear to recognize him as the sole representative of their interests. Mr.Garland has come to be recognized also as one of the best constitutional lawyers in or out of the Senate, and is as powerful in debate as any of the best forensic speakers that we have had in thirty years. He is just rising fifty years of age, so that be could not have reached more than thirty when he was a delegate to the Arkansas Secession Confederate Convention in 1861 and a member of the Confederate Congress the same year. At thirty-two he was elected by the Arkansas Legislature to the Senate, but that body [which now delights to do him honor.] refused to give him the seat. > Mr Arthur's chances for becoming a Senator rom New York are rapidly waning. The difficulty that has existed between the Stalwart element and the Half Breed section of the g. o. p. since 1881, has not been adjusted either in New York or in Illinois, where Logan will undoubtedly be knifed to give Half-Breed Charley Farwell his place in the Senate. It is a little strange that Farwell and his friends should have looked on with complacency when Gov. Hamilton, the friend of Logan, was fixing up his decision in the Chicago fraud case, in the interest of Logan.

### Money to be Made.

It is said that dull times are not known by the agents for the great publishing house of George Stinson & Co., of Portland Maine. The reason of this exceptional success is found in the fact that they always give the public that which is keenly appreciated and at prices that all can afford. At present we understand, their agents are doing wonderfully well on several new lines. They need many more agents in all parts of the country. Those who need profitable work should apply at once. Women do as well as men. Experience is not necess my, for Messrs. Stinson & Co., undertake to show all who are willing to work, not hard but earnestly, the path to large success. It should be remembered that an agent can do a handsome business without being away from home over night. Another advantage-it costs nothing to give the business a trial, and an agent can devote all his time, or only his spare moments to it. Stinson & Co. guarantee grand success to all who engage and follow simple and plain directions that they give. We have not place to explain all here, but tull particulars will be sent free to those who address the firm; their full address is given above.

Convinced. Mr. U. G. King, foreman of the Leetonia Democrat, Leetonia, Ohio, writes: DR. S. B. HARTMAN, Columbus, Ohio, Gentlemen: Some time since, I had occasion to doubt the genuineness of most of the articles that appear in different papers in regard to your wonderful PERUNA, and my curiosity was so great that I determined to write to one of the many people that claimed to have been cured by this medicine, and accordingly wrote to Mrs. J. W. Reynolds, of New Lisbon, this county, and received the following reply. I received your letter this evening, and in reply would say that PERUNA, I believe, saved my life, and I can not recommend it too highly; for all complaints it is the best medicine in existence. It seems to help you as you swallow it. I would advise any one suffering from my complaint to take PERUNA and be convinced. Yours truly, Mrs. J. W. Reynolds." Now, that's her card, word for word, and as I am well acquainted with the lady, I do not believe she would lie. It is truly wonderful how your medicine

I was treated by number of doctors, all to no effect. used several patent medicines, which did me no good, and about three years ago I was seized with a severe nervous trouble, and was obliged to quit farming. I thought my days would soon be over, but last winter I received one of your pamphlets called the "Ills of Life." I at once tried your PERUNA and MANALIN. They helped me right away. I used nine bottles of PERUNA and three of MANALIN: and now I am quite well, and able to resume farming. I also had a little child which was attacked with a severe cramp in the stomach; we thought it would go into spasms. I used nothing but PERUNA. We gave it an injection of PERUNA and warm water, and gave it a teaspoonful of the medicine internally every half hour. It was relieved in one hour, and has not been bothered since. I have also used it with as good effect in case of croup and colds. I know that it is a wonderful medicine, and recommend it to all who are in poor health. The above statement I am willing to swear to."

W. M. Plants, Deep Valley, Greene county, Pa, writes: "Please send me your book on the 'Ills of Life.' I have used one bottle of PERUNA, and am greatly benefited."
